Section 2. Project Description

The Project is defined generally as follows: **RFB#2017-107: Bells Ferry Road at Old Bascomb Court Traffic Signal Installation, Project No. 62103, Cherokee County,**

Section 3. The Work

The Work is specified and indicated in the Contract Documents (the “Work”). The Work previously described includes all material, labor, insurance, tools, equipment, and any other miscellaneous items necessary to complete the Work as described. Contractor shall complete the Work in strict accordance with the Contract Documents. The Work includes, but is not limited to, all work reasonably inferable from the Contract Documents. The term “reasonably inferable” takes into consideration the understanding of the parties that some details necessary for completion of the Work may not be shown on the drawings or included in the specifications, but they are a requirement of the Work if they are a usual and customary component of the Work or are otherwise necessary for complete installation and operation of the Work. Unless otherwise stated in the Contract Documents, the Work shall include Contractor’s provision of materials, labor, expenses, and any other cost or item necessary for completion of the Work. Contractor shall complete the Work in strict accordance with the Contract Documents. Unless otherwise approved, the Contractor shall perform its obligations under this Agreement as expeditiously as is consistent with reasonable skill and care and the orderly progress of the Work.

Section 4. Contract Time

- A. Contractor agrees to complete the Project within **90** calendar days from the date of Notice to Proceed (the “Completion Date”). Every effort will be made by Contractor to shorten this period. If the term of this Agreement is longer than one year, the Parties agree that this Agreement, as required by O.C.G.A. § 36-60-13, shall terminate absolutely and without further obligation on the part of the County on December 31 each calendar year of the term, and further, that this Agreement shall automatically renew on January 1 of each subsequent calendar year absent the County’s provision of written notice of non-renewal to Contractor at least five (5) days prior to the end of the then current calendar year. Title to any supplies, materials, equipment, or other personal property shall remain in Contractor until fully paid for by the County. Contractor warrants and represents that it will perform its services in a prompt and timely manner, which shall not impose delays on the progress of the Work.

- B. Liquidated Damages. The Owner and the Contractor recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the Work is not completed by the Completion Date, plus any extensions thereof allowed in accordance with this Agreement. The Owner and the Contractor also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by the Owner if the Work is not completed within the specified time. Accordingly, instead of requiring any such proof, the Owner and the Contractor agree that as liquidated damages for delay (but not as a penalty), the Contractor shall pay to the Owner **Three Hundred and 00/100 (\$300.00) Dollars** for each and every day that expires after the Completion Date, plus any extensions thereof allowed in accordance with this Agreement.

- C. Expediting Completion. The Contractor is accountable for completing the Work

within the time period provided in the Contract Documents, or as otherwise amended in accordance with this Agreement. If, in the judgment of the County, the Work is behind schedule and the rate of placement of work is inadequate to regain scheduled progress to insure timely completion of the entire Work or a separable portion thereof, the Contractor, when so informed by the County, shall immediately take action to increase the rate of work placement by:

- (1) An increase in working forces;
- (2) An increase in equipment or tools;
- (3) An increase in hours of work or number of shifts;
- (4) Expediting delivery of materials; and/or
- (5) Other action proposed if acceptable to County.

Within five (5) calendar days after such notice from County that the Work is behind schedule, the Contractor shall notify the County in writing of the specific measures taken and/or planned to increase the rate of progress. The Contractor shall include an estimate as to the date of scheduled progress recovery. Should the County deem the plan of action inadequate, the Contractor shall take additional steps to make adjustments as necessary to its plan of action until it meets with the County's approval.

Section 5. Contractor's Compensation; Time and Method of Payment

- A. The total amount paid under this Agreement as compensation for services performed and reimbursement for costs incurred shall be \$ _____, except as outlined in Section 6(C) below.
- B. County agrees to pay the Contractor for work performed and costs incurred by Contractor upon certification by the County that the work was actually performed and costs actually incurred in accordance with the Agreement. Compensation for work performed and reimbursement for costs incurred shall be paid to the Contractor upon receipt and approval by the County of invoices setting forth in detail the work performed and costs incurred. Invoices shall be submitted on a monthly basis, and such invoices shall reflect charges incurred versus charges budgeted. Each invoice shall be accompanied by an Interim Waiver and Release upon Payment (or a Waiver and Release upon Final Payment in the case of the invoice for final payment) procured by the Contractor from all subcontractors in accordance with O.C.G.A. § 44-14-366.
- C. The Contractor through each invoice (except for the final invoice) may request payment for no more than ninety percent (90%) of that portion of the Work completed during the term covered by each invoice as agreed upon by the County. The final invoice issued by the Contractor shall include all amounts retained by the County under this paragraph.
- D. Any material deviations in tests or inspections performed, times or locations required to complete such tests or inspections and like deviations from the Work

described in this Agreement shall be clearly communicated to the County *before charges are incurred* and shall be handled through change orders as described in Section 6 below. The County shall pay the Contractor within thirty (30) days after approval of the invoice by County staff. No payments will be made for unauthorized work. Upon the County's certification of Completion of the Project, an invoice should be submitted to **Geoffrey E. Morton, P.E. County Engineer**, for approval. Payment will be sent to the designated address by U. S. Mail only; payment will not be hand-delivered.

