

**NOTICE TO BIDDERS  
REQUEST FOR QUALIFICATIONS (RFQ)  
ELECTRIC SUBSTATION # 2 PROJECT  
CITY OF LAURINBURG**

The City of Laurinburg is requesting Statements of Qualifications to provide engineering services for the design and construction of a new electric substation (Point of Delivery # 2). This project is projected to be funded in whole with City funds; however, the City will continue to pursue any state, federal, or other grant funds that may become available as well. The City of Laurinburg intends to select a qualified consultant to provide engineering design services based on the project details, scope of services, and evaluation criteria listed in the detailed RFQ. The projected in-service date for the new substation is October, 2019.

Copies of the detailed request for qualifications (RFQ), including a description of the services to be provided by respondents, the minimum content of responses, and the factors to be used to evaluate the responses, can be obtained by contacting Harold W. Haywood at 503 Hall Street, Laurinburg, NC, at (910) 276-2364, or at [hhaywood@laurinburg.org](mailto:hhaywood@laurinburg.org).

The proposals should be submitted no later than Monday, December 3, 2018 at 2:00 p.m. EST to the City of Laurinburg, Attn: Harold W. Haywood, 503 Hall Street, Laurinburg, NC 28352. For more information, contact Harold W. Haywood at (910) 276-2364.

The City of Laurinburg is an Equal Opportunity Employer and invites the submission of proposals from minority and women-owned firms. The City reserves the right to reject any or all proposals.

This information is available in Spanish or any other language upon request. Please contact Harold W. Haywood at (910) 276-2364 or 503 Hall Street, Laurinburg, NC for accommodations for this request.
