DATE: October 23, 2020
TO: Prospective Respondents
FROM: Amy Lucey, Contracts Administrator
SUBJECT: Addendum #3 to Request for Qualifications # 36081, 2021 Indian River Lagoon Seagrass Mapping

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your bid documents. Note: changes are reflected with original language shown with strike-through and new language is underlined.

- Q1: For the Form “Qualifications- General” (p. 20 of the RFQ) can a combination of a team of two firms be listed as respondents (i.e. by hyphenating the company names)?
A1: No unless the firms are registered as a joint venture with the State of Florida, only one firm can be awarded and the other can be listed as a subcontractor.
- Q2: Can more than 3 references be provided by recreating the “Qualifications – Client reference” form (in page 22 of the RFQ)?
A2: Yes – include how many you’d like
- Q3: Are there any page limits or preferences in formatting the response sections (outside of the specific required forms)?
A3: There are no page limits.
- Q4: The scoring from the detailed evaluation criteria (p. 11 of the RFQ) appears to not add to the overall percentage by category, particular for items under 1b and 1c. All line items for 1B and 1C add up to 45% not 40%. This means the overall total percentage would add up to 105%. Could you provide a corrected evaluation criteria?
A4: Please see revised page 11 attached to this Addendum.
- Q5: Are there any points or preference provided to MWBE primary respondents, since this information is requested in the RFQ?
A5: No. The District does not currently offer preference to MWBE firms.
