# **Chattanooga Fleet Services**

## **Fleet Management Specifications**

### **Isuzu Cab and Chassis**

#### **Introduction**

The attached specifications describe the requirements for a Replacement Cab and chassis truck and accessories to be purchased by the Chattanooga Public Works Department, Fleet Management division. The specifications are intended to be flexible enough for all major manufacturers to comply. The uses of names or part numbers are used for cross referencing to another brand name to be equivalent or greater to the specifications. Height and weight will be posted in cab in driver's field of view. Any and all wear items will be identified and defined in the bid.

#### **Bid Requirements**

1. The entire vehicle/apparatus is to conform to D.O.T., FMVSS, NFPA, and OSHA and to the requirements of all other applicable regulatory agencies.
2. Parts not specifically mentioned that are necessary to furnish a complete chassis or body/apparatus must have been produced using the automotive industries best manufacturing practices. This pertains to design, quality of materials and workmanship.
3. Using the attached specifications, bidders must indicate either "yes" or "no" to the right of all line specifications. Exceptions or "no" responses are to be listed and FULLY Explained on a separate page. Failure to complete the spreadsheet or failure to properly document exceptions to the specifications may result in the bid being declared "non-conforming".
4. Loose and miscellaneous equipment is to be provided only as required by D.O.T and specifications, Fire extinguisher, First aid kit and safety triangles shall be included.
5. Each bid is to be accompanied by a set of manufacturer's and as applicable, vendor's specifications. These are to consist of a detailed description of the proposed vehicle/apparatus and equipment. The specifications are to indicate size, type, model and make of all component parts and equipment. A CAD drawing of the proposed vehicle indicating wheelbase, Cab to axle and Cab to end of frame measurements is desired. All weights and horsepower/torque to transmission ratios to axle ratios shall be approved by engineering per vehicle manufacturer to include all detachable components and operations.

All vehicles will be delivered with factory service manuals, wiring diagrams and component locators for cab, chassis & bodies installed on vehicle. CD's or DVD will be accepted.

All warranties will be listed with specific details as to time, including any and all exclusions. No warranties can be Terminated or canceled for any reason during the warranty coverage as stated in bid where specified. No travel or drive time will be paid while under any manufacturer's warranty.

All power train components, assemblies, subassemblies, component parts and so on, will be designed and constructed with due consideration to the nature and distribution of the load to be sustained and to the general character of the service to which the vehicle is designed for and to be subjected to when placed in service. All parts of the vehicle will be strong enough to withstand the general service under full load. The vehicle will be so designed that the various parts are readily accessible for lubrication, inspection, adjustment and repair. Where ever possible, a central lubrication Block shall be provided with zerks and plumbed to withstand air grease gun applications, this includes hoses and connectors so service personnel will be able to perform this at ground level.

All vehicles will be supplied with a line sheet to include as built and current part numbers of any and all components installed on vehicle.

The specified vehicle will be capable of reaching and maintaining a minimum speed of 20 MPH on any grade up to and including 25% or 15 degree grade. The vehicle will be capable of attaining a true speed of 35 MPH in 25 seconds and programmed not to exceed 62 MPH.

All warranty registrations will be completed by bidder and copies provided upon delivery, all warranties will begin on any and all components on the in service date or delivery date if no special training is needed to begin operating vehicle.

Any special software or hardware needed to perform diagnostics on any computer mounted on cab, chassis and body shall be provided by bidder. This includes Transmission, ABS Brake system and Engine.

## **A. Warranty**

1. Warranty period shall be for three (3) years on the Cab and Chassis, bodies and ALL of its components with no exceptions.   \_\_\_  \_\_\_
2. Warranty shall start on in service date.   \_\_\_  \_\_\_
3. All warranty registrations shall be completed by the vendor and copies provided.   \_\_\_  \_\_\_
4. Factory service manuals, electrical schematics and component locators to be supplied for body, Cab and chassis.   \_\_\_  \_\_\_
5. Bid an optional Warranty period to be “bumper to bumper” and defined by the bidder, for five (5) years on the body, chassis, engine, transmission and drivetrain, excluding wear items, which must be detailed, with no provision for canceling warranties.   \_\_\_  \_\_\_
6. Ten (10) workday repair completion guarantee. The primary vendor will pay the lease cost per day of each day after the tenth day turnaround period has elapsed. Partial days will be prorated based upon an eight (8) hour work day, beginning at 8:00 am.   \_\_\_  \_\_\_
7. Instead of the lease cost per day Ten (10) work day repair completion guarantee penalty, the vendor can provide a loaner vehicle of equal to or better quality specifications of the rear load garbage truck that has exceeded the ten day repair limit.   \_\_\_  \_\_\_
8. Bidder shall include copy of warranty terms and conditions and a list of any exceptions from the warranty.   \_\_\_  \_\_\_
9. All warranty work for cab, chassis, and body shall be the responsibility of the Primary bidder.   \_\_\_  \_\_\_

## **B. Training**

1. Minimum of 2-hour professional training for operators.   \_\_\_  \_\_\_
2. Minimum of 2 day training to be available to on site shop personnel.

## Radio Requirements in Cab

1. 20 amp circuit power and ground shall be provided with an additional 4 amp ignition feed.
2. RG58 Antenna cable with 800 MHz NMO mount and mini UHF connector.

## Affirmative Action Plan

The City of Chattanooga is an equal opportunity employer and during the performance of this Contract, the Contractor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Contractor will take affirmative action to ensure that applicants are employed, and the employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, or handicap.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. In all construction contracts or subcontracts in excess of \$10,000 to be performed for the City of Chattanooga, any contractor and/or subcontractor is further required to file in duplicate within ten (10) days of being notified that it is the lowest responsible bidder, an affirmative action plan with the EEO Director of the City of Chattanooga. This plan shall state the Contractor's goals for minority and women utilization as a percentage of the work force on this project.
5. This Plan or any attachments thereto shall further provide a list of all employees annotated by job function, race, and sex who are expected to be utilized on this project. This plan or attachment thereto shall further describe the methods by which the Contractor or Subcontractor will utilize to make good faith efforts at providing employment opportunities for minorities and women.

During the term of this contract, the Contractor upon request of the City, will make available for inspection by the City of Chattanooga copies of payroll records, personnel documents and similar records or documents that may be used to verify the Contractor's compliance with these Equal Opportunity provisions.

6. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 6 in every subcontract so that such provisions will be requested of each subcontractor. The Contractor agrees to notify the City of Chattanooga of any subcontractor who refuses or fails to comply with these equal opportunity provisions. Any failure or refusal to comply with these provisions the Contractor and/or Subcontractor shall be a breach of this contract.
