# Scope of Services

## Project Description:

Franklin County proposes to contract with an individual(s) or organization(s), hereinafter referred to as “Contractor” for a contract for the furnishing of Extradition Services, including interstate and intrastate transportation, and security and control of prisoners as needed for the Franklin County Sheriff’s Office as specified in the following requirements. Subcontracting of any services as specified herein shall not be acceptable. Any contractor responding with a proposal to utilize a subcontractor will not be considered.

The current Contractor is providing extradition service both within and between States on a case by case basis. Some persons being transferred have special needs. Examples of persons with special needs include juveniles, women, medicated persons, and persons with mental health issues. Professionalism, effectiveness, and a highly trained staff are all qualities that the County looks for in its contractors.

The County will expect the Contractor to perform the services noted below. Please respond to this listing in your proposal.

### I. General Requirements

- A. The Contractor agrees to perform the services specified herein in accordance with generally accepted standards applicable thereto and shall comply with all applicable state, federal, and local laws, ordinances, rules and regulations relating to the services performed hereunder.
- B. The Contractor must meet the standards of and comply with all provisions of The Interstate Transportation of Dangerous Criminals Act of 2000. Public Law 106-560, 114 Stat. 5784 (42 U.S.C. 13726b) enacted December 21, 2000.
- C. At the request of the County, the Contractor shall assume custody of prisoners committed to the custody of the County and provide interstate and/or intrastate transportation of said prisoners to and from locations designated by the County.
- D. In assuming custody of prisoners, the Contractor shall assume the sole responsibility for security and control of prisoners in a professional manner and in accordance with the County’s written policies and procedures. Such policies, procedures, and directives may be promulgated in the future regarding the use of force and the security and control of prisoners. In the event there are no written policies or procedures, the Contractor shall follow reasonable and customary operating procedures.
- E. The Contractor agrees to travel the safest and most efficient route when transporting prisoners for the County.

F. The Contractor shall immediately report unusual incidents, emergencies, and/or controversial situations that arise in the performance of their services to the County in accordance with the County's directives. For the purpose of definition, "unusual incident, emergency, or controversial situations" includes but is not necessarily limited to the following: any act of violence by a prisoner or other passengers; any escape or attempted escape of a prisoner, or any other breach of security; any excessive delay in the transportation of a prisoner; any medical condition of a prisoner or other passenger requiring emergency medical treatment; any mechanical failure that would normally require formal reports to the cognizant regulatory agency; and any refusal of law enforcement agencies to release a prisoner to the Contractor as authorized or directed by the County. **Any documented cases of unacceptable behaviors committed by transport staff (inmate abuse) will be cause for voiding the contractual agreement.**

G. The Contractor shall assume custody of prisoners for authorized agents of the County, at the location of incarceration determined by the parties to be suitable for such purpose, to transport such prisoners to their destination or other specified location. Upon arrival, the Contractor shall surrender custody of such prisoners to the County or to the law enforcement agency as designated by the County. The County shall have the right to cancel its pick-up order within twenty-four (24) hours after placing the order. Any other cancellation may be made only with the consent of the Contractor.

H. In the event of delays in delivering prisoners to the specified destination, whether or not beyond the Contractor's control, including inclement weather or mechanical malfunctions, the contractor shall provide for all prisoner costs, except medical, related to such delays, including but not limited to food and lodging.

I. The County shall provide the Contractor with a pickup deadline for all prisoners. The Contractor shall be fully responsible for insuring that all prisoners are picked up before the designated pickup deadline. In the event a prisoner is unavailable for pickup due to the Contractor's failure to meet the pickup deadline, the County shall be relieved of any and all costs associated with such pickup.

J. If the Contractor is unable to meet a pickup deadline, the County reserves the right to use an alternative Contractor.

K. **Transport company will provide a per mile cost schedule for all states within the continental United States.**

L. **Transport company will conduct pick-ups in all 48 of the contiguous United States via ground transport.**

II. Refusal and/or Inability to Transport – The Contractor shall have the right to refuse to transport any individual whose condition or behavior, in the opinion of the driver, would be detrimental or dangerous to the safety of the vehicle or its passengers. In the event the driver

refuses to transport any such individual, the County shall be notified immediately, prior to leaving the pick-up location, and there shall be no charge to the County.

