ADVERTISMENT FOR BIDS BID PROPOSAL #1248

PATCHING CONTRACT #PW2303 For Utility Street Maintenance and Repair

Sealed bids for a Patching Contract for Utility Street Maintenance and Repair annual project will be received at the office of City Recorder until 2:30 p.m., local time, Wednesday, June 28, 2023 and then publicly opened and read aloud. The envelopes containing the bids must be addressed to:

Office of the City Recorder 405 North Main Street Springfield, Tennessee 37172 615-382-2200

Bid proposal book shall not be taken apart and must be enclosed in a sealed envelope with all applicable forms completed. Each envelope shall bear on the outside the following: Bid number, bidder's name, address, license number and expiration date, that part of classification applying to the proposal, the date and time of the proposal opening and the project name and/or contract number. Failure to show these items on the outside of the envelope will result in the proposal being returned to the bidder unopened. Faxed proposals are not accepted.

A cashier's check or Bid Bond in an amount of no less than five percent (5%) of the bid submitted must accompany each proposal. A Performance and Payment Bond in an amount of one hundred percent (100%) of the contract will be required for the successful Contractor.

All bidders must be a licensed contractor as required by the State of Tennessee Contractor's Licensing Act of 1976.

Addenda to proposal will be acknowledged by all bidders. Failure to acknowledge receipt of an Addendum letter(s) is grounds for rejection. It shall be the bidder's responsibility to confirm that the Proposal contains all the documents indicated on the Table of Contents. Should any omissions occur, the appropriate documents may be obtained from the Public Works Department.

The City of Springfield reserves the right to waive any informalities or reject any or all bids.

Bid documents may be downloaded from www.springfieldtn.gov.

Scope of Work

Excavating of crushed stone backfill and patching with hot mix asphalt on all gas and water main and service cuts as follows:

- a) Excavate 4" backfill materials and compact
- b) Repair 2.5" hot mix asphalt binder (TDOT "B-M" or "B")
 - Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
 - 1.5" hot mix asphalt surface (TDOT "E")
 - Repair width 12" wider on each side of trench maximum of 4'0"

Special crossings of roadway as directed by Public Works Department as follows:

- a) Excavate 8" backfill materials and compact
- b) Repair 2 lifts of 3.25" each hot mix asphalt binder
 - Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
 - 1.5" hot mix asphalt surface (TDOT "E")
 - Repair width 12" wider on each side of trench

Excavation and removal of stone backfill and patching with hot mix asphalt on certain utility street cuts as follows:

- a) Excavate 6" backfill materials and compact
- b) Repair 4. 5" hot mix asphalt binder in 2 lifts (TDOT "B-M")
 - Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
 - 1.5" hot mix asphalt surface, TDOT "E")
 - repair width 12" wider on each side of trench

Sidewalk and miscellaneous asphalt repairs as directed by Construction Inspector:

- a) Excavate and backfill with 4" crushed limestone and compact
- b) Repair 2.5" hot mix asphalt (TDOT "B-M")
 - Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
 - 1.5" hot mix asphalt (TDOT "E")

Includes any other work necessary for completion of this project.

Title VI of the Civil Right Act of 1964

It is the policy of the City of Springfield to ensure equal employment opportunity without discrimination or harassment on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, disability, marital status, citizenship, national origin, genetic information, or any other characteristic protected by law. The City complies with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d). Title VI requires that no person shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. With regard to all aspects of this contract, contractor certifies and warrants it will comply with this policy.

Further, the City of Springfield agrees to comply with the Department of Transportation Implementing Regulations (49 CFR Part 21).

Any person who believes they have been discriminated against should contact Candice Tillman, Title VI Coordinator, at Springfield City Hall.

The Tennessee Department of Transportation (TDOT) requires that recipients of federal and state funding maintain records of the ethnic and gender groups who are awarded bids on these projects.

For Title VI compliance purposes, we ask for <u>voluntary disclosure</u> of the following information:

Gender:	Male	Female
Race:	Caucasian	
	African American	
	Hispanic	
	Other (please specif	fv)

Disadvantaged Business Enterprise Policy

It is the policy of the City of Springfield that Disadvantaged Business Enterprises (DBE's), to affirmatively ensure that any contract entered into pursuant to this contract, DBE's will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the basis of age, race, color, religion, national origin, sex, or disability in consideration for an award.

All contractors providing professional services for the City of Springfield shall take all necessary and reasonable steps in accordance with 49 CFR, Part 26, to ensure that DBEs have the maximum opportunity to compete for and perform subcontracts. The contractor shall not discriminate on the basis of age, race, color, religion, national origin, sex, or disability in the award of subcontracts.

