RE: Addendum No. 6, dated April 12, 2023

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated February 24, 2023.

This Addendum consists of one (1) page, a revised Bid Tabulation, and one (1) road list.

Add. 6.1 Modification: A revised Bid Tabulation dated 04/12/2023 is attached to this addendum. Contractors must use the revised Bid Tabulation for submittal.

Add. 6.2 Modification: A revised road list is attached to this addendum. The list consists of the roads to receive resurfacing for this project and replaces the previous lists. The Bid Tabulation quantities have been adjusted to reflect the changes in list.

Add. 6.3 Modification: The pay item 'ASPHALT MILLING' with a quantity of 9,225 SY has been added to the CARVER ROAD FIRE STATION section of the Bid Tabulation. The pay item was removed from the revised Bid Tabulation dated 04/10/2023 in error.

Add. 6.4 Modification: As stated previously in Addendum #3, the selected contractor shall haul the Carver Road Fire Station millings to the same location designated in the RFP for the millings generated by roadway patching.