A. If, upon arrival at the holding agency, the Contractor learns that the prisoner has a contagious disease that was unknown to the Contractor and the County, the Contractor shall immediately contact the County for further instructions. If the prisoner is transported, transport shall be made in such a manner as to ensure the wellbeing of all other occupants. If the prisoner cannot be transported, the County shall not be subject to a penalty charge. The Contractor agrees not to place hold on the County's prisoners held in other jurisdictions. Should the Contractor or its agents place a hold on a prisoner, in violation of this provision, the Contractor agrees to reimburse the County for the full cost of transport in each such occurrence.

B. In the event the prisoner is unavailable, due to the fault of the County, the County shall be responsible for the costs incurred which are directly attributed to the trip to the facility, but no more than 50% of the original trip cost. In the event the Contractor fails to contact the holding facility twelve (12) hours prior, the County shall be relieved of any and all costs associated with such pickup if upon arrival the prisoner is unavailable. In any case, the County shall not be subject to a penalty charge.

C. The Contractor shall deliver prisoners held in another jurisdiction to the County's facilities within fifteen (15) calendar days from the date of pickup unless the county designates a shorter period of time, delays outside of human control notwithstanding

### III. Special Needs/ Service Requirements

A. On a case by case basis, the County reserves the right to use an alternative Contractor if the primary Contractor is unable to meet a necessary pick up deadline.

B. In the case of special needs transportation, Contractor's qualifications and equipment will be evaluated on a case by case basis. The County reserves the right to use the Contractor deemed most appropriate by the County.

C. Contractor will ensure that female staff will be utilized any time female inmates are in Contractor's custody except for short periods necessary for female staff to join the transportation staff team while in route.

### IV. Contractor Qualifications - The Contractor must meet the following minimum requirements:

A. The Contractor shall disclose their years of experience in the industry.

B. The Contractor shall have in place and operational a ground transportation system that operates seven (7) days per week, three hundred sixty-five (365) days per year, twenty-four (24) hours per day.

C. The Contractor shall provide up to five (5) references where they have provided similar services as specified herein, within the last twelve (12) months.

D. The Contractor shall provide a copy of the certificate issued by the Interstate Commerce Commission, which gives the Contractor authority to operate as a common carrier.

E. The Contractor shall provide documentation to show that each transportation agent has received complete training in all phases of prisoner transport, and is properly licensed in accordance with all State and Federal requirements for handling prisoners.

F. The Contractor shall provide a twenty-four (24) hour, seven (7) days per week, communication system for access of agency decision makers.

V. Training

A. All employees of the Contractor involved in the pickup and transportation of prisoners shall have a police and/or corrections background, or have successfully completed a training program which focused on the proper use of restraining devices, self-defense, etc., necessary to perform the duties specified herein. A copy of the training materials (courses) must be submitted with the bid.

VI. Identification

A. All employees of the Contractor involved in the pickup and transport of prisoners shall be required to dress in a professional manner. The employees shall be required to wear a uniform bearing the company logo. Street/casual clothes (i.e. jeans, t-shirts with popular printed material, sandals, 'flip-flops', etc.) shall not be acceptable. If the Contractor's employees do not wear proper attire, the holding authority may not release the prisoner(s), and the Contractor shall not be compensated for the trip.

B. All employees of the Contractor involved in the pickup and transportation of prisoners shall carry an ID that indicates information including, but not limited to, the company name, employee name, photo, etc. This ID must be presented and/or displayed properly when requested by the holding agency prior to the release of any prisoner.

VII. Contractor Qualifications – Planning – Must meet minimum requirements

A. The Contractor shall provide twenty-four (24) hour coverage to help facilitate the planning and operations of our service to law enforcement agencies. The Contractor's staff shall be available by telephone twenty-four (24) hours a day, 365 days a year. All prisoner transportation shall be pre-planned in order to achieve the highest levels of efficiency, professionalism, and safety. Some of the important issues involved in the planning process shall include prisoner pickup and delivery deadlines, prisoner classification, travel routes, appropriate check points, medication needs, feeding, rest stops, and housing requirements. Contractor shall have written contingency plans in place in the event of a medical problem, accident, or prisoner escape.

B. Transporting agents shall know the prisoners they are transporting including but not limited to, the prisoner's custody level, propensity for violence, physical or mental handicap (if any), advanced age, language barrier, or if considered a special or high notoriety case.

C. Pickup and delivery of prisoners shall be done in a timely manner. The Contractor shall establish check points or call-in times. Transport agents shall use a secure phone line for reporting and receiving orders.

