Great Minds math and English Language Arts curriculums are state approved curriculums for grades Kindergarten through fifth grade. Both of these curriculums have been adopted by Anderson County Schools and have been in use for the last few years. Purchasing these curriculums will allow teachers to continue using known curriculums and prevent them for learning new or creating their own curriculum as school is beginning.

NOTE: We use the Google test to search for comparable products or services. If found, it is **NOT** considered a sole source product or service.