Drug Free Workplace Policy and Affidavit

The City of Springfield is a Drug Free Workplace and requires all contractors with "no less than five (5) employees receiving pay who contract with the City to provide "services", to prepare and include with their bid documents an Affidavit certifying compliance with the Drug Free Workplace Program as stipulated in Tennessee Code Annotated (TCA) 50-9-101 through 50-9-113. The statute forbids any local government from entering into any contract or awarding any contract for services with any employer who has not provided the affidavit of compliance.

IRAN DIVESTMENT NOTICE

Tennessee Code Annotated § 12-12-106 requires the chief procurement officer to publish, using credible information freely available to the public, a list of persons it determines engage in investment activities in Iran, as described in § 12-12-105.

For these purposes, the State intends to use the attached list of "Entities determined to be non-responsive bidders/offerers pursuant to the New York State Iran Divestment Act of 2012."

While inclusion on this list would make a person ineligible to contract with the state of Tennessee, if a person ceases its engagement in investment activities in Iran, it may be removed from the list.

If you feel as though you have been erroneously included on this list please contact the Central Procurement Office at CPO.Website@tn.gov.

List Date: May 4, 2022

SPECIAL PROVISION

REGARDING

EMPLOYING AND CONTRACTING WITH ILLEGAL IMMIGRANTS

The requirements of Public Acts of 2006, Chapter Number 878, of the State of Tennessee, addressing the use of illegal immigrants in the performance of any contract to supply goods or services to the City of Springfield, shall be a material provision of this contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this **CONTRACT**.

- 1. The **CONTRACTOR** hereby attests, certifies, warrants, and assures that the **CONTRACTOR** shall not knowingly utilize the services of an illegal immigrant in the performance of this contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this contract. The **CONTRACTOR** shall reaffirm this attestation, in writing, by submitting to the City a completed and signed copy of the "Attestation Form" provided by the City semi-annually during the period of this contract. Such attestations shall be maintained by the **CONTRACTOR** and made available to the City upon request.
- 2. Prior to the use of any subcontractor in the performance of this **CONTRACT**, and semi-annually thereafter, during the period of this **CONTRACT**, the **CONTRACTOR** shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this **CONTRACT** and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this **CONTRACT**. Attestations obtained from such subcontractors shall be maintained by the **CONTRACTOR** and made available to the City upon request.
- 3. The **CONTRACTOR** shall maintain records for all personnel used in the performance of this **CONTRACT**. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the City.
- 4. The **CONTRACTOR** understands and agrees that failure to comply with this section will be subject to the sanctions of Public Chapter 878 of 2006 for acts or omissions occurring after

its effective date. This law requires the City of Springfield to prohibit a **CONTRACTOR** from contracting with, or submitting an offer, proposal, or bid to contract with the City to supply goods or services for a period of one year after a **CONTRACTOR** is discovered to have knowingly used the services of illegal immigrants during the performance of this **CONTRACT**.

5. For purposes of this **CONTRACT**, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the Department of Homeland Security and who, under Federal immigration laws and/or regulations, is authorized to be employed in the U.S. or is otherwise authorized to provide services under the **CONTRACT**.

ATTESTATION REGARDING PERSONNEL USED IN CONTRACT PERFORMANCE

Contract Number:	
Contractor Legal Entity Name:	
Federal Employer Identification or	
Social Security Number:	
CONTRACTOR shall not knowingly utili	does hereby attest, certify, warrant, and assure that the ze the services of an illegal immigrant in the performance gly utilize the services of any subcontractor who will utilize the performance of this CONTRACT .
Signature of Owner or Corporate Office	er Date

NOTICE: This attestation MUST be signed by an individual empowered to contractually bind the **CONTRACTOR**. If said individual is not the chief executive or president, this document shall attach evidence showing the individual's authority to contractually bind the **CONTRACTOR**.

SPECIAL PROVISION

Notice to Proceed

Contractor hereby agrees to commence work under this contract on or before a date to be specified in written "Notice to Proceed" of the Owner and to fully complete the project by **June 30, 2024**, thereafter as stipulated in the specifications. Contractor further agrees to pay as liquidated damages the sum \$300.00 for each Calendar Day thereafter as hereinafter provided.