D. Prisoners shall be given an eight (8) hour rest period within any twenty-four (24) hour period. In transit time shall not exceed sixteen (16) hours per day on average. No prisoner shall travel more than 24 hours without receiving housing. Housing shall be provided to the prisoner, with the opportunity to receive proper rest, shower, and meet other hygienic needs.

E. Blankets should be carried and provided to the prisoner upon request, if route and conditions warrant.

F. Prisoners traveling interstate shall travel a minimum of 250 straight-line miles each day from point of departure to point of destination. *In the event of inclement weather and/or mechanical problems this may present beyond 16 hours per day.*

G. Releasing agency shall be given one (1) working day notice prior to the Contractor taking custody of a prisoner unless a lesser time frame may be mutually agreed upon. The Contractor will determine if a status change of the prisoner has occurred. In the event a status change has occurred, thereby causing the transport to be cancelled, the contractor will contact the County immediately and there will be no charge to the County.

H. Appropriate documentation including written authority to transport prisoner shall be in the possession of the transporting agents in order to support transport of prisoner as well as in-route housing.

I. Meal stops shall be selected at random to avoid the possibility of a pre-planned escape attempt or rescue. Prisoners shall be fed three (3) meals within a twenty-four (24) hour period. MEALS NECESSITATED BY DOCUMENTED MEDICAL NEED ARE TO BE PROVIDED.

J. Each vehicle shall carry a copy of a formal confidential contingency plan covering medical problems, escapes, accidents, or other incidents.

K. The Contractor shall immediately notify the designated County contact person if medical problems, escape, accident or other incidents as outlined in the contingency plan. If immediate notification is not possible, the information shall be provided at the earliest possible time.

L. For prisoners traveling interstate, the County shall be notified of any delays.

M. Appropriate documentation including written authority to transport prisoner (i.e. Prisoner Receipt, Property Receipt, Prisoner Medial/Medication Information, Prisoner Activities (meals, rest stops, stretch breaks, and rest overnight-RON)) shall be delivered with the prisoner.

N. The Contractor shall arrange for a twenty-four (24) hour, seven (7) days per week communications system for access of agency decision-makers.

O. The Contractor shall have staff available during normal business hours.

### VIII. Personnel

A. The Contractor shall complete an evaluation of potential employees targeting desirable qualified candidates with unquestionable backgrounds. It shall include, but not be limited to, a driving history, criminal history investigation, and drug testing.

B. The Contractor agrees to adopt employment criteria that current employees will be terminated and new personnel will not be hired, if a criminal record is located for the following offenses:

1. All felony offenses unless pardoned of the offense, if the pardon is expressly granted for subsequent proof of innocence.
2. Misdemeanor offenses that fall into the following categories:
  - a) *Convicted of driving while intoxicated, either alcohol or drugs, within the past two (2) years.*
  - b) *Thefts or crimes against persons that resulted in jail time or probated jail time within the past two (2) years.*
3. Drug Offenses:
  - a) *Manufacture or sale of any illegal drug or controlled substance.*
  - b) *Drug use: marijuana-no usage within the past (2) years, felony drug- no usage.*
4. Felony or misdemeanor convictions for the following offenses:
  - a) *Public lewdness*
  - b) *Indecent exposure*
  - c) *Perjury*
  - d) *Tampering with a governmental record*
  - e) *Impersonating a public servant*
  - f) *Permitting or facilitating an escape*
  - g) *Violations of the rights of a prisoner*

C. Transporting agents shall receive complete training in all phases of short and long-distance prisoner transport, applicable laws, prisoner care, custody and control, self-defense, CPR, first aid, cross-gender supervision, and weapons training.

D. The Contractor shall require 100 hours of classroom instruction to insure the above requirements are met.

E. Transporting agents shall be paid wages not less than that required by any applicable State and Federal requirements.

F. Transporting agents shall be properly licensed in accordance with all applicable State and Federal requirements.

G. Transporting agents shall have appropriate identification with descriptive information and picture thereon which clearly identifies him/her as transporting agents for a specific transportation agency.

H. A minimum of two transporting agents shall be used when transporting prisoners by ground.

I. A minimum of one transporting agent shall be used when transporting by air unless otherwise stipulated by the airline or the County. Transportation agent shall be of the same gender as the prisoner.

J. Prisoners shall be transported safely and humanely.

K. The Contractor shall provide a list of names, ID card numbers, and signatures of transporting agents authorized to receive custody of prisoners on the County's behalf. The Contractor shall be responsible for providing updates to the County. The Contractor shall furnish any and all documentation regarding the certification or registration of its transport agents to the County upon request.

