This RFQ is subject to the Purchase Order Terms and Conditions and RFQ Requirements and Specifications.
2. **INTERPRETATION OF CONTRACT DOCUMENTS:** If a potential Bidder is uncertain as to the meaning of any part of the specifications or this RFQ, the bidder is expected to contact the Purchasing Agent no less than four (4) days prior to Due Date.
3. **EXAMINATION:** Bidders shall carefully examine the Contract documents and the maintenance sites to obtain first-hand knowledge of existing conditions. Bidders will not be given extra payment for conditions, which can be determined by examining the site and contract documents. 5. **DELIVERY/ WORK COMPLETION DATE:** Time of proposed delivery of completion of work must be stated in definite terms. The City reserves the right to cancel all items not shipped or work not completed within the period agreed to by the vendor. In determining the lowest responsible bidder, the City shall take into consideration the qualities of the articles supplied, their conformity with the specifications, and their suitability to the requirements of the City and the delivery terms.
