Contract and Bid Specification # 1412

ROBERTSON COUNTY SCHOOLS

MOWING SERVICES CONTRACT

_____ (Contractor) hereby agrees to provide the Robertson County Board of Education with mowing services as specified below for the period of April 1, 2019 through December 31, 2019

MOWING SERVICES FOR ROBERTSON SCHOOLS

PRE-BID: A Pre-Bid Conference will be held at the Robertson County Board of Education, 800 M.S. Couets Blvd, Springfield, TN on Wednesday, March 20, 2019 at 9:00 AM. Attendance is requested.

Please provide a price for mowing services at Robertson County Schools based on the following specifications:

1. INTENT

To enter into a contract for one (1) mowing season during the year of 2019, beginning April 1, 2019 and continuing through December 31, 2019 with an option to renew annually for up to three (3) years, but for no more than four (4) consecutive years, if both parties are agreeable to such extension and actual funding is appropriated.

Properties shall be bid as two quadrants. The County reserves the right to award contracts in a manner deemed in the best interest of the County. This bid is separate from Bid #1381. The two quadrants will be referred to as Northwest and Northeast.

Northwest Quadrant will include Jo Byrns Elementary, Jo Byrns High School, Coopertown Elementary, Coopertown Middle, and Crestview Elementary.

Northeast Quadrant will include East Robertson Elementary, East Robertson High School, White House Heritage Elementary School, White House Heritage High School, and Woodall Primary School.

2. SCOPE

2a. Contractor shall furnish all supervision, machinery, labor and materials required to mow, trim and remove clippings and limbs from contracted areas.

2b. Trim and mow areas around the school for a well groomed lawn. Mowing will be done no more than once every (10) ten days in the wet growing season and shall be spaced in the dry seasons so as not to mow these areas more than (19) nineteen times in a season. A tractor may mow large areas away from the schools with a tractor finish mower. These will be areas not visible to the public. These areas will not be in front of the school and are not near areas used by the public. These tractor finished mowed areas will be mowed no more than (10) ten times per season. Large Fields to be tractor finished mowed are at Coopertown Elementary School, East Robertson High School, *Jo Byrns Elementary School. *One field area at Coopertown Middle, one field area at Jo Byrns Elementary and one field behind White House Heritage High School will be bush-hogged twice a season.

Contract and Bid Specification # 1412

All areas inside the boundaries of the school properties will be mowed or maintained, with the exception of high school football playing and practice fields, high school baseball playing fields, high school softball playing fields, middle school football playing fields, middle school baseball and middle school softball playing fields.

Where there is fencing within the property boundaries, vegetation on both sides of the fence will be mowed and maintained.

Fencing surrounding the property will be cut with a string trimmer and will have a neat look.

Tree lines within the property will be maintained to the tree line.

- 2c. Each quadrant will require 75 yards of black mulch at the beginning of the mowing season. All authorized flower beds will be groomed and mulched at the beginning of each mowing season. All flower beds will be kept in a neat manner throughout the mowing season and all bare spots shall be recovered with existing mulch or gravel at each mowing. Approval from Supervisor of Building & Grounds is required for all gravel and additional mulch applications. Official school planting beds currently in place on the property when the bid is let will be maintained; the owner will discourage any additional planting beds and will remove all unattended private planting beds.
- 2d. Areas that cannot be reached by a trim mower or tractor mower can be cut using a string trimmer. This includes all ditches, flowerbeds, sidewalks, drives, curbs, parking areas, fence rows, tree, drainage ponds, light poles, guide wires and around buildings, etc. **Also all flower beds will be kept clean and shrubs trimmed on property with each cut. The use of herbicides for grass and weed control is forbidden unless approved in writing from the director of Buildings and Grounds Department for specifically designated areas.** The written approval for the use of herbicides will be for the season in which it is requested and will expire at the end of that season. A request for herbicide use will be obtained at the beginning of each mowing season.
- 2e. Blow or sweep grass clippings from all sidewalks, entrances, drives, etc.
- 2f. Cut and remove from the property all low hanging limbs around all wooded areas. Mow around the edge of wooded areas, cutting anything that can be cut with a tractor mower.
- 2g. Mow so that the mower blows all grass clippings away from all air conditioners, vehicles, trees and planters.
- 2h. Mowing will be done on a schedule that will keep the properties well groomed.
- 2i. All trimmings shall not exceed three (3) inches in height after trimming. All tractor mowing shall not exceed five (5) inches in height after mowing.
- 2j. During school hours, upon entering school property the contractor will check in at the Principal's office.