Calendar Days of the date of the "Notice of Call Out" from the City of Springfield and to fully complete the portion stipulated in the "Call-Out" within 20 Calendar Days. Contractor further agrees to pay as liquidated damages the sum \$300.00 for each Calendar Day thereafter for either of the above, as hereinafter provided. If liquidated damages are assessed for this "Notice of Call-Out", they shall be cumulative to any other liquidated damages assessed for the completion of the entire project.

The contractor will be allowed to use daytime one lane closures, provided all signs, temporary traffic control devices and flagmen per MUTCD are posted on each end of the one lane closure and approved by the Public Works Director.

BID FOR UNIT PRICE CONTRACT

Proposal of	_(hereinafter called "BIDDER")
a corporation, organized and existing under the laws of the State	of,
partnership, or an individual doing business as	to the CITY OF
SPRINGFIELD, TENNESSEE (hereinafter called " OWNER ").	

The **BIDDER**, in compliance with invitation for bid for the excavation and removal of gas, water or waste water trench and/or installation of hot mix asphalt per specifications for all gas, water or waste/water main cuts; certain special repairs in crossing of roads; excavation and removal of backfill for utility street cuts, depressions, etc. patching per specifications with hot mix asphalt materials on certain utility street cuts, sawing of asphalt pavement, sealing of cracks with approved materials, as may be required by Public Works Director and any other work necessary for completion of this project and;

having examined the plans and specifications with the related documents and the site of the proposed work, and being familiar with all the conditions surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials and supplies, and to construct the project in accordance with the CONTRACT documents, within the time set forth therein, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the CONTRACT documents, of which this proposal is a part.

BIDDER hereby agrees to commence work under this CONTRACT on or before a date to be specified in written "Notice to Proceed" of the **OWNER** and to fully complete the project by <u>June</u> <u>30, 2024</u>, thereafter as stipulated in the specifications. BIDDER further agrees to pay as liquidated damages the sum <u>\$300.00</u> for each calendar day thereafter as hereinafter provided.

<u>Days</u> of the date of the "Notice of Call Out" from the **OWNER** and to fully complete the portion stipulated in the <u>"Call-Out" within 20 Calendar Days.</u> BIDDER further agrees to pay as liquidated damages the sum \$300.00 for each calendar day thereafter as hereinafter provided. If liquidated damages are assessed for this "Notice of Call-Out", they shall be cumulative to any other liquidated damages assessed for the completion of the entire project.

BIDDER understands that the **OWNER** reserves the right to reject any or all bids and to waiver any informalities in the bidding.

NOTES

Gradation, aggregate, construction, etc. shall be as specified by the latest Special Provision of the Tennessee Department of Transportation, Virgin Materials Only.

Item # 101.

<u>Asphalt Pavement Repair</u>: (gas/water main) includes the excavation and removal of 4 inches of crushed limestone base, compacting remaining base, patching with the following:

- 2.5" Hot Mix Asphalt, Grade "B-M" or "B" (compacted)
- Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
- 1.5" Hot Mix Asphalt, Grade "E" (compacted)
- Repair width 12" wider on each side of trench, maximum of 48"

so that final surface is flush with existing asphalt pavement.

Driveway entrances and shoulders shall be repaired as work progresses along roadway. Stone shoulder machine application of asphalt mix will not be allowed unless it has a screen or can be proven it will provide a smooth asphalt layer.

CONTRACTOR will be responsible for protecting the valve boxes in the patched area and adjustment of such if needed. No area is to be patched unless it has been cleanly sawed, edges straight and approved by the Public Works Director. All sawing will be the responsibility of the gas/water main installation **CONTRACTOR** (unless directed otherwise by the Director, in which case the **CONTRACTOR** shall saw and be paid per item #106).

The price for each repair shall include the cost to tack coat the binder mix and the edge walls of the patch prior to placing the hot mix in the excavated area, so as to aid in adherence of the new hot mix asphalt to the walls of the existing asphalt pavement.

Item #102.

<u>Special Asphalt Pavement Repair</u>: (gas/water main, special crossing of roadway) as directed by Public Works Department, includes the excavation and removal of 8 inches of crushed limestone base, compacting remaining base, patching with the following:

- Repair 2 lifts of 3.25" each hot mix asphalt binder
- Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
- 1.5" hot mix asphalt surface (TDOT "E")
- Repair width 12" wider on each side of trench 4'0" minimum patch width

to be used as directed by the Public Works Department and so that final surface is flush with existing asphalt pavement.

Stone shoulder machine application of asphalt mix will not be allowed unless it has a screen or can be proven it will provide a smooth asphalt layer.