## IX. Vehicles

- A. Vehicles shall conform to all appropriate regulations and shall be services regularly and maintained in optimum operating condition.
- B. Vehicles shall be properly licensed in accordance with all applicable State and Federal regulations.
- C. Vehicles shall be configured to separate transporting agents and prisoners and to separate male prisoners from female prisoners.
- D. Prisoners shall not be able to open doors and windows (from inside prisoner compartment).
- E. Transporting vehicles shall be equipped with a cellular telephone capable of operation anywhere the Contractor operates.
- F. Vehicle separations systems shall have at least two (2) separate compartments.
- G. Vehicles shall have an operating air-conditioner and heater for the entire vehicle.
- H. Vehicles shall be services on a prescribed schedule according to requirements of the transportation department.
- I. Vehicles shall carry safety equipment such as first aid kits, fire extinguisher, safety triangles, etc.
- J. Vehicles shall be equipped with spare tires, jacks, and lug wrench.
- K. Vehicles shall be equipped with sufficient storage to secure personal property of prisoners being transported.
- L. Vehicles shall be equipped with sufficient storage to secure personal property of prisoners being transported.
- M. Vehicles shall be clean inside and out at all times.
- N. A vehicle shall not be in operation if it has sustained body damage that would impair the safe operation of the vehicle.

#### X. Restraint Equipment

- A. Handcuffs and leg irons shall be manufactured to meet full compliance with N.IJ. Standards dealing with marking, workmanship, mechanical strength, and tamper resistance.
- B. Appropriate restraint equipment shall be available so prisoners are restrained during transport; i.e. handcuffs, Martin chairs, and leg irons, at a minimum, for each prisoner on board. Additionally, two (2) handcuff covers (black boxes) and one (1) hinged cuff shall be available.
- C. Prisoners shall not be secured to any part of the transporting vehicle.
- D. Transportation agents shall be trained in the use and prohibited uses, of restraining devices. The practice of hogtying (the restraint of the ankles and wrists while being tied together behind the back) shall be strictly prohibited at all times.

#### XI. Operations

- A. A full body strip search shall be conducted when taking initial custody and all personal items shall be removed from the prisoner. While being transported, prisoners shall remain under observation at all times. It is advantageous to keep prisoners who are being transported separated from all other prisoners when being housed overnight. Efforts shall be made to

prevent the use of phone or any communication with anyone outside the place of temporary custody. Whenever possible, prisoners shall be allowed to bathe if temporarily housed due to the length of the trip.

B. Prisoners shall be positively physically identified prior to transportation agents assuming custody and removing them from the holding agency.

C. A strip search of prisoners shall be completed prior to being transported. A pat search is appropriate at any time. A transporting agent of the same gender as the prisoner shall conduct searches.

D. Vehicles shall be thoroughly searched prior to placing prisoners therein. If at any time the vehicle is out of sight of the transporting agents, the vehicle shall be searched prior to resuming the trip.

E. Prisoners shall be properly placed and segregated within the transporting vehicle.

F. Records shall be maintained noting pick up date/time and location, delivery date/time and location along with transporting agents' signatures of extradition oath for each prisoner transported.

G. Property transported shall be inventoried and signed for by both the prisoner and the transporting agent.

H. Personal property shall be securely stored and inaccessible to prisoners.

I. Prisoners shall not be permitted to communicate with persons other than transporting agents. Prisoners in route are prohibited from using phones at in route housing locations.

J. Transporting agents shall keep an activity log that is updated continually throughout the trip by current entries.

K. Food shall be brought to the transportation vehicle when stopping for meals.

L. Special requests by prisoners are not to be honored unless related to prisoner's health or safety. In responding to a health and safety request, transporting agents shall use the utmost caution to maintain and protect the confidentiality of their response plan.

M. When in route housing is required, prisoners shall be lodged in secure and adequate jail facilities and local staff advised of escape potential, security threat such as gang affiliation, disruptive group member, or high-profile offender. Whenever possible, prisoners in route shall be separated from the facility general population.

N. Transporting agents are legally responsible for prisoners under their care and control.

O. Prisoners shall be allowed to bathe at in route housing locations.

P. The Contractor shall verify the identity of the person(s) to whom custody is transferred.

## XII. Safety

A. All vehicle accidents shall be reported to the Contractor's office. All vehicle accidents shall also be reported to the County designated representative. The Contractor agrees to furnish the County with a copy of any official accident investigation reports generated by the local police agency and a copy of any internal investigation reports related to the accident.

