SECTION A

PART I. RFQ PROCESS; AWARD OF AGREEMENT

1.1 Purpose; Scope of Work. The City of Avondale (the “City”) is issuing this Request For Qualifications (this “RFQ”) seeking statements of qualifications (“SOQ”) from qualified, licensed firms (“Vendors”) interested in providing professional services for the design, construction administration and operational support of sewer repair projects at two locations in the City (the “Services”), as more particularly described in the Scope of Work attached to the sample Professional Services Agreement as Exhibit B. In accordance with the City’s Procurement Code, the City will accept sealed SOQ for the Services specified in the Scope of Work in the sample Professional Services Agreement.

1.2 Preparation/Submission of SOQ. Vendors are invited to participate in the competitive selection process for the Services outlined in this RFQ. Responding parties shall review their SOQ submissions to ensure the following requirements are met.

A. Irregular or Non-responsive SOQ. The City may consider as “irregular” or “non-responsive” and reject any SOQ not prepared and submitted in accordance with this RFQ, or any SOQ lacking sufficient information to enable the City to make a reasonable determination of compliance to the minimum qualifications. Unauthorized conditions, limitations, or provisions may be cause for rejection. An SOQ may be deemed non-responsive at any time during the evaluation process if, in the sole opinion of the City, any of the following are true:

- (1) Vendor does not meet the minimum required skill, experience or requirements to perform or provide the Service.
- (2) Vendor has a past record of failing to fully perform or fulfill contractual obligations.
- (3) Vendor cannot demonstrate financial stability.
- (4) Vendor’s SOQ contains false, inaccurate or misleading statements that, in the opinion of the City Manager or authorized designee, are intended to mislead the City in its evaluation of the SOQ.

B. Submittal Quantities. Interested Vendors must submit **one hardcopy original** and **one PDF copy** of the SOQ on a CD-ROM or similar electronic storage device. The PDF file must be in one file. Failure to adhere to the submittal quantity criteria shall result in the Proposal being determined non-responsive.

C. Required Submittal. The SOQ shall be a maximum of **12** pages to address the SOQ criteria (excluding cover letter, resumes and the Vendor Information Form, but including the materials necessary to address Project understanding, general information, organizational chart, photos, tables, graphs, and diagrams). Each page side (maximum 8 1/2” x 11”) with criteria information shall be counted. However, one page may be substituted with an 11” x 17” sheet of paper, folded to 8 1/2” x 11”, showing a proposed Project schedule or organizational chart and only having information on one side. Cover, back, table of contents and tabs may be used and shall not

SECTION A

be included in the page count, unless they include additional project-specific information or SOQ criteria responses. Vendors are encouraged to utilize recyclable materials and endeavor to be considerate of the environment in preparation of the SOQ. The minimum allowable font for the SOQ is **11 pt, Arial or Times New Roman**. Failure to adhere to the page limit, size and font criteria and shall result in the SOQ being determined non-responsive. Each SOQ shall be submitted with the documents necessary to meet all of the requirements of this solicitation, including the information required in Part II and the following:

- (1) Cover letter with an **original ink signature** by a person authorized to bind the Vendor. Proposals submitted without a cover letter with an **original ink signature** by a person authorized to bind the Vendor may be determined non-responsive.
- (2) Vendor Information Form, with **original ink signature**.
- (3) References.
- (4) Project Schedule, if required.
- (5) Resumes, Licenses and Certifications (if required).
- (6) Acknowledgment page, with an **original ink signature**, for any Addendum received.

D. Vendor Responsibilities. All Vendors shall (1) examine the entire RFQ, (2) seek clarification of any item or requirement that may not be clear, (3) check all responses for accuracy before submitting an SOQ and (4) submit the entire SOQ by the official SOQ Due Date and Time. A late SOQ will not be accepted. A Vendor submitting a late SOQ shall be so notified. Negligence in preparing an SOQ shall not be good cause for withdrawal after the SOQ Due Date and Time.

E. Sealed Submittals. All SOQ shall be sealed and clearly marked with the SOQ number and title, **(PW 19-014) Sewer Repair Design and Construction Administration Services**, on the lower left hand corner of the mailing envelope. A return address must also appear on the outside of the sealed SOQ. The City is not responsible for the pre-opening of, post-opening of, or the failure to open, any SOQ not properly addressed or identified.

F. Address. All SOQ shall be directed to the following address: City Clerk, 11465 West Civic Center Drive, Suite 200, Avondale, Arizona 85323. Proposals must be received in the City Clerk's office by the SOQ Due Date and Time indicated on the cover page of this RFQ. Telegraphic (facsimile), electronic (e-mail) or mailgram SOQ will not be considered.

