

## Bid Specifications

The scope of work shall consist of supplying a minimum of two (possibly more) of the specified vehicles to Daphne Utilities. Selection criteria will not be solely based on price. Daphne Utilities will consider a variety of factors such as mileage, options, vehicle reliability, availability, etc. to select vehicles that meet our needs. The following specifications are meant to be general guidelines for submissions. **If you have vehicles that meet most of the specifications, submit the vehicles for consideration.**

### Half Ton Pickup Truck

- V8 gas engine
- Year model between 2020 and 2023
- Mileage less than 25k miles
- Crew cab (4 full size doors)
- Automatic transmission
- Trailer tow package
- Trailer brake controller
- 2-wheel drive
- Back up camera
- Emergency light package (not for law enforcement)
- Vinyl interior
- Full vinyl/rubber floor cover
- Remaining factory warranty
- Color oxford white

The vendor must comply with standard record keeping and reporting requirements. Payment will be made by Daphne Utilities after the goods and services have been received, accepted, and properly invoiced with the purchase order number. Any defects in the work performed or product delivered must be corrected before invoices are eligible for payment.