B. Vehicle repairs in transit shall be completed before the trip continues.

- C. Prisoner injuries shall be reported to the Contractor's office, who shall report the injury(s) to the County representative.
- D. Trip audits shall be completed on transporting agents' activity logs to assure compliance with operating standards.
- E. Rates of speed above posted limits are not permitted. All traffic laws must be adhered to. All traffic citations shall be reported to the Contractor's office.
- F. All escapes shall be reported at once to local law enforcement at the scene, and to the Contractor's office.
- G. All escapes shall be immediately reported to the County.

## **Insurance Requirements**

The Contractor shall not commence work under this contract until they have obtained all insurance required under this paragraph and the Certificate of Insurance has been approved by the County, nor shall the Contractor allow any subcontractor to commence work on their subcontract until all similar insurance amounts, form and companies satisfactory to the County which must carry an A-6 or better rating as listed in the A. M. Best or equivalent rating guide. Insurance limits indicated below may be lowered at the discretion of the County.

- **Compensation Insurance:** The Contractor shall take out and maintain during the life of the contract, **Employers Liability and Workers Compensation Insurance** for all of its employees employed at the site of work, and in case any work is sublet, the Contractor shall require the subcontractor similarly to provide Workers Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Contractor. Workers Compensation coverage shall meet Missouri statutory limits. Employers Liability limits shall be \$500,000.00 each employee, \$500,000.00 each accident, and \$500,000.00 policy limit. In case any class of employees engaged in hazardous work under the Contract at the site of the work is not protected under the Workers Compensation Statute, the Contractor shall provide and shall cause each subcontractor to provide Employers Liability Insurance for the protection of their employees not otherwise protected.
- **Comprehensive General Liability Insurance:** The Contractor shall take out and maintain during the life of this contract, such commercial general liability insurance as shall protect it and any subcontractor performing work covered by this contract, from claims

for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under this contract, whether such operations be by themselves or for any subcontractor or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than \$2,000,000.00 combined single limit for any one occurrence covering both bodily injury and property damage, including accidental death. If the contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Commercial General Liability Insurance, then the Proof of Coverage of Insurance shall also be included.

- The Contractor has the option to provide **Owner's Contingent or Protective Liability and Property Damage** instead of the **Comprehensive General Liability Insurance** – The Contractor shall provide the County with proof of Owner's Protective Liability and Property Damage Insurance with the County named as insured, which shall protect the County against any and all claims which might arise as a result of the operations of the Contractor in fulfilling the terms of this contract during the life of the contract. The minimum amounts of such insurance will be \$3,000,000.00 per occurrence, combined single limits. Limits can be satisfied by using a combination of primary and excess coverage's. Should any work be subcontracted, these limits will also apply.
- **Commercial Automobile Liability** – The Contractor shall maintain during the life of this contract, automobile liability insurance in the amount of not less than \$3,000,000.00 combined single limit for any one occurrence, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the Contractor's own automobiles, teams and trucks; hired automobiles, teams and trucks; non-owned and both on and off the site of work.
- **Proof of Carriage of Insurance** – The Contractor shall furnish the County with Certificate(s) of Insurance which name the County as additional insured in an amount as required in the contract, contain a description of the project or work to be performed and provided for Commercial General Liability, Business Auto Liability, and Umbrella or Excess Liability (not on Workers Compensation). The Certificate of Insurance shall provide that there will be no cancellation, non-renewal or reduction of coverage without 30 days prior written notice to the Owner. In addition, such insurance shall be on an occurrence basis and shall remain in effect until such time as the County has made final acceptance of the services provided.
- **Indemnity Agreement:** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any act or failure to act, negligent or

otherwise, of Contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with Contractor or a subcontract for part of the services), of anyone directly or indirectly employed by Contractor or by any subcontractor, or of anyone for whose acts the Contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require Contractor to indemnify, hold harmless, or defend the County of Franklin from its own negligence.

Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.

- **Contract Terms and Conditions:**

The successful Offeror is prohibited from assigning, transferring, conveying, subletting, or otherwise disposing of this agreement or its rights, title or interest therein, or its power to execute such agreement to any other person, company or corporation without the prior consent and approval in writing by the County.

Offeror must clearly state in writing any restrictions or deviations from these specifications. In the absence of such statement, the County will assume that all items/services offered are in strict compliance with the technical and financial requirements, contract terms and conditions as described in these specifications. The proposal of the Contractor will be included as part of the final contract.