G. Amendment/Withdrawal of SOQ. At any time prior to the specified SOQ Due Date and Time, a Vendor (or designated representative) may amend or withdraw its SOQ. Any erasures, interlineations, or other modifications in the SOQ shall be initialed in **original ink** by the authorized person signing the SOQ. Facsimile, electronic (e-mail) or mailgram SOQ

SECTION A

amendments or withdrawals will not be considered. No SOQ shall be altered, amended or withdrawn after the specified SOQ Due Date and Time.

1.3 Cost of SOQ Preparation. The City does not reimburse the cost of developing, presenting or providing any response to this solicitation. An SOQ submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner. The Vendor is responsible for all costs incurred in responding to this RFQ. All materials and documents submitted in response to this RFQ become the property of the City and will not be returned.

1.4 Inquiries.

A. Written/Verbal Inquiries. Any question related to the RFQ shall be directed to the RFQ Administrator whose name appears on the cover page of this RFQ. Questions shall be submitted in writing, via e-mail or hard copy, by the close of business on the Final Date for Inquiries indicated on the cover page of this RFQ. Any inquiries related to this RFQ shall refer to the title and number, page and paragraph. However, the Respondent should not place the RFQ number and title on the outside of any envelope containing questions, because such an envelope may be identified as a Submittal and may not be opened until after the RFQ Deadline. Any Vendor found to be communicating with any member of City staff about this solicitation shall be prohibited from submitting a SOQ, or if a SOQ is received, such SOQ shall be deemed non-responsive.

B. Inquiries Answered. All inquiries must be directed to the RFQ Administrator. Verbal or telephone inquiries **will not be answered** and Vendors attempting to do so will be directed to submit written inquiries. The RFQ Administrator shall provide a compilation of all questions received in writing with official answers that will be made available on the City's website at <https://www.avondaleaz.gov/procurement>. The RFQ Administrator shall endeavor to post the compilation not later than five days after the inquiry deadline.

C. Pre-Submittal Conference. A Pre-Submittal Conference may be held. If scheduled, the date and time of this conference will be indicated on the cover page of this RFQ. If the Pre-Submittal Conference is designated as mandatory, failure to attend shall render that Vendor's SOQ non-responsive. Vendors are strongly encouraged to attend the Pre-Submittal Conference, even if designated as non-mandatory. The purpose of this conference will be to clarify the contents of this RFQ in order to prevent any misunderstanding of the City's requirements. Any doubt as to the requirements of this RFQ or any apparent omission or discrepancy should be presented to the City at this conference. The City may issue a written amendment or addendum to this RFQ. Oral statements or instructions are provided for informational purposes only and do not become a part of this RFQ. Any change to the RFQ shall be made in the form of an addendum.

1.5 Addenda. Any addendum issued as a result of any change in this RFQ shall become part of the RFQ and must be acknowledged in the SOQ submittal. Failure to indicate receipt of the addendum may result in the SOQ being rejected as non-responsive. It shall be the

SECTION A

Vendor's responsibility to check for addenda issued to this RFQ. Any addendum issued by the City with respect to this RFQ will be available at:

City of Avondale City Hall
11465 West Civic Center Drive, Avondale, Arizona 85323

1.6 Public Record. All SOQ shall become the property of the City and shall become a matter of public record available for review, subsequent to the award notification, in accordance with the City's Procurement Code.

1.7 Confidential Information. If a Vendor believes that an SOQ or protest contains information that should be withheld from the public record, a statement advising the RFQ Administrator of this fact shall accompany the submission and the information shall be clearly identified. The information identified by the Vendor as confidential shall not be disclosed until the City Manager, or authorized designee, makes a written determination. The City Manager, or authorized designee shall review the statement and information with the City Attorney and shall determine in writing whether the information shall be withheld. If the City Attorney determines that it is proper to disclose the information, the RFQ Administrator shall inform the Vendor in writing of such determination.

1.8 Vendor Licensing and Registration. Prior to the award of the Agreement, the successful Vendor shall (A) be registered with the Arizona Corporation Commission and authorized to do business in Arizona and (B) have a completed Vendor Registration Packet on file with the City Finance and Budget Department. The Vendor shall provide licensure information with the SOQ. Corporations and limited liability companies shall be able to provide a Certificate of Good Standing from the Arizona Corporation Commission.

1.9 Certification. By submitting an SOQ, the Vendor certifies:

A. No Collusion. The submission of the SOQ did not involve collusion or other anti-competitive practices.

B. No Discrimination. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246.

C. No Gratuity. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip favor or service to a City employee, officer or agent in connection with the submitted SOQ. It (including the Vendor's employees, representatives, agents, lobbyists, attorneys, and subcontractors) has refrained, under penalty of disqualification, from direct or indirect contact for the purpose of influencing the selection or creating bias in the selection process with any person who may play a part in the selection process, including the Selection Committee, elected officials, the City Manager, Assistant City Managers, Department Heads, and other City staff, unless such person is designated as a City Representative. All inquiries must be addressed to the City's RFQ

SECTION A

Administrator. Any attempt to influence the selection process by any means shall void the submitted SOQ and any resulting Agreement.

