2.0 AUTHORITY:

- 2.01 Equal Weight and Force.** The instructions herein contained are given for the purpose of guidance in properly preparing an applicable proposal. These directions have equal weight and force with the specifications and strict compliance is required with all of the provisions. Unless otherwise stated in the special instructions of the proposal, these general instructions shall apply.
- 2.02 Written Explanations.** Only written information from the procurement manager or an authorized representative of the purchasing division is binding; therefore no verbal instructions or verbal information from any other source shall be binding on the City. The City shall not be responsible for any other explanation or interpretation and the decision of the procurement manager or an authorized representative of the purchasing division shall be final and binding upon each Offeror.
- 2.03 Disputes with Written Explanations.** The written specifications are considered clear and complete. Failure of the Offeror to call attention in writing to any disputes, definitions, discrepancies, inconsistencies or incompleteness before the opening of the proposal in the time and manner set forth herein is a waiver of right to do so upon opening of the proposals. Clarifications requested by Offerors must be in writing not less than three (3) days before date and time set for receipt of proposals.
- 2.04 Written Addenda.** Should the procurement manager deem it necessary to alter proposal specifications, those alterations shall be made in the form of written addenda that shall be posted on the City website, and may be advertised in the South Carolina Business Opportunities (SCBO) online publication and the local newspaper. The Offeror is responsible for monitoring all of these sources and should not rely on a single source for updates. These addenda shall then be considered as part of these specifications. No interpretations of the meaning of the proposal specifications shall be made orally.

3.0 REQUIREMENTS FOR WRITTEN DOCUMENTS:

- 3.01 Availability of Documents.** Proposal documents may be obtained through the City of Myrtle Beach website (www.cityofmyrtlebeach.com), or in person at the City of Myrtle Beach Purchasing Office, 3231 Mr. Joe White Avenue, Myrtle Beach, SC 29577, Monday through Friday (excluding City holidays), from 8:00 AM to 5:00 PM. Proposal documents may be mailed or sent via e-mail by vendor request only.
- 3.02 Responsive Proposals.** The City of Myrtle Beach will review proposals on a pass/fail basis to determine whether the proposal is “responsive” to this RFP. A responsive proposal will contain all required documents and forms that are completed in their entirety. Documents and forms must be unaltered, legible, signed, sealed appropriately, and free from errors without noted corrections. The City reserves the right (at its sole discretion) to determine whether a proposal is responsive.

- 3.03 Non-Responsive Proposals.** Proposals that are incomplete, unsigned, improperly signed or sealed, conditional, illegible, obscure, contain arithmetical errors, corrections without initials, ambiguities, alterations, and/or irregularities of any kind, may be declared non-responsive.
- 3.04 Document Completion.** A proposal and signature document is provided as part of the solicitation. This form must be used in submitting a proposal and all pages of the proposal document must be completely filled out in blue ink and signed by the Offeror. No proposal shall be accepted unless submitted on the forms furnished herein. The format of the proposal documents shall not be altered in any way. Written errors made on the proposal documents prior to submission must be corrected by marking through the entry in blue ink and making the correct entry adjacent to the written error and initialed by the Offeror in blue ink.
- 3.05 Contents of Proposal Packet.** The general instructions, scope of work and/or specifications, and the proposal and signature document constitute the proposal packet. By submitting a proposal, the Offeror is deemed to have accepted all of the terms and conditions set forth in the proposal packet documents. Alternative proposals shall not be considered. All proposal packet documents, after completion by the Offeror, must be returned with the proposal in the same order as received by the Offeror.
- 3.06 Single Package Requirement.** Unless otherwise stated in the special instructions section of this proposal request, submit one complete proposal package using the attached form(s), for proposed pricing.
- 3.07 Proposal Submission.** Each proposal must be enclosed in a sealed envelope, clearly marked on the outside with the company name/address in the upper left-hand corner and proposal number/name and time/date of opening in the lower left-hand corner. This sealed envelope must be delivered to the procurement buyer. If the required information is not clearly stated on the outside of the envelope, the proposal is considered nonresponsive. It is the Offeror's responsibility to ensure that the proposal is delivered by the official opening date and time. Proposals submitted after the date and time set for receipt shall be considered late, regardless of the degree of lateness or the reason related thereto, including causes beyond the control of the Offeror. Late proposals shall not be opened and will be returned to the Offeror unopened. The City of Myrtle Beach is not responsible for late or misdirected mail.
- 3.08 Proposal Delivery/Opening.** All proposals must be sealed, marked and delivered in accordance with these instructions to Purchasing Division, City of Myrtle Beach, 3231 Mr. Joe White Avenue, Myrtle Beach, SC 29577. Proposals received prior to the advertised hour of opening shall be securely kept sealed. Proposals are not subject to public opening.
- 3.09 Document and Content Ownership.** All documents, reports, proposals, submittals, working papers or other material submitted to the City from the Offeror shall become the sole and exclusive property of the City and in the public domain.