CONTRACTOR will be responsible for protecting the valve boxes in the patched area and adjustment of such if needed. No area is to be patched unless it has been cleanly sawed, edges straight and approved by the Public Works Director. All sawing will be the responsibility of the gas/water main installation **CONTRACTOR** (unless directed otherwise by the Public Works Director, in which case the **CONTRACTOR** shall saw and be paid per item #106).

The price for each repair shall include the cost to tack coat the binder mix and the edge walls of the patch prior to placing the hot mix in the excavated area, so as to aid in adherence of the new hot mix asphalt to the walls of the existing asphalt pavement.

Item #103.

<u>Utility Asphalt Pavement Repair</u>: Special cuts includes the excavation and removal of a minimum of 6 inches of existing materials, compacting remaining base, patching with the following:

- 4.5" Hot Mix Asphalt Binder in two lifts, Grade "B-M" (compacted)
- Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
- 1.5" Hot Mix Asphalt, Grade "E" (compacted)
- Repair width 12" wider on each side of trench or a minimum of 4'0"

so that final surface is flush with existing asphalt pavement. Public Works Department shall cut the existing asphalt before removal by the **CONTRACTOR** (unless directed otherwise by the Public Works Director, in which case the **CONTRACTOR** shall saw and be paid per item #106).

The price for each repair shall include the cost to tack coat the binder mix and the edge walls of the patch prior to placing the hot mix in the excavated area, so as to aid in adherence of the new hot mix asphalt to the walls of the existing asphalt pavement.

Item #107.

<u>Sidewalk or Miscellaneous Repair</u>: Next to concrete sidewalks or curb, includes the excavation and removal of a minimum of 4 inches of existing materials, compacting remaining base, patching with the following:

- One lift of 2.5" Hot Mix Asphalt, Grade "B-M" (compacted)
- Spray tack materials on asphalt "B-M" and brush sides of existing asphalt pavement with tack before applying final layer of "E" mix
- 1.5" Hot Mix Asphalt, Grade "E" (compacted)

so that final surface is flush with existing asphalt pavement. Public Works Department shall cut the existing asphalt before removal by the **CONTRACTOR** (unless directed otherwise by the Public Works Director, in which case the **CONTRACTOR** shall saw and be paid per item #106).

The price for each repair shall include the cost to tack coat the binder mix and the edge walls of the patch prior to placing the hot mix in the excavated area, so as to aid in adherence of the new hot mix asphalt to the walls of the existing asphalt pavement.

Item #108.

<u>Flowable Fill</u>: Includes removing the steel plate or cold mix covering utility cut, excavate and dispose of any materials remaining to approximately 6 inches above the utility. Flowable fill is to be placed in excavated area and steel plate replaced. Flowable Fill design is to be submitted to the Public Works Department for approval before installation. Asphalt cannot be placed on Flowable Fill for a minimum of 5 to 7 days after installation and/or approval by the Public Works Director. This time period is dependent on the temperature.

Item #109.

<u>Asphalt Cold Plane & Repair</u> includes the sawing, cold planning (min. 2.0 inches depth), removal and disposal of materials, installation of 2.0 inches of Hot Mix Asphalt ("E" Mix) as follows:

- Spray tack materials on excavated area and brush sides of existing asphalt pavement with tack before applying layer of "E" mix
- 2.0" Hot Mix Asphalt, Grade "E" (compacted) a minimum of 4'0" width so that final surface is flush with existing asphalt pavement (unless directed otherwise by the Public Works Director, in which case the **CONTRACTOR** shall saw and be paid per item #106).

The price for each repair shall include the cost to tack coat the binder mix and the edge walls of the patch prior to placing the hot mix in the excavated area, so as to aid in adherence of the new hot mix asphalt to the walls of the existing asphalt pavement.

The **CONTRACTOR** will be guaranteed a minimum of one thousand (\$1,000) dollars of repair work before being "called-out", however this amount of work will be located at different sites in Springfield. This work as required by the Public Works Department to repair utility cuts in certain streets.

The CONTRACTOR hereby declare	s that s/he h	olds Contract	or's License	No	as
issued by the State Authority in wl	hich this work	is to be done	and that thi	s license is	in effect
until,	20,	and will maint	tain his/her	license in f	orce and
effect during the life of the CON	TRACT, includ	ling and the g	guarantee pe	eriod to th	e City of
Springfield within ten (10) days	the formal	construction	CONTRACT	attached	and the
Performance and Payment Bonds.					
The bid security attached in the sur	n of:				
		(\$)

is to become the property of the **OWNER** in the event the CONTRACT and bonds are not executed within the time above set forth, as liquidated damages for the delay and additional expense to the **OWNER** caused thereby.