D. Financial Stability. It is financially stable, solvent and has adequate cash reserves to meet all financial obligations including any potential costs resulting from an award of the Agreement.

E. No Signature/False or Misleading Statement. The signature on the cover letter of the SOQ and the Vendor Information Form is genuine, and the person signing has the authority to bind the Vendor. Failure to sign the cover letter and the Vendor Information Form, or signing either with a false or misleading statement, shall void the submitted SOQ and any resulting Agreement.

F. Professional Services Agreement. In addition to reviewing and understanding the submittal requirements, it has reviewed the attached sample Professional Services Agreement including the Scope of Work and other Exhibits.

1.10 Award of Agreement.

A. Evaluation; Selection. A Selection Committee composed of representatives from the City will conduct the selection process according to the schedule on the cover page of this RFQ. The Selection Committee will create a final ranking of the Vendors based upon its evaluation of (1) the SOQ, (2) information provided by references and (3) criteria outlined in this RFQ. The Selection Committee may select up to three finalists that will be invited for oral interviews with the Selection Committee. The City will conduct the oral interviews with the selected Vendors and upon completion of the final tabulation of points for scored components, will create a final list, in order of preference, of the three most qualified Vendors. The RFQ Administrator will enter into negotiations with the highest scoring Vendor from the final list.

B. Line Item Option. Unless the SOQ states otherwise, or unless otherwise provided within this RFQ, the City reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the City.

C. Multiple Award. The City, at its sole discretion, may elect to enter into Agreements with multiple Vendors who are qualified to provide the Services. The final terms and conditions of the proposed Agreement will be negotiated by the City with the successful offerors.

D. Form of Agreement. The selected Vendor will be required to execute the City's standard Professional Services Agreement in a form acceptable to the City Attorney. A sample of the Professional Services Agreement is included with this RFQ. If the City is unsuccessful in negotiating an Agreement with the highest-scoring Vendor, the City may then negotiate with the second, then third, highest-scoring Vendor until an Agreement is executed. City Council approval may be required. The City reserves the right to terminate the selection process at any time.

SECTION A

E. Waiver; Rejection; Reissuance. Notwithstanding any other provision of this RFQ, the City expressly reserves the right to: (1) waive any immaterial defect or informality, (2) reject any or all SOQ or portions thereof and (3) cancel or reissue an RFQ.

F. Protests. Any Vendor may protest this RFQ, the proposed award of an Agreement, or the actual award of an Agreement. All protests will be considered in accordance with the City Procurement Code.

1.11 Offer. An SOQ submittal is an offer to contract with the City based upon the terms, conditions and specifications contained in this RFQ and the Vendor's responsive SOQ, unless any of the terms, conditions, or specifications are modified by a written addendum or agreement amendment. Provided, however, that no contractual relationship shall be established until the Vendor has signed, and the City has approved, a professional services agreement between the City and the Vendor in the form acceptable to the City Attorney. A sample Professional Services Agreement is included herein.

PART II. STATEMENT OF QUALIFICATIONS FORMAT; SCORING

2.1 Evaluation Process. Each submittal will be reviewed for compliance with the submittal requirements and scored by the Selection Committee. The Selection Committee shall determine if the selection can be made on the basis of the written materials only, or if oral interviews are necessary with up to three of the highest ranked Vendors based upon the SOQ submittal scoring.

2.2 Proposal Format and Scoring. The SOQ shall be organized and submitted in the format as outlined below. Confidential information such as the policy premium may be redacted from the declaration page(s) of each insurance policy, provided that such redactions do not alter any of the information required by this Agreement. The City shall reasonably rely upon the certificates of insurance and declaration page(s) of the insurance policies as evidence of coverage but such acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Agreement. If any of the policies required by this Agreement expire during the life of this Agreement, it shall be Consultant's responsibility to forward renewal certificates and declaration page(s) to the City 30 days prior to the expiration date. 13.1 For City's Convenience. This Agreement is for the convenience of the City and, as such, may be terminated without cause after receipt by Consultant of written notice by the City. Upon termination for convenience, Consultant shall be paid for all undisputed services performed to the termination date.

If either party fails to perform any obligation pursuant to this Agreement and such party fails to cure its nonperformance within 30 days after notice of nonperformance is given by the non-defaulting party, such party will be in default. In the event of such default, the non-defaulting party may terminate this Agreement immediately for cause and will have all remedies that are available to it at law or in equity including, without limitation, the remedy of specific performance. If the nature of the defaulting party's nonperformance is such that it cannot reasonably be cured within 30 days, then the defaulting party will have such additional periods of time as may be reasonably necessary under the circumstances, provided the defaulting party immediately (A) provides written notice to the non-defaulting party and (B) commences to cure its nonperformance and thereafter diligently continues to completion the cure of its nonperformance. In the event this Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover and withhold from the Consultant an amount equal to 150% of the gratuity.

