

REQUEST FOR PROPOSAL

July 4, 2023 Fireworks Show

The City of Manchester is requesting proposals for the fireworks display for their July 4th festival.

Project Location:

557 N. Woodland St. Manchester TN 37355

Scope of Work:

Display will feature an opening segment, main body, and a spectacular grand finale. If space allows, the show may feature multiple positions fired simultaneously. The display will be custom designed, pre-scripted and can be choreographed to music at the customer's request with a track prepared by the fireworks company for the display. The fireworks company will provide all necessary racks and display equipment, electrical firing system, and required electrical matches to fire the show. City of Manchester will provide a deposit of 50% with the signed contract and will pay the remainder of the fee on or before the day of the display. Display will be in accordance with NFPA 1123 standards and includes all products, insurance (including a Certificate of Insurance for a minimum of \$1,000,000.00 listing the City of Manchester as Certificate Holder), permitting fees, transportation of equipment and products to the display site, labor and professional services. City of Manchester is responsible for any required security and sound system.

Display Options:

The show will cost the City of Manchester \$15,000.00 and the fireworks company will not provide a display worth less than nor exceed this set amount. An aerial display consisting of shells up to 6" in diameter (max shell size will be determined after show location is verified), plus various low and mid-level effects (selected products will be based on show design). Show duration approximately 15 minutes. Minimum shell count is as follows:

- 3" – 480 - 2000
- 4" – 120 - 1250
- 5" – 72 - 1000
- 6" - 54 – 1500
- Miscellaneous Cakes based on Show Design.
