FOR PARKS & RECREATION PROGRAM UNIFORMS, APPAREL AND EQUIPMENT**

1. Quality and Samples:

- 1.1. All equipment, material and supplies proposed must conform to the description and specifications stated in the bid documents, or their reasonable equivalent. References to type, style, trade name, and catalog are intended to be descriptive only and not restrictive.
- 1.2. If Bidder proposes to furnish the items specified in the bid document, Bidder shall fill in the unit price in the appropriate spaces on the bid form included herewith.

2. Interpretations and Addenda:

- 2.1 No interpretation of the meaning of the bid document will be made to any bidder orally. Any request for such interpretation shall be made no later than five (5) working days prior to the date fixed for the opening of bids and must be made **via email** with the subject heading:
"Bid – Parks & Recreation Program Uniforms, Apparel and Equipment"

Questions or inquiries should be sent to:
Robbie Spencer, Parks & Recreation Director
rspencer@lakelandtn.org

Notice of any and all such interpretations and any supplemental instructions will be served upon all bidders of record by the City Recorder in the form of addenda to the bid specifications. All addenda so issued shall become a part of the bid document.

- 2.2 Interpretation of the bid specification shall be decided by Parks & Recreation Director. The Director's decision shall be final and binding on all parties.

3. Bid Quotations:

- 3.1 Unit price and total price of each item quoted shall be written in ink, or typed, in the space opposite the name of the item listed on the proposal form.

No proposals will be considered acceptable unless properly made out on the bid proposal forms provided by the City of Lakeland and signed by Bidder in ink.

- 3.2 In the event of a discrepancy between the unit price and the total price of the bid proposal form, the unit price will govern. All prices must be quoted "per unit" quantity specified. (e.g. do not quote "per case" when "per dozen" is requested).

All items not bid shall be indicated as "not bid" in the total price space. When bids are requested on a lump sum basis, Bidder must bid on each item in the lump sum group. A bidder desiring to bid "no charge" on an item in a group must so indicate. Failure to comply with the provisions of this paragraph may be grounds for rejection of the bid proposal by the City.

4. Late Bids:

Bid proposals that arrive after the time stated for the opening of bids shall not be accepted, and will be returned to Bidder unopened. Whether sent by mail or by means of personal delivery, Bidder assumes responsibility for having its bid delivered on time at the place specified in the legal notice.

5. Bid Opening:

Sealed Bids will be publicly opened on the date and time specified in the notice included in the bid documents. All bids will be opened and, unless obviously non-responsive or otherwise irregular, read publicly aloud. All bids are then available for inspection by the public and the other bidders.

6. Acceptance or Rejection:

- 6.1 The City reserves the sole right to waive any informality, to reject any or all bids, and City's decision shall be final and binding on all parties.
- 6.2 Acceptance of bids is subject to approval by the Board of Commissioners of the City of Lakeland.

7. Award:

- 7.1 Awards will be made to the responsible bidder submitting the lowest bid that fully complies with all the specifications stated in the bid document.
- 7.2 The City reserves the right to make awards within sixty (60) days after the date of the bid opening, during which period bids may not be withdrawn, unless Bidder expressly states in its bid that acceptance thereof must be made within a shorter specified time.
- 7.3 The City reserves the right to reject all bids and to purchase any or all items on contracts awarded by agencies or departments of the State of Tennessee if such items can be obtained on substantially the same terms, conditions, specifications, and at a lower price.

8. Notice of Award:

If the bid is accepted by the City, the successful bidder (also referred to herein as "Vendor") will be notified in writing by the City Recorder. Vendor will be required to submit a completed W-9 Form with its first invoice.

9. Delivery:

- 9.1 Deliveries shall be made in accordance with the specifications, and shall be made Monday through Friday from 8:00am to 4:30pm unless otherwise stated in the specifications, at the location set forth in the specifications. F.O.B., except on national, state or local holidays when City buildings are closed. Bidder shall be responsible to verify that the appropriate City building for delivery is open prior to delivering items. All bid items shall be unloaded and placed within the particular City building, at points of delivery, and in quantities, as directed by the City. Any costs incurred by the City or Bidder due to the failure of Bidder to comply with this requirement will be the responsibility of Bidder. Bidder should be prepared to furnish proof of delivery, if requested by the City.
- 9.2 If Bidder is shipping bid items to the City using a third-party carrier (US Postal Service, UPS, FedEx), there shall be no additional shipping charge to the City.
- 9.3 Delivery of all bid items under this bid shall be made not later than the date specified in the bid document. If Bidder cannot meet the delivery date specified in the bid document, Bidder shall state on the bid form the proposed date of delivery and such date will be considered when determining responsiveness in awarding the bid.
- 9.4 Bidder shall be fully responsible for shipping and delivery of bid items in an undamaged condition. Bidder shall be fully responsible for performance of work in a satisfactory manner with satisfactory results in the discretion of the City. The City will not consider the carrier responsible for damaged or delayed deliveries. Any bid item damaged or broken when delivered to the City shall be replaced immediately by Bidder. The City shall notify Bidder of damaged or defective goods in writing within ten (10) business days from the date of delivery. The remedies available to the City in this Article shall be in addition to available remedies provided in the Article entitled Termination / Breach of Contract, below.

10. Warranty / Guarantee:

By submitting its bid, Bidder is deemed to warrant and guarantee as follows:

- 10.1 Except as noted in the Summary of Bid and the Specifications, all goods furnished in this bid proposal are guaranteed against defects in workmanship and/or material for a period of one (1) year from the date of delivery to the City.

guarantee as the original equipment or products. Bidder shall make any such replacement promptly upon receiving written notice from the City.

11. Additional Quantities:

Unless the City requests Bidder to supply used goods or materials, the City may purchase additional quantities of the bid items from Bidder at any time during the contract period, for the same price and under the same terms and conditions set forth herein.

12. Termination / Breach of Contract:

If Bidder fails to deliver as ordered, or within the time specified, or within reasonable time as interpreted by the City, or fails to make replacement of rejected or defective goods, whether so requested immediately or as directed by the City, that shall constitute a breach of the contract, and the City may purchase goods from other sources to take the place of the goods rejected found defective or not delivered. The City reserves the right to authorize immediate purchase (within 24 hours) from other sources against rejections on any contract when necessary. On all such purchases, Bidder agrees to reimburse the City promptly for excess costs occasioned by such purchases. Should the cost be less, Bidder shall have no claim to the difference. Such purchases may be deducted from the outstanding invoices or claims, or charged back against future invoices. Without limiting the foregoing, the City reserves the right to terminate the Contract upon breach upon within ten (10) days of notice provided to Bidder.

13. Assignment Prohibited:

Bidder shall not assign, transfer, convey, sublet, subcontract or otherwise dispose of the contract or its right, title, or interest therein, or its power to execute such contract, to any other person, or entity without the prior written consent of the City.