SECTION B

budgeted for that purpose during the City's then current fiscal year. The City's obligations under this Agreement are current expenses subject to the "budget law" and the unfettered legislative discretion of the City concerning budgeted purposes and appropriation of funds. Should the City elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and the City shall be relieved of any subsequent obligation under this Agreement. The parties agree that the City has no obligation or duty of good faith to budget or appropriate the payment of the City's obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which this Agreement is executed and delivered. The City shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The City shall keep Consultant informed as to the availability of funds for this Agreement. 14.1 Independent Contractor. It is clearly understood that each party will act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other for any purpose whatsoever. The Consultant acknowledges and agrees that the Services provided under this Agreement are being provided as an independent contractor, not as an employee or agent of the City. Consultant, its employees and subcontractors are not entitled to workers' compensation benefits from the City. The City does not have the authority to supervise or control the actual work of Consultant, its employees or subcontractors. The Consultant, and not the City, shall determine the time of its performance of the services provided under this Agreement so long as Consultant meets the requirements of its agreed Scope of Work as set forth in Section 2 above and Exhibit B. Consultant is neither prohibited from entering into other contracts nor prohibited from practicing its profession elsewhere. City and Consultant do not intend to nor will they combine business operations under this Agreement.

14.2 Applicable Law; Venue. This Agreement shall be governed by the laws of the State of Arizona and suit pertaining to this Agreement may be brought only in courts in Maricopa County, Arizona.

14.3 Laws and Regulations. 14.5 Provisions Required by Law. Each and every provision of law and any clause required by law to be in this Agreement will be read and enforced as though it were included herein and, if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, this Agreement will promptly be physically amended to make such insertion or correction.

14.6 Severability. The provisions of this Agreement are severable to the extent that any provision or application held to be invalid by a Court of competent jurisdiction shall not affect any other provision or application of this Agreement which may remain in effect without the invalid provision or application.

14.7 Entire Agreement; Interpretation; Parol Evidence. This Agreement represents the entire agreement of the parties with respect to its subject matter, and all previous agreements, whether oral or written, entered into prior to this Agreement are hereby revoked and superseded by this Agreement. No representations, warranties, inducements or oral agreements have been made by any of the parties except as expressly set forth herein, or in any other contemporaneous written agreement executed for the purposes of carrying out the provisions of this Agreement. This Agreement shall be construed and interpreted according to its plain meaning, and no presumption shall be deemed to apply in favor of, or against the party drafting this Agreement. The parties acknowledge and agree that each has had the opportunity to seek and utilize legal counsel in the drafting of, review of, and entry into this Agreement.

14.8 Assignment; Delegation. No right or interest in this Agreement shall be assigned or delegated by Consultant without prior, written permission of the City, signed by the City Manager. Any attempted assignment or delegation by Consultant in violation of this provision shall be a breach of this Agreement by Consultant.

14.9 Subcontracts. No subcontract shall be entered into by the Consultant with any other party to furnish any of the material or services specified herein without the prior written approval of the City. The Consultant is responsible for performance under this Agreement whether or not subcontractors are used. Failure to pay subcontractors in a timely manner pursuant to any subcontract shall be a material breach of this Agreement by Consultant.

14.10 Rights and Remedies. No provision in this Agreement shall be construed, expressly or by implication, as waiver by the City of any existing or future right and/or remedy available by law in the event of any claim of default or breach of this Agreement. The failure of the City to insist upon the strict performance of any term or condition of this Agreement or to exercise or delay the exercise of any right or remedy provided in this Agreement, or by law, or the City's acceptance of and payment for services, shall not release the Consultant from any responsibilities or obligations imposed by this Agreement or by law, and shall not be deemed a waiver of any right of the City to insist upon the strict performance of this Agreement.

SECTION B

14.11 Attorneys' Fees. In the event either party brings any action for any relief, declaratory or otherwise, arising out of this Agreement or on account of any breach or default hereof, the prevailing party shall be entitled to receive from the other party reasonable attorneys' fees and reasonable costs and expenses, determined by the court sitting without a jury, which shall be deemed to have accrued on the commencement of such action and shall be enforced whether or not such action is prosecuted through judgment.

14.12 Liens. All materials or services shall be free of all liens and, if the City requests, a formal release of all liens shall be delivered to the City.

14.13 Offset.

A. Offset for Damages. In addition to all other remedies at law or equity, the City may offset from any money due to the Consultant any amounts Consultant owes to the City for damages resulting from breach or deficiencies in performance or breach of any obligation under this Agreement.

B. Offset for Delinquent Fees or Taxes. The City may offset from any money due to the Consultant any amounts Consultant owes to the City for delinquent fees, transaction privilege use taxes and property taxes, including any interest or penalties.