Contract and Bid Specification # 1412

- 2k. The contractor will be responsible for picking up small amounts of trash. If there is a large amount of trash the contractor will not mow that area until the trash can be removed. **At no time will trash be mowed. The clean up and removal of any trash mowed by the contractor will be done at the contractor's expense.**
- 2l. Robertson County Schools recommends mowing in alternating patterns. The finished look shall not have skips or wheel tracks showing.
- 2m. Fenced areas (holding ponds, sewer plant, electrical transformers, etc) will be maintained in the same manner as the surrounding grassed areas.

3. JOB PERFORMANCE

- 3a. Do not mow or trim while students are in the danger zone. Danger zones are any areas where anyone is in danger of injury from the mowing process.
- 3b. Report to the Department of Buildings and Grounds, 615-384-0213, anything that interferes with the fulfillment of the contract, such as: downed trees, downed wires, students in the mower danger zone, cars parked in areas to be mowed, etc. Pictures with location information may be sent to jimmy.finch@rcstn.net
- 3c. Help promote community pride in our schools by keeping the appearance of all school grounds well groomed.
- 3d. Contractor will mow on a schedule that will keep the properties well groomed. This schedule will depend on the growing season but will not exceed (19) nineteen mowing. One mowing will be timed to occur one to two days prior to graduation ceremonies at each of the high school campuses. Mowing scheduled may be altered to allow for a fresh mowing for other school events; this will be requested by the School System. A schedule of graduation can be picked up at the Department of Buildings and Grounds. After each property is mowed a text or e-mail will be sent to the supervisor of buildings and grounds. The e-mail and text number will be given to the winner of the bid.

The maximum number of billed mowing allowed per campus is (19) nineteen.

4. GENERAL

Robertson County Schools reserves the right to terminate contract for failure to perform the work outlined in contract and this document. The successful bidder will be the only mowing contractor allowed to work on Robertson County school property. Subcontracting these services is prohibited.

5. PAYMENT

Each invoice shall contain the following information: School name, dates mowed and the contracted amount per cut for each property mowed. Completed invoices shall be presented to the School Maintenance Supervisor at 3470 Hwy 41 South Springfield TN.

Contract and Bid Specification # 1412

6. SITE INSPECTION

Bidders shall visit the sites and familiarize themselves with any conditions that may affect performance and bid prices. Submission of a bid shall be proof the Bidder is aware of all conditions affecting performance and bid prices. Please contact Jimmy Finch, Supervisor of Buildings and Grounds, at (615) 384-0213 for any additional information.

7. RELATED SERVICES

The County reserves the right to negotiate with the contractor for the purchase of additional mowing services. The County will pay a per acre rate of \$35.00 (thirty-five dollars) for additional mowing and negotiate hourly rates for services such as trimming, tree and limb removal, etc.

8. CONTRACTOR RESPONSIBILITIES

The contractor is responsible for providing applicators that have been trained and certified by a properly designated State agency as competent to handle and apply the classes of chemical products required for this contract. If a contractor applies any chemicals requiring a state or federal license without that contractor having that license, the contract will be terminated. Any license to apply controlled chemicals will be assigned to the contractor holding the contract to mow county property.

During the contract period, the contractor will not store any chemicals on or at any County facility.

