**Fencing Scope-**

Provide and install new 12' Chain Link/gates fencing per attached site diagram and district specs. J hooks at bottom of fencing will need to dry set in the middle of each fence panel. Fencing contractor is responsible for filling with mortar/dry pack fence post after demo. Contractor shall be responsible for installing and maintaining temporary fencing per diagram. District will provide portable restrooms for contractors to use on site. Details of project will be available at job walk.

Fence Bid Amount=\$\_\_\_\_\_

**Demo Scope-**

Remove and dispose of the 12' chain link fencing and post per the attached diagram. Demo Contractor is to cut post flush to concrete and leave a smooth finish for fencing contractor to fill post with slurry or dry pack. All fencing is to be removed at once so fencing contractor can install temporary fencing.