14.15 Confidentiality of Records. The Consultant shall establish and maintain procedures and controls that are acceptable to the City for the purpose of ensuring that information contained in its records or obtained from the City or from others in carrying out its obligations under this Agreement shall not be used or disclosed by it, its agents, officers, or employees, except as required to perform Consultant's duties under this Agreement. Persons requesting such information should be referred to the City. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under this Agreement.

14.16 Records and Audit Rights. To ensure that the Consultant and its subcontractors are complying with the warranty under subsection 14.17 below, Consultant's and its subcontractor's books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any Consultant and its subcontractors' employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the City, to the extent necessary to adequately permit (A) evaluation and verification of any invoices, payments or claims based on Consultant's and its subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Agreement and (B) evaluation of the Consultant's and its subcontractors' compliance with the Arizona employer sanctions laws referenced in subsection 14.17 below. Consultant and its subcontractors shall provide the City with adequate and appropriate workspace so that the City can conduct audits in compliance with the provisions of this subsection. The City shall give Consultant or its subcontractors reasonable advance notice of intended audits. SCOPE OF WORK

Sewer Repair Design and Construction Administration Services PW 19-014

1. Introduction.

- 1.1 The City's 2018 Integrated Utility Master Plan ("IUMP") identified two locations requiring sewer repairs or replacement:
 - A. The Dysart Road Sewer ("Project No. 1") begins at 611 North Dysart Road in Avondale, Arizona. It runs under Dysart Road from Riley Drive south to Main Street and under 7th Street from Main Street south to Corral Street, ending at 305 South 7th Street in Avondale, Arizona. A summary of Project No. 1 is set forth in Section 2 below, and a vicinity map is attached hereto as Attachment 1 and incorporated herein by reference.
 - B. The 4th Avenue Sewer ("Project No. 2"), which is referred to as the Western Avenue Collector on the original drawings, is located at 218 West Main Street in Avondale, Arizona. A summary of Project No. 2 is set forth in Section 3 below, and a vicinity map is attached hereto as Attachment 2 and incorporated herein by reference.
- 1.2 The City plans to use the Construction Manager at Risk ("CMAR") process for the construction of the improvements on both projects. It is anticipated that the CMAR will be selected almost immediately after commencement of this Agreement. The CMAR will be tasked with performing constructability reviews, offering value engineering suggestions and providing cost estimates during the design phase of the projects.

2. Project No. 1.

- 2.1 Pursuant to the IUMP, this project calls for replacing 3,035 feet of 10-inch sewer line with 12-inch sewer line to provide capacity for future development upstream.
- 2.2 This line was originally constructed in 1959 per the as-built drawings (PlanRef S5-105, sheet 15). The original design drawings call for a 58-foot section of ductile iron pipe ("DIP") to be jacked under the railway crossing. A recent CCTV inspection revealed the existing vitrified clay pipe ("VCP") sewer line transitions to a DIP line under the Union Pacific railroad tracks. The DIP section is in extremely poor shape and constricted.
- 2.3 Major factors for the design/construction of this line include:
 - A. Dysart Road is a busy arterial street. A high school and large mobile home development generate a large amount of traffic in the area.

- B. A new 12-inch waterline was constructed in recent years on the west side of Dysart, north of Western.
- C. The City recently undergrounded the overhead power line in the area, and a new conduit duct bank is located on the east side of Dysart Road.
- D. There are multiple storm drain lines crossing Dysart Road at Western Avenue.
- E. Western Avenue is offset at the intersection of Dysart Road, creating traffic control issues.
- F. The line crosses under a railway track.
- G. The Dysart Road and MC 85 (Buckeye/Main Street) intersection is an important and heavily-used traffic connection. There are 17,000 vehicles per day on Dysart and 20,000 vehicles per day on MC 85.
- H. There are multiple utilities, including a large gas line in MC 85.
- I. 7th Street is a local street that has residential water and sewer connections on both sides of the street.

2.4 A stub will also need to be inserted for two future utility projects that are planned in the immediate vicinity of the Dysart Road and Buckeye Road intersection. The projects include the upsizing and extension of the waterline in MC 85 from 7th Street to the west and consolidating the existing sewer lines currently on either side of MC 85 from Dysart Road to the east into one larger line.

3. Project No. 2.

3.1 The original sewer line was constructed 1959 per the as-built drawings (PlanRef S5-105, sheet 32). The design called for 68 feet of 36-inch casing pipe to be jacked under the railway. The material in the internal carrier pipe is not listed. A recent CCTV inspection of this 15-inch sewer line revealed the existing VCP sewer line transitions to a DIP line under the Union Pacific railroad tracks. The DIP is in extremely poor shape and constricted.

