**CONSTRUCTION PROCEDURES**  
 Questions: call HB Clark anytime at 270-792-0672

- Construct Fairways:
  - Clear wooded fairway
    - Push out (or back box / pinch) small foliage, leaving trees over 6" dia.
    - Remove debris for burn / haul / or piled and spread
  - Mow open fairways (first 100' 10 foot wide, and end with 60' diameter around hole)
    - Mow walking path 5' wide from hole to next tee
    - Seed and limpy where needed in wooded fairways
    - Thin low hanging brush on trees (hole 3 and other as needed)
- Install Inertia DiscChairs targets
  - Fit assemble collar, sleeve, and pole prior to installation
