ROLL-OFF SERVICE

SPECIFICATIONS

- 1.0 General:** The City of Goodlettsville is soliciting bids for the dumpster and disposal service at the City of Goodlettsville.
- 2.0 Scope of Work:** Contractors will provide all necessary labor, equipment, material and supplies necessary for the collection and disposal of trash and bulk waste located at the Goodlettsville Public Works site in Goodlettsville, TN.
- 3.0 Containers:** The contractor will provide 30 yard roll-off containers and disposal services for City owned compactor. All containers shall be serviced, automatically, once per week as needed and more often if needed on-call.
- 4.0 Waste Material:** All solid and/or bulky waste material shall be removed by contractor once per week automatically with no call required and more often if needed on-call. Pricing will be a flat rate for disposal and a flat rate for collection/hauling. No other fees will be allowed (ie. Container rental, Environmental Fee, Fuel Adjustment Fee, etc.).
- 5.0 Payment:** The City will pay agreed upon collection and disposal fee within 30 days after invoice following the City's acceptance of work.
- 6.0 Insurance:** Prior to the City's execution of the contract to perform work, the contractor will provide a certificate of insurance meeting the requirements of the attached contract.
- 7.0 Inspection:** All work by the Contractor is subject to inspection by the City of Goodlettsville's representative at any time.
- 8.0 Contract:** It is the City's plan to create a one year contract with three, one year renewal options.