3.2 Major factors for the design/construction of this line include:

- A. The line crosses under a railway track.
- B. There are multiple jurisdictions to coordinate with, including Maricopa County Department of Transportation (“MCDOT”) and the City of Goodyear.

- C. The work required is in or adjacent to MC 85.
- D. The work will require coordination with private land owners.

4. General Scope of Work – Design.

- 4.1 Work with the CMAR to optimize design.
- 4.2 Design approximately 3,000 feet of 12-inch sewer for Project No. 1.
- 4.3 Design approximately 340 feet of 15-inch sewer for Project No. 2.
- 4.4 Complete a survey and locate all existing utilities in the study area.
- 4.5 Perform potholing, as required.
- 4.6 Order title reports, as required.
- 4.7 Complete a preliminary design study including construction options and costs. The study should evaluate:
 - A. Locations for sewer construction. Consultant should evaluate all options for construction of the sewer inside and outside of the Dysart Road pavement for Project No. 1.
 - B. Right-of-way issues, traffic control, ease of construction and land issues, as well as expected construction costs.
 - C. Potential alternate pipe material that works best in this application, including applicable construction costs, etc.
- 4.8 Complete legal descriptions as required. (Note: The City will be responsible for any appraisals and/or Phase 1 investigation needed.)
- 4.9 Prepare construction plans.
- 4.10 Prepare all permits as required, including but not limited to, Union Pacific Railroad, Maricopa County Environmental Services Department, MCDOT and for Project No. 2, the City of Goodyear.

