## **Contractor Insurance Requirements**

**Contractor's Insurance Provisions:** During the life of the contract and for such additional time as may be required, the contractor will provide, pay for, and maintain in full force and effect the insurance outlined here for coverage at not less than the prescribed minimum limits of liability, covering the contractor's activities, those of any and all subcontractors, or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable.

**Certificate of Insurance:** Before starting work, the contractor will give the owner a certificate of insurance completed by a duly authorized representative of their insurer certifying that at least the minimum coverage required here are in effect and specifying that the liability coverage are written on an occurrence form and that the coverage will not be canceled, non-renewed, or materially changed by endorsement or through issuance of other policies of insurance without 60 days advance written notice to:

Jones County Board of Commissioners  
P. O. Box 1359  
Gray, Ga. 31032

Failure of the owner to demand such certificate or other evidence of full compliance with these insurance requirements or failure of the owner to identify a deficiency from evidence provided will not be construed as a waiver of the contractor's obligation to maintain such insurance.

The acceptance of delivery by the owner of any certificate of insurance evidencing the required coverage and limits does not constitute approval or agreement by the owner that the insurance requirements have been met or that the insurance policies shown in the certificates of insurance are in compliance with the requirements.

If the contractor fails to maintain the insurance as set forth here, the owner will have the right, but not the obligation, to purchase said insurance at the contractor's expense. Alternately, the contractor's failure to maintain the required insurance may result in termination of this contract at owner's option.

**Insurance Primary:** All coverage required of the contractor will be primary over any insurance or self-insurance program carried by the owner.

**No Reduction or Limit of Obligation:** By requiring insurance, the owner does not represent that coverage and limits will necessarily be adequate to protect the contractor. Insurance affected or procured by the contractor will not reduce or limit the contractor's contractual obligation to indemnify and defend the owner for claims or suits which result from or are connected with the performance of this contract.

**Duration of Coverage:** All required coverage will be maintained without interruption during the entire term of this contract and following final acceptance of the property by the owner.