The City of Springfield reserves the right to extend this CONTRACT for an additional twelve (12) months, after June 30, 2024 completion date, with the mutual consent of both parties.

SPECIFICATIONS

- 1. Contractor will be responsible for the excavation and removal and disposal of the excess materials at a location approved by the City of Springfield for disposal.
- 2. Contractor will be responsible for removal and disposal of any foreign material and sweeping of the existing pavement, immediately before resurfacing.
- 3. Immediately before resurfacing of a street, an application of Bituminous material (tack coat) shall be applied to clean and dry surface. All cost for materials, equipment and labor for the application of the tack coat shall be included in the cost of other items of construction.
 - a. Application Rate: 0.03 gal per square yard
 - b. Application Rate for cold planed surfaces: 0.1 gal per square yard or as directed by the Public Works Director.
 - c. Material: SS-1, CSS-1, or CSS-1H
 - d. All application equipment shall meet minimum Tennessee Department of Transportation standards.
- 4. Hot Mix Asphalt shall consist of virgin materials only.
- 5. Contractor must submit a Mix Design and receipt of written approval of the proposed mix(s) by the Public Works Director.

AC-20 content of Mix:	"B-M"	4.5%	minimum
	"C-S"	6.0%	minimum
	"C-W"	5.5%	minimum
	"E or D"	6.0%	minimum

- 6. Contractor will be responsible for all Traffic Control per the MUTCD and approval of the Public Works Director. No payment will be made for traffic control devices, labor, etc. required by the manual, but all cost for such shall be included in the bid price for other items of construction. A minimum of two flagmen will be required when working in traffic.
- 7. Unless otherwise specified above, all construction, equipment, and materials shall be as specified by the Tennessee Department of Transportation, Standard Specifications for Road and Bridge Construction, latest edition.

- 8. Prior to commencement of work, the successful Contractor shall be required to provide the City of Springfield the following:
 - a. Certificate of Insurance
 - b. Submit a Mix Design of the proposed mix(es), for the review and approval of the Public Works Director.
 - c. All documents shall be executed and returned to the City of Springfield.
 - d. Attend a pre-construction meeting at the Public Works Department.
- 9. Any construction in the judgment of the Public Works Director, which does not meet the minimum standards (i.e.density, segregation, etc) of the Tennessee Department of Transportation may be rejected, and/or removed and replaced, and/or additional testing may be required.
- 10. Quantities are for bid purposes only and may be increased, decreased or deleted without any additional compensation to the Contractor.
- 11. Contractor shall be responsible to determine the exact location of utilities and underground structures and for any damages that may incur to said utilities.
- 12. Contractor will be responsible to provide a site foreman to review all patches, cuts, etc., before any work begins and coordinate all work with the Public Works Inspector.
- 13. All invoices shall be submitted by the site foreman on a spread sheet indicating location, size, date repaired, bid item used to repair, what city department or utility, etc. This must be submitted to the Public Works Department Inspector for approval before the contractor can submit a monthly invoice.
- 14. All steel plates removed from asphalt repaired areas are to be collected by the contractor and delivered to the Public Works Department within 48 hours after completion of the repairs. Steel plates must be moved from the roadway immediately after asphalt repair.

Be it known that, as
PRINCIPAL and
as SURETY (ies) all authorized to do business in the State of Tennessee, hereby bind themselves to the City of Springfield, Tennessee, and other potential claimants, for all obligations incurred
by the PRINCIPAL under its contract with the City of Springfield, Tennessee, for the construction
of the above identified contract; in the full contract amount of
(\$).
The obligations of the PRINCIPAL and SURETY (ies) under these payment and performance bonds shall continue in full force and effect until all materials, equipment and labor have been provided AND all requirements contained in the contract, plans and specifications have been completed in a timely, thorough and workmanlike manner. The parties agree that these bonds are statutory in nature and are governed by the provisions contained in Title 12, chapter 4 and Title 54, chapter 5 of the Tennessee Code Annotated relating to bonds required of contractors and that those provisions constitute a part of this bond.
By this instrument, the PRINCIPAL and SURETY (ies) specifically bind themselves, their heirs, successors, and assigns <i>in solido</i> , under the following bonds:
<u>Payment Bond</u> . To the City of Springfield, Tennessee and all "Claimants," as contemplated by
T.C.A. Title 54, chapter 5, in the full contract amount of
(\$), in order to secure the payment in full of all timely claims under the project.
<u>Performance Bond</u> . To the City of Springfield, Tennessee in the full contract amount of