5. General Scope of Work – Construction Administration.

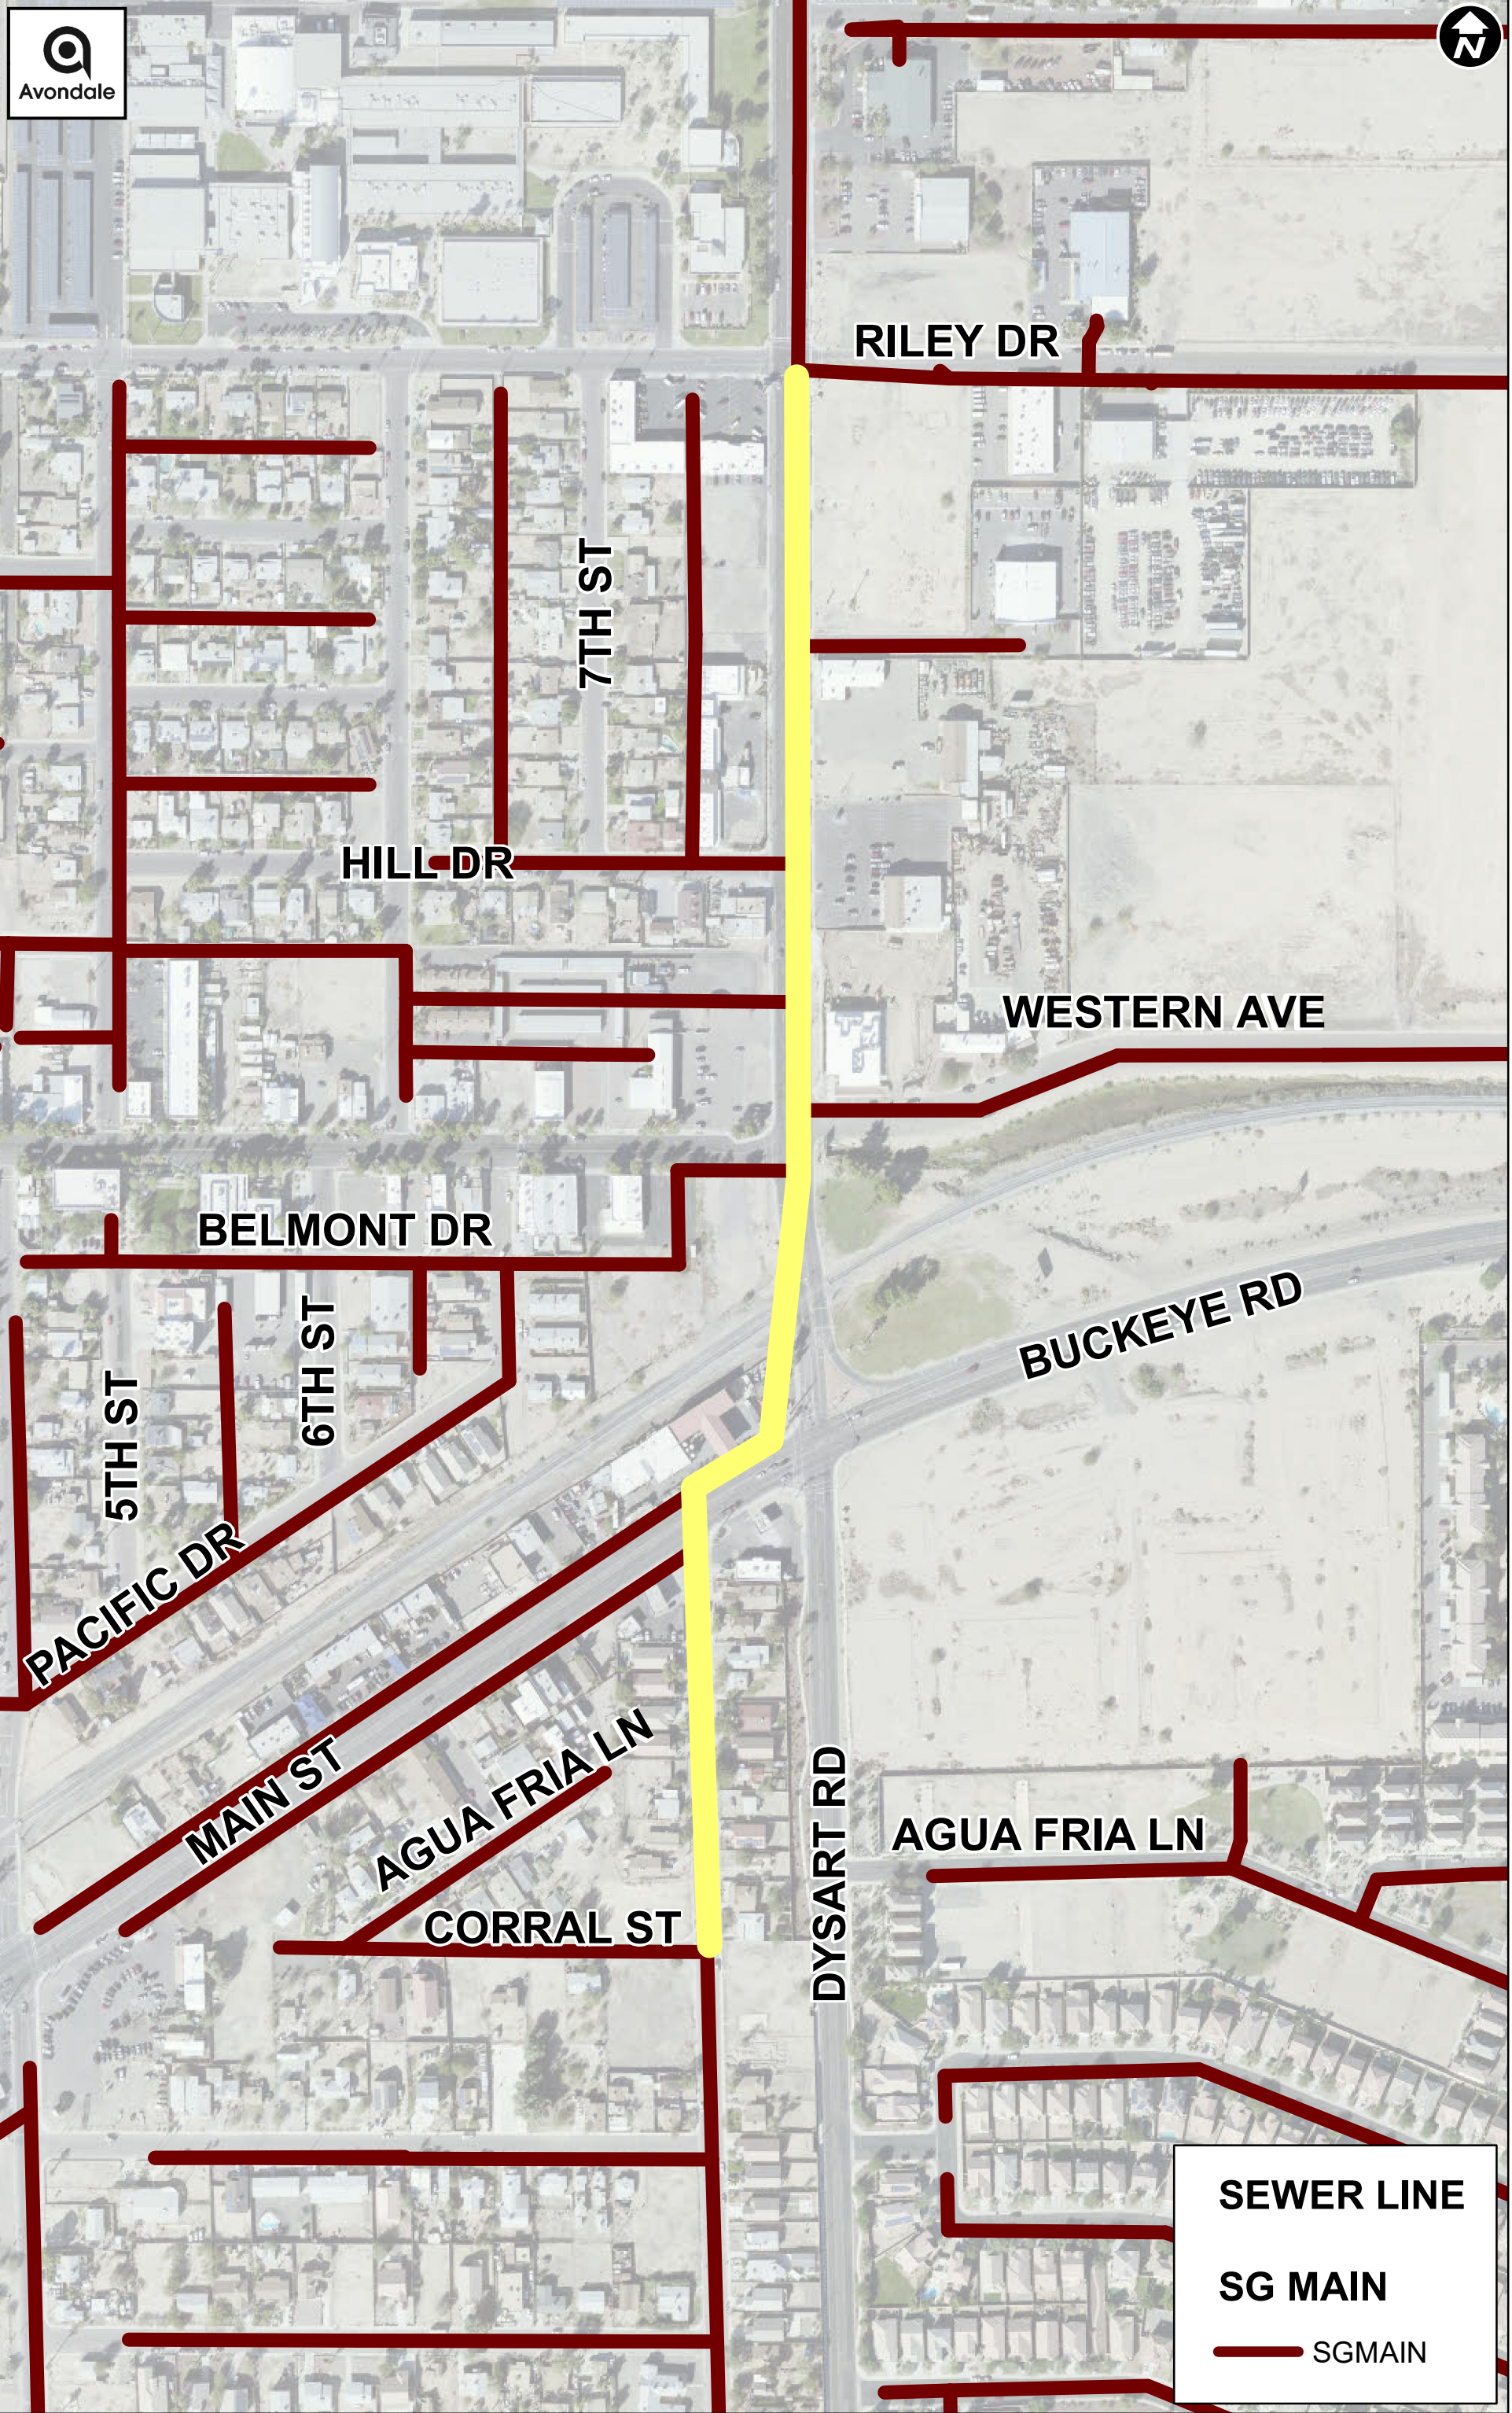

- 5.1 Ensure construction conforms to the construction documents.
- 5.2 Maintain project records.

- 5.3 Evaluate change order and change directive requests and requests for information.
 - 5.4 Perform inspections as needed.
 - 5.5 Perform special inspections as required.
 - 5.6 Certify construction payments.
 - 5.7 Prepare operations and maintenance manuals.
 - 5.8 Provide startup and commissioning services.
- 6.0 Project Financing and Schedule. There are two separate budgets for these projects, so design and construction costs for each will have to be billed separately.
- 6.1 Project 1. Funding will be split over two fiscal years. During fiscal year ending June 30, 2019, \$250,000 is available for the design and CMAR preconstruction. Construction costs of \$2,000,000 will be funded in the following fiscal year.
 - 6.2 Project 2. Funding for both design and construction is available during fiscal year ending June 30, 2019. Construction of this project can start as soon as permits are obtained.
- 7.0 Reference Materials. The following materials are available on the Vendor Registry portal at: <https://vrapp.vendorregistry.com/Bids/Manager/BidsList?menuItem=Solicitations>.
- 7.1 Images from CCTV Inspections.
 - 7.2 Original as-built drawings (PlanRef S5-105, sheets 15 and 32).