However, as per the South Carolina State Procurement Code, Section 11-35-410, commercial/financial/price information and design concepts, methods, procedures, and recommendations can be held privileged and confidential, provided that the Offeror clearly marks that information as such. This includes biographical data on key employees. It will be the Offeror's responsibility to label information as proprietary. Failure to clearly identify information as privileged, confidential, and/or proprietary may be cause for public disclosure. The Offeror shall not copyright, or cause to be copyrighted, any portion of any of said documents submitted to the City as a result of this solicitation.

4.0 FULL EXAMINATION:

- 4.01 Thorough Investigation.** Offerors shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment and/or service to be performed as required by the proposal conditions. No plea of ignorance by the Offeror of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the Offeror to make the necessary examination and investigations, or failure to fulfill in every detail the requirements of the contract documents, shall in no way relieve the Offeror from any obligation in respect to the proposal.
- 4.02 Pre-Proposal Meetings.** When Offerors are required to make site visits or attend mandatory pre-proposal meetings, all expenses shall be paid for by the Offeror, unless previous written arrangements are made with the City. Offeror must be physically present at the sign-in location with the Buyer at the start of the scheduled meeting time. The official start of each pre-proposal meeting will be determined by the Buyer with an announcement of the time and the final closing for Offerors to sign-in. Any Offeror arriving after the declared time announcement and closing of sign-in shall not be admitted to the pre-proposal meeting, and any proposals received shall be considered non-responsive.
- 4.03 Evidence of Examination.** Submission of a proposal will be considered as conclusive evidence of the Offeror's complete examination, understanding and acceptance of the specifications.

5.0 PRICING:

- 5.01 Unit Pricing.** Unit pricing will govern over extended prices unless otherwise stated in special instructions in this proposal request. All prices quoted should be firm. In those cases where a firm proposal cannot be made, consideration shall still be given to all Offerors. Also, maximum or ceiling prices should be quoted where possible when proposal contains non-firm prices.
- 5.02 Cash Discounts.** Cash discounts, if allowed, should be so stated on the proposal form. Prices must, however, be based upon payment thirty (30) calendar days after delivery.

5.03 Changes in Cost. If during the term of the contract entered into as a result of this proposal, the cost of material(s) is/are increased through no act on the part of the contractor other than to comply with any prevailing rise in the market price(s) of material(s) used, it shall be the contractor's responsibility to notify the City of Myrtle Beach Purchasing Office in writing of the price increase(s) and the effective date of the increase(s). Price(s) shall be increased only to the point of absorbing additional cost(s) of material(s) paid for by the contractor. At any time during the term of the contract, the City may request that the contractor provide written documentation from the manufacturer/supplier of the material(s) to substantiate price increase(s). If during the term of the contract, the cost of material(s) to the contractor is reduced, then the contractor shall reduce the contract price(s) and notify the procurement buyer in writing.

5.04 Price Evaluation. The City of Myrtle Beach shall evaluate the Offeror's price proposal for completeness, price reasonableness, price realism, and unbalanced pricing. Price reasonableness shall be established by competition and determined primarily by comparison with other offers submitted. Price realism shall be established by analysis of the unit price submitted to determine whether the estimated proposed price reflects a clear understanding of the requirements, are realistic for the work to be performed, and are consistent with the methods of performance and materials described in the Offeror's proposal. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated and poses an unacceptable risk to the City. The City may determine that a proposal is unacceptable if the proposed price is materially unbalanced between line items.

