

ADDENDUM NO. 2

FEBRUARY 12, 2021

PROJECT: HVAC Project at Various Locations  
20-21-114

The clarifications, modifications, changes, additions, and/or deletions contained herein shall be incorporated within the construction documents for the project. Such information shall take precedence over that previously published.

**QUESTIONS AND CLARIFICATIONS:**

**Question:** The existing unit at Workman Elementary Classroom 25 is a 3 ton but the model number given for the replacement unit is a 3 ½. Do you want to upgrade the unit to a 3 ½ ton?

**Clarification:** The units are as specified in the bid specifications.

**Question:** The existing unit name plate at Covina High School Classroom N8 shows it is a 5 ton but the specified replacement unit is a 4 ton. Do you want a change the unit to a 4 ton?

**Clarification:** The units are as specified in the bid specifications.

**Question:** Please provide a detail for the hanging of the wall mount unit inside the classrooms.

**Clarification:** We do not have written detailed specifications but can share previous like unit install pictures. See four attached pictures.

**Question:** Would they accept ceiling mounted units to utilize the existing support in lieu of the wall mount unit?

**Clarification:** Follow the instructions for substitution of equipment.