(\$	ling to its plans and specifications,			
Upon receipt of notice that the PRINCIPAL is in default under the contract, the SURETY (ies) shall undertake to complete performance, without regard to cost. If the SURETY (ies) fails or refuse to complete performance of the contract, the City may then proceed with the work in any lawful manner that it may elect until it is finally completed. When the work is thus finally completed, the total cost of the same will be computed. All costs and charges incurred by the City in completing the Work will be deducted from any monies due or which may become due to the PRINCIPAL . If the total costs of completion exceed the sum which would have been payable under the Contract, then the PRINCIPAL and the SURETY (ies), <i>in solido</i> , shall be liable for and shall pay to the City the amount of such excess.				
In witness whereof we have signed this inst	trument as dated.

Conditions of the CO		-	-		=		-	
all the materials, sup	plies, machine	ry, equipm	ent, tools,	, superin	tendenc	e, labo	or, insurar	ice and

other accessories and services necessary to complete the said project in accordance with the conditions and the unit prices stated in the Proposal, the General Conditions, Supplemental General Conditions, Special Conditions of the **CONTRACT**, the plans, which include all maps, plats, blue prints, and other drawings and printed or written explanatory matter thereof, the specifications and **CONTRACT** documents therefore as prepared by, Clayton Moore, PE, Director of Public Works and, being therein entitled the Public Works Director and as encumbered in the General Conditions, all of which are made a part hereof and collectively evidence and constitute the **CONTRACT**.

The **CONTRACTOR** hereby agrees to commence work under this **CONTRACT** on or before the date indicated on the written "Notice to Proceed" of the **OWNER** and to fully complete the project by **June 30, 2024**. The **CONTRACTOR** further agrees to pay, as liquidated damages, the sum of \$200.00 for each calendar day thereafter as hereinafter provided in the specifications.

CONTRACTOR further hereby agrees to commence work under this **CONTRACT** on or before 10 calendar days of the date of the "Notice of Call Out" from the **OWNER** and to fully complete the portion stipulated in the "Call-Out" within 20 calendar days. **CONTRACTOR** further agrees to pay as liquidated damages the sum \$300.00 for each calendar day thereafter as hereinafter provided.

The OWNER reserves the right to extend this CONTRACT for an additional twelve (12) months after the June 30, 2024 completion date, with the mutual consent of both parties.

The **OWNER** agrees to pay the **CONTRACTOR** in current funds for the performance of the **CONTRACT**, subject to additions and deductions, as follows: on or about the first of the month, the **CONTRACTOR** shall prepare and submit to the Public Works Director for approval a duly certified estimate of the work performed and a copy of all test results and quality assurance records during the preceding calendar month. Upon approval of the estimate, and not later than the thirty (30) days after submittal by the **CONTRACTOR**, the **OWNER** shall pay to the **CONTRACTOR** the value of the estimate.

The **OWNER** within shall make final payment to the **CONTRACTOR** forty-five (45) days after:

- a. The completion of the project;
- b. The approval by the Public Works Director of all work performed under the **CONTRACT**;
- c. The acceptance of the work by the **OWNER**;
- d. An affidavit by the **CONTRACTOR** to the effect that payment has been made for all labor, materials and subcontractors for the construction of the project;
- e. Submitting of all test results to the Public Works Director for approval;
- f. The preparation by the **CONTRACTOR** and approval by the Public Works Director of a final estimate of the cost of the completed work.

The **CONTRACTOR** shall protect, indemnify and save harmless the **OWNER** from any and all damage, loss, claims, judgments or expenses, including but not limited to reasonable attorney's fees, which the **OWNER** may suffer or be subjected to by the **CONTRACTOR**'s performance of the Work, including but not without limitation to injury or death of any person whomever and destruction or damage to any property whatever.

This **CONTRACT** shall be binding upon all parties hereto and their respective heirs, executors, administrators, successors, and assigns.

Final payment to the **CONTRACTOR** shall equal the approved final estimate of cost, less the aggregate of all previous payments to the **CONTRACTOR** and less all liquidated damages assessed in accordance with the terms of this **CONTRACT**.

IN WITNESS WHEREOF, the parties to these presents have executed this **CONTRACT** in three (3) counterparts, each of which shall be deemed an original, in the year and day first above mentioned.