9. CHEMICAL PRODUCTS

No chemical shall be used in any activity required by this contract in any manner inconsistent with its labeling. All chemicals used in the control programs covered by this contract shall be properly labeled for the control of the target vegetation against which they are being used and label instructions shall be strictly adhered to.

10. SAFETY

The contractor shall be responsible for the safe use and application of the chemicals used under this contract. Protective clothing, equipment and devices shall, as a minimum, conform to OSHA standards for the products being used.

11. COMPLAINTS

Complaints must be handled within a (24) hour period after notification.

12. CHANGES

The contractor will provide services at required times as requested by the County. Requested times may be changed to suit the School's particular needs.

13. DAMAGE / INJURY

The contractor shall be responsible for any damage and/or injury occurring in the performance of the contract. The Bidder agrees to defend and hold Robertson County harmless for personal injury, bodily injury and property damage occurring during the performance of this contract.

14. EMPLOYEE STATUS

Any contractor found to be using workers who are in the U.S. illegally shall be in violation of this contract. That contractor's services will be terminated immediately.

Contract and Bid Specification # 1412

All individuals on school property will have the background checks required by the Robertson County School System and the State of Tennessee. These background checks will be the responsibility of the contractor. **No contractor or their employees shall enter onto school property without a duly authorized Letter of Compliance on file with the Board of Education.**

15. REFERENCES

Three (3) References are required from each bidder.

16. INSURANCE & LICENCES

Each bidder will have an active Robertson County Business License.

The Successful Bidder shall provide a Certificate of Insurance naming Robertson County as “Additionally Insured.”

Bidders shall be required to submit with the bid, a Certificate of Insurance showing they meet the minimum insurance requirements listed below:

The liability insurance coverage shall be considered as primary and not as excess insurance. The carrier(s) shall provide thirty-day written notice to the County by registered mail prior to any modification, cancellation, non-renewal or other change in coverage. Failure to name Robertson County to the carrier for notification of the listed changes described above will result in the termination of the contract.

Policies must be effective prior to the commencement of work and must remain in force until termination of work under this contract. In the event of interruption of coverage for any reason, all work under the contract shall cease and shall not resume until coverage has been restored.

If at any time during the term of this contract or any extension thereof, any required policies of insurance should expire, or are canceled, it will be the responsibility of the contractor to furnish the County a Certificate of Insurance indicating renewal or an acceptable replacement of the expiring policy prior to the expiration or cancellation date so that there will be no lapse in coverage.

The minimum coverage required is:

- A. Workers’ Compensation – **REQUIRED or Proof of Registration with the State of Tennessee Online Exemption Registry**
- B. General Liability in a comprehensive form with a minimum limit of \$1,000,000.00 C.S.L. and \$5,000,000.00 aggregate.
- C. Motor Vehicle Liability in a comprehensive form with a minimum limit of \$100,000.00 C.S.L. with excess covered under the General Liability Insurance policy.

17. FOLLOW UP INSPECTIONS

During the life of this contract, the premises covered shall be inspected periodically to determine the effectiveness of the programs in progress. Any areas not being addressed as stipulated by the contract shall be determined by a representative of the Robertson County Board of Education and the contractor shall promptly initiate actions to correct all deficiencies found.

Contract and Bid Specification # 1412

18. PROGRAM EVALUATION

Robertson County reserves the right to evaluate the effectiveness and safety of programs in progress in terms of effectiveness and safety and to require such changes as are indicated. The contractor shall take prompt action to correct identified program deficiencies.

19. INSPECTIONS BY ROBERTSON COUNTY

Robertson County reserves the right to conduct inspections of the program or equipment at unannounced times and intervals, for evaluation purposes.

20. DEFAULT

In the event of default, the County may award this contract in part or in full to the next lowest best bidder, if such bidder is willing to enter the contract, or may seek any other remedy, and may hold defaulting contractor liable for damages provided by law.

21. AVAILABILITY OF FUNDS

The County's extended obligation on those contracts, which envision extended funding through successful fiscal periods, shall be contingent upon actual appropriations for the following fiscal year.