6.0 TAX INFORMATION:

6.01 Sales Tax/Federal Tax. The City of Myrtle Beach pays South Carolina State Sales Tax. The City is exempt from Federal Excise Tax and shall issue exemption certificates if required. All applicable taxes should be shown as separate line items unless otherwise indicated.

6.02 Payment of Taxes. The contractor agrees to pay all taxes and license fees of whatever nature applicable to conduct business and furnish the City of Myrtle Beach, if requested, with duplicate receipts or other satisfactory evidence showing the prompt payment of all taxes and fees when referred to and showing that all licenses are in effect.

7.0 MATERIAL ASSESSMENT:

7.01 Product Documentation. Proposal shall include adequate brochures, latest printed specification and advertising literature describing the product(s) offered in such a fashion as to permit ready comparison with the specifications on an item-by-item basis where applicable.

7.02 Safety Data Sheet (SDS). If so requested in the proposed documents, a completed SDS for the item(s) indicated must be provided with the proposal documents. Failure to submit this form upon request may result in rejection of proposal.

- 7.03 Evidence of Work/Product.** All Offerors must be prepared to present suitable evidence of similar work recently completed or goods supplied. Products are to be brand name or equal unless otherwise specified. If submitting an equal product, supporting documents must be provided with proposal.
- 7.04 Sample Submission.** When samples are required with a proposal, they must be submitted with the proposal unless approved by the purchasing manager or purchasing manager's authorized representative.
- 7.05 Sample Ownership.** Samples submitted shall become the property of the City of Myrtle Beach. The entire cost of the sample(s) shall be paid for by the Offeror unless previous written arrangements are made with the City.
- 7.06 Furnished Items.** Offerors are required to state exactly what they intend to furnish; otherwise, they shall be required to furnish the items as specified.
- 7.07 Quality of Items.** Offerors shall submit, with their proposal, data necessary to evaluate and determine the quality of the item(s) they are proposing. Unless otherwise specified, the Offeror shall unconditionally guarantee the items and workmanship being proposed. If any defects or signs of deterioration are noted which, in the City's opinion, are due to faulty workmanship or material, the Offeror, upon notification and at the expense of the Offeror, shall replace the items to the complete satisfaction of the City. Upon the Offeror's failure to replace items, the City may return the rejected items to the Offeror at the Offeror's risk and expense, or the City may dispose of them as its own property.

8.0 CHANGES IN SPECIFICATIONS:

- 8.01 Authority of Specifications.** It shall be understood that in all cases the terms and conditions, as detailed in the specifications, shall supersede terms and conditions, as detailed in the general instructions. No verbal agreement or conversation with any officer, agent, or employee of the City shall affect or modify any of the terms and conditions.
- 8.02 Equipment.** If this proposal is for the purchase of equipment, the Offeror guarantees that the equipment offered is standard new equipment, latest model or regular stock product, with parts regularly used for the type of equipment offered; also that no attachment or part has been substituted or applied contrary to the manufacturer's recommendations and standard practices.
- 8.03 Deviation from Specifications.** Any deviation from specifications must be noted in detail and submitted in writing with this proposal. Complete specifications should be attached for any substitutions offered, or when amplifications are desirable or necessary. The absence of a specification deviation statement and accompanying specifications shall hold the Offeror strictly accountable to the specifications as written herein.

- 8.04 Material Preference.** The specifications, as listed herein, represent our preference in material; however, we are fully cognizant that no two pieces of comparable material are identical and/or same in size, function, and operation; and some of the specifications will not completely coincide with ours as listed. Please list your exceptions and explanations separately. It is not our intent to write specifications for any project on which only one proponent can submit a proposal.
- 8.05 Changes after Award.** Any changes in specifications, after the purchase order/contract has been awarded, must be with the written consent of the purchasing division; otherwise, the responsibility for such changes shall be with the Offeror.
- 8.06 Equivalent Items.** For items identified in this proposal as “brand name or equal,” the Offeror’s proposal must indicate each product that is being offered as an “equal” product by providing the following information:
- A. A description reflecting the characteristics and level of quality that will satisfy the salient physical, functional, or performance characteristics of “equal” products specified in the proposal
 - B. A clear identification of the item by brand name and make/model number (if any)
 - C. Descriptive literature such as illustrations, drawings, photographs, or a clear reference to previously furnished descriptive data or information that is readily available to the purchasing buyer
 - D. A clear description of any modifications the Offeror plans to make in a product so that it conforms to the proposal requirements
- Compliance verification is performed by the City purchasing buyer and their requestor(s). The purchasing buyer is required to evaluate “equal” products on the basis of information furnished by the Offeror, or identified in the proposal. The buyer is not responsible for locating, obtaining, or researching any information that is not provided. An Offeror’s product will not be considered as an “equal” product if there is an inadequate description of how the “equal” product meets the salient characteristics specified in the proposal.

