SUBJECT: Addendum 2 to Invitation for Bid 40622 – Burrell Dam Manatee Screens Fabrication and Installation

As a result of questions received from potential respondents, please be advised of the following changes to the subject Invitation for Bid:

1. The time and date for the submittal of responses remains the same: **2:00 p.m., Thursday, November 21, 2024**

2. **Question:** Will any diving required for the installation of the screens or if everything regarding the install will be done on dry land and lifted or set into place?

Diving is required for pre-installation to ensure the tracks are cleared.

3. **Question:** Will there be a need for any diving inspections prior to or after the installation?

Diving is required for post-installation to ensure the screens are fully installed with no gaps.

4. **Question:** Has the completion date been revised?

Yes, STATEMENT OF WORK, section V. TIME FRAMES AND DELIVERABLES: delete and replace with the following:

V. TIME FRAMES AND DELIVERABLES

Deliverables include the fabrication and installation of six manatee screens in accordance with the approved shop drawings. Installation is to be completed by March 31, 2025.

5. **Question:** Could verification measurements of the dam and screens be used in-lieu of a diver to ensure that the screens are properly seated in the concrete channels?

No, verification measurements of the dam and screens cannot be used in-lieu of a diver.

6. **Question:** If a diver is required for verification, are they only doing a visual inspection, or is there additional documentation required?

Diving is required pre-installation to ensure the tracks are cleared and post-installation to ensure the screens are fully installed with no gaps.
