ANDERSON COUNTY SCHOOLS CLINTON, TN 37716

SCHOOL NUTRITION PROGRAM

COMMODITY PROCESSING BID

UP TO 20,000# BULK BEEF 100154

GENERAL

Attached are instructions and conditions for submitting a Commodity Processing Bid for ANDERSON COUNTY SCHOOLS IN CLINTON, TN 37716.

The objective of this bid is to select suppliers in such a manner as to provide for open and free competition and comparability.

All food must be processed and packaged in accordance with local, State of Tennessee, and FDA regulations contained in the Sanitary Food Transportation Act of 1990.

BID PERIOD

The bid period begins *07/01/2017 AND ENDS 06/30/2018 WITH AN OPTIONAL RENEWAL FOR TWO MORE YEARS (THIS YEAR PLUS 2 SUBSEQUENT YEARS).*

VENDOR QUALIFICATION

Potential bidders must meet the following criteria:

- Be able to provide a quality product as specified
- Offer reasonable pricing
- Provide dependable delivery of items ordered
- Meet specifications and bid conditions. The product that is bid must meet all the product specifications such as sodium, calories, portion size, weight, meat and grain equivalents for the USDA and case weight.
- Demonstrate successful past performance
- Minimum 3 (three) years experience supplying similar product/commodities and services to school districts similar in size to Anderson County

BID TABULATION

Fee for Service

Regardless of the procurement method used, price is the final determining factor for awarding the contract. If the price of the product plus delivery does not give significant savings over buying the product on the open market, Anderson County SNP (School Nutrition Program) may not award the bid or may re-bid or may shift quantities to a different product. Ultimately the price used to determine the bid award will be based on the price per serving that will meet the minimum USDA requirements for a meal component or item and the comparisons from vendor to vendor will be based on the approved

equal serving cost. **All prices should be net after all rebates, adjustments, and other item price adjustments are made for donated commodity value. Anderson County School Nutrition Program wishes to pay a net invoice upon delivery without having to track any rebates or other price adjustments. The School Nutrition Program may ask for samples of food prior to award.**

Anderson County Purchasing Agent reserves the right to accept or reject any or all bids. The SNP director will tabulate the bid, recommend the winning bidder to the county purchasing agent, and the county purchasing agent will notify the bidders. The Anderson County School Board will approve the recommendation and the county attorney will sign the contract after receiving county commission approval. The purchase of products or services should commence after all this has been accomplished. Anderson County Purchasing will add their obligatory bid language. In the case of contradictory terms, the most stringent will apply.

BID RENEWAL

Anderson County SNP reserves the right to renew all aspects of the bid one year at a time for an additional two (2) years based on a firm fixed price. Anderson County SNP reserve(s) the right to add/delete products during the contract period. Pricing for added products will be based on a comparison of pricing offered by vendor to the pricing of the same item offered on the open market prior to adding an item to the contract listing. Anderson County SNP will notify the contractor of their intention to renew this contract no later than 30 days before the end of contract period. A written response will be due from the contractor no later than 15 (fifteen) days before the end of the contract period. Other school systems, with vendor approval, may use this bid for purchase in their district.

BID PREPARATION

Bidders must submit one price for each item on the bid product sheet. Each bidder should bid on all items listed in the bid document for the commodity group. Anderson County SNP will recalculate usage and line extensions to make necessary conversions for differences in pack size. The bid award will be made on price per serving in relation to servings desired. The bottom line total will be adjusted if mathematical conversions and extensions indicate the need for correction. Delivery cost will be added to the bid to determine lowest serving cost per item.

All bids shall be in accordance with the instructions to bidders and specifications as attached. Specifications are intended to be open and non-restrictive. A copy of the Nutrition Facts label and ingredient statement must be included with the bid.

Estimated usages are given for each item. The estimated usages do not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the contract period. Estimated usages are based on last year's purchases and are estimated for the bid period. For new/never used item's estimated usage, the amount is a projected amount based on anticipated acceptance by students. Inclusion of items on bid does not guarantee purchase.

All columns of the bid document must be completed in ink or typewritten. The bottom line total (sum of extended prices) must also be printed in ink or typewritten on the proposal form. No erasures shall be

permitted. Errors may be crossed out and corrections printed in ink or typewritten and must be initialed in ink by the person signing the bid.

Mathematical calculations involving decimals must be carried to two (2) places.

Should a bidder find discrepancies or omissions from the bidding document or be in doubt as to their meaning, he/she shall at once send questions by email to purchasing@andersontn.org.

It shall be the sole responsibility of the bidder to make certain that all bids in proper form are submitted by the date due. Item cost must include delivery to commodity warehouse distributor (FOB distributor). Examples of products are not exclusive of all other brands, just an example of specifications.

DELIVERY

- Delivery of products should be in two to three shipments to the food distribution company that is currently under contract to deliver commodities to Anderson County Schools. The first delivery being on or before August 01 and subsequent deliveries being made to distribution center no more than five months after the first delivery.

CONTRACT TERMINATION FOR CONVENIENCE

The School District(s) may, by written notice to the Vendor, terminate this Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the School System(s). The School System(s) must give notice of termination to the Vendor at least thirty (30) days prior to the effective date of termination. The Contractor shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the School District be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

CERTIFICATION REGARDING “BUY AMERICAN” REQUIREMENTS

Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires SFAs to purchase domestically grown and processed foods, to the maximum extent practicable. There is a two-part test to define the country of origin for a manufactured end product: (1) the article must be manufactured in the United States; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components.

We require that suppliers certify the percentage of U.S. content in products supplied to us according to the two-part test above. If you are unable or unwilling to make such certification, we will not purchase from you.

Two situations may warrant a waiver to permit purchases of foreign food products.

- 1) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
- 2) Competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product.