9.0 MODIFICATIONS:

- 9.01 Additional Work.** The proposal shall not contain any unauthorized additions. No additional work shall be allowed or paid for unless such extra or additional work is ordered in writing by the purchasing division and with the price for such established and agreed upon before such extras are delivered or work is performed.
- 9.02 Adjustments to Items/Work.** The City of Myrtle Beach shall have the right, without invalidating the contract, to make additions to or deductions from the items or work covered by the specifications. In case such deductions or additions are made, an equitable price adjustment shall be made between the City and the contractor. Any such adjustments in price shall be made in writing.
- 9.03 Quantity Limits.** At the time of award, if required, the City reserves the right to set a maximum dollar limit that may be expended on the project or requirement. Contract

quantities of any and/or all items may be increased, decreased, or eliminated to adjust the contract amount to coincide with the amount of service-related work or supply items to bring the contract value to within the established limit. All quantities are estimated and the City reserves the right to increase, decrease, or eliminate the contract quantities in any amount.

10.0 BOND REQUIREMENTS:

10.01 Bid Bonds. If required, Offeror shall supply a bid bond of 5% of the total proposal amount to be submitted with the proposal package. Bonds are required if the contract work is valued at \$25,000.00 or more for construction and/or any type of service related requirement.

10.02 Performance/Payment Bonds. The successful Offeror at its own cost and expense shall furnish, if required, a valid performance and payment bond (payable to the City of Myrtle Beach.) The bond shall be in the full amount of this agreement conditioned on the full and faithful performance of the work under this agreement in accordance with the specifications and contract documents. Bonds are required if the contract work is valued at \$25,000.00 or more for construction and/or any type of service related requirement. The performance and payment bonds shall be executed by the contractor and a bonding company authorized to do business in the State of South Carolina and approved by the State of South Carolina to issue such performance and payment bonds. Bonds must be received within ten (10) calendar days from the date and time of notification of award. Only the forms provided by the City for the performance and payment bonds shall be accepted.

11.02 Dates. The delivery date as stated in the proposal shall be the time required to deliver the complete item(s) after the receipt of the order or award of the contract. Where multiple items appear on a proposal request, the Offeror shall, unless otherwise stated by the City, show delivery date for each item separately. If only a single delivery date is shown, it shall be assumed to mean that all items included in the proposal can and will be delivered on or before the specified date. The Offeror certifies that the delivery shall be completed in the time the Offeror states, starting at the time the order is placed, provided that the time between the proposal opening and the placing of the order does not exceed the number of days stipulated in the proposal. The right is reserved to reject any proposal on which the delivery time indicated is considered sufficient to delay the operation for which the commodity is intended. Successful Offeror(s) shall be responsible for making any and all claims against carriers for missing or damaged items.

- 11.03 Delivery Price.** Proposal prices are to be Delivered Price (FOB Destination). Proposal prices must include all delivery costs, including but not limited to, loading and unloading cost(s), transportation charge(s) and fuel surcharge(s). - 11.04 Documentation.** Invoice(s), certificates of origin, warranties and guarantees must be submitted at the time of delivery of the item(s).
- 11.05 Wrong Deliveries.** In the event that materials, supplies, etc. are delivered which do not comply with specifications and have not been approved by the purchasing division, the contractor, upon notification, shall immediately remove from the premises any such materials, supplies, etc. and replace them with materials, supplies, etc. in full accordance with the specifications.

