FROM: SPALDING COUNTY
PURCHASING
119 EAST SOLOMON STREET
GRIFFIN, GA 30223

TO: ALL BIDDERS

RE: Addendum No. 5, dated April 11, 2023

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated February 24, 2023.

This Addendum consists of one (1) page and one (1) road list.

Add. 5.1 Modification: A revised Bid Tabulation dated 04/10/2023 is attached to this addendum. Contractors must use the revised Bid Tabulation for submittal.

Add. 5.2 Modification: A revised road list is attached to this addendum. The list consists of the roads to receive resurfacing for this project and replaces the base road list and alternate road lists issued in Addendum No. 3.

Add. 5.3 Modification: The unit for the pay item 'SHOULDER BUILDING, INCLUDING GRASSING (SPALDING COUNTY TO PROVIDE FILL MATERIAL)' has been revised from CY (cubic yards) to LM (centerline mile). Shoulder building shall include placement of fill material and grassing on both sides of the roadway. Spalding County will provide the fill material and load it onto the Contractor's trucks. The fill material is stored at the same location designated in the RFP for hauling the project asphalt millings. The required width for shoulder building from the edge of pavement is two (2) feet. The contractor shall provide low/soft shoulder signage and traffic barrels as needed.

Add. 5.4 Clarification: Asphalt resurfacing on Macon Road at its intersection with Futral Road shall stop short of the traffic signal loops. The contractor is required to mill the transitions on each side of the intersection. Revisions have been made to the Bid Tabulation to add the required milling and remove striping related to the intersection.

Add. 5.5 Clarification: The time allowed for completion of the resurfacing portion of the project remains at 180 days, as previously stated for the base road list in Addendum No. 3.

End of Addendum No. 5