12.0 AWARD CRITERIA/TIMELINE:

- 12.01 Award Criteria.** For service and supply-related requirements, the award will be made within the time specified to the responsible Offeror meeting the specifications and having the lowest possible cost consistent with the quality and service needed for effective use. The following criteria shall be used in making this determination:
- A. Superior quality and specification adherence
 - B. Adequate maintenance and service
 - C. Delivery and/or completion time
 - D. Guarantees and warranties
 - E. Company's reputation and financial status
 - F. Past experience and cost with similar or like equipment or service
 - G. Anticipated future cost and experience
 - H. Performance of proponent's equipment by other agencies, plants, and firms
- Evaluation factors, if required, shall be stated in either a percent basis or a numerical format.
- 12.02 Contract Issuance.** The award of a contract is accomplished by executing a written agreement that incorporates the entire proposal, Offeror's response, clarifications, addenda, and additions. All such materials constitute the contract documents. The Offeror agrees to accept the contract terms unless substantive changes are made without the approval of the Offeror. Offeror shall not add any provisions reserving the right to accept or reject an award. The procurement office is the sole point of contact for the issuance of the contract.
- 12.03 Commencement of Work.** Upon execution and delivery of the contract and insurance certificates, the Offeror shall be notified to proceed with the work of the contract. The work of the contract shall be commenced within one (1) City business day following such notification, or as otherwise specified in the Notice to Proceed. The performance period shall be from date of issuance of Notice to Proceed through ninety (90) calendar days. Contract prices shall remain firm for the duration of the contract period. The City of Myrtle Beach reserves the right to adjust the performance period to meet the best interests

of the City. Any such adjustment will be made in writing through the Purchasing Office.

12.04 Contract Timeline. In the event the successful Offeror fails or refuses to execute a formal written contract with the City of Myrtle Beach in form and content acceptable to the City, within ten (10) City business days after notice of acceptance of the proposal, the proposal may be revoked, and all obligations of the City in connection with the proposal may be canceled.

12.05 Notification. Proposal tabulations will be available on-line at www.cityofmyrtlebeach.com/purchasing.html. Winning Offeror shall be notified five (5) City business days after proposal tabulations are posted.

12.06 City Business License. The successful Offeror must obtain a City of Myrtle Beach business license in order to conduct business within our city. A business license is not required to submit a proposal; however, any offeror that receives an award under this proposal shall be required to obtain a City business license before work can begin. For further information on obtaining a city business license, contact the City Business License Office at 843-918-1200.

13.0 OFFEROR RESPONSIBILITIES:

13.01 Duration of Proposal. Proposal prices, terms and conditions shall be firm for a period of at least one hundred twenty (120) calendar days from the deadline for receipt of submittal, or until such time as established in the proposal. The successful proposal shall not be subject to future price escalation or changes of terms if accepted during the one hundred twenty (120) day period, or the specified proposal time. Price decreases or changes in terms by others after the acceptance of a proposal shall not be considered.

13.02 Transfer of Responsibilities. The contractor shall not assign or otherwise transfer any of its responsibilities or obligations under the contract to any other person or entity without prior written consent of the City.

13.03 Drug-Free Workplace. In accordance with the provisions of the Drug-Free Workplace Act, the City of Myrtle Beach shall promote a drug-free workplace. Illegal drugs or narcotics in the workplace are strictly prohibited. The manufacture, possession, use, and/or distribution of a controlled substance of any kind while working on City property is subject to disciplinary action up to and including immediate discharge. As such, Offerors are required to insure that a drug-free workplace is provided in the performance of any City contracts. By submitting a proposal, Offeror certifies that, if awarded the contract, they and their subcontractors shall comply with the City's Drug-Free Workplace Policy. The failure of any Offeror to uphold and enforce this policy is subject to termination of contract.

13.04 Subcontractors. The contractor shall be wholly responsible for the performance of all subcontractors and for their acts and omissions, and those of persons either directly or indirectly employed by the contractor, and the fact that subcontractors are subject to the approval of the City of Myrtle Beach shall not affect the contractor's responsibility in this

regard. The Offeror shall bind every subcontractor to all terms and conditions anywhere contained in the contract documents as far as applicable to the work of such subcontractor so that the subcontractor assumes toward the contractor and toward the work all the obligations and responsibilities that the contract assumes toward the City as to the performance of the subcontractor's portion of the work.

13.05 Coordination and Contact. The selected Offeror shall be required to assume responsibility for coordination, engineering, delivery, installation, and maintenance of all equipment, software and services offered in their proposal, whether they are the manufacturer or producer of them.