Section 6. Change Orders

- A. The County reserves the right to order changes in the Work to be performed under this Agreement by altering, adding to, or deducting from the Work. All such changes shall be incorporated in written change orders executed by the Contractor and the County. Such change orders shall specify the changes ordered and any necessary adjustment of compensation and completion time. If the Parties cannot reach an agreement on the terms for performing the changed work within a reasonable time to avoid delay or other unfavorable impacts as determined by the County in its sole discretion, the County shall have the right to determine reasonable terms and the Contractor shall proceed with the changed work. "Change order" means a written modification of the Contract Documents, signed by the County and the Contractor.
- B. Any work added to the scope of this Agreement by a change order shall be executed under all the applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized, unless contained in a written change order duly executed on behalf of the County and the Contractor.
- C. The County Manager has authority to execute without further action of the Cherokee County Board of Commissioners, any number of change orders so long as their total effect does not materially alter the terms of this Agreement or materially increase the total amount to be paid under this Agreement. Any such change orders materially altering the terms of this Agreement or increasing the total amount to be paid under this Agreement in excess of **\$10,000.00**, must be approved by resolution of the Cherokee County Board of Commissioners.

The Contractor agrees to use its best efforts, skill, judgment, and abilities to perform its obligations and to further the interests of County and the Project in accordance with County's requirements and procedures. Contractor must be on the Georgia Department of Transportation Prequalified Bidder List.

D. Budgetary Limitations

Contractor agrees and acknowledges that budgetary limitations are not a justification for breach of sound principals of Contractor's profession and industry. Contractor shall take no calculated risk in the performance of the Work. Specifically, Contractor agrees that, in the event it cannot perform the Work within the budgetary limitations established without disregarding sound principals of Contractor's profession and industry, Contractor will give written notice immediately to the County.

E. County's Reliance on the Work

The Contractor acknowledges and agrees that the County does not undertake to approve or pass upon matters of expertise of the Contractor and that, therefore, the County bears no responsibility for Contractor's Work performed under this Agreement. The Contractor acknowledges and agrees that the acceptance of designs, plans, and specifications by the County is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. The County will not, and need not, inquire into adequacy, fitness, suitability or correctness of Contractor's performance. Contractor further agrees that no approval of designs, plans, or specifications by any person, body or agency shall relieve Contractor of the responsibility for adequacy, fitness, suitability, and correctness of Contractor's Work under professional and industry standards, or for performing services under this Agreement in accordance with sound and accepted professional and industry principals. In the event that during the course of performing the Work, the Contractor discovers or reasonably should discover that there exists in any drawings, specifications, plans, sketches, instructions, information, requirements, procedures, and other data supplied to the Contractor (by the County or any other party) that is, in the Contractor's opinion, unsuitable, improper, or inaccurate for

As to any approved subcontractors, the Contractor shall be solely responsible for reimbursing them, and the County shall have no obligation to them.

I. Responsibility of Contractor and Indemnification of County

The Contractor covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. The Contractor shall bear all losses and damages directly or indirectly resulting to it on account of the performance or character of the Work rendered pursuant to this Agreement. Contractor shall defend, indemnify and hold harmless the County, its officers, boards, commissions, elected and appointed officials, employees, servants, volunteers, and agents (hereinafter referred to as the "County Parties") from and against any and all claims, injuries, suits, actions, judgments, damages, losses, costs, expenses and liability of any kind whatsoever, including but not limited to, attorney's fees and costs of defense, (hereinafter "Liabilities") which may be the result of willful, negligent or tortious conduct arising out of the Work, performance of contracted services, or operations by the Contractor, any subcontractor, anyone directly or indirectly employed by the Contractor or subcontractor or anyone for whose acts the Contractor or subcontractor may be liable, regardless of whether or not the negligent act is caused in part by a party indemnified hereunder. This indemnity obligation does not include Liabilities caused by or resulting from the sole negligence of the County or County Parties. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party

or person described in this provision. In any and all claims against the County or County Parties, by any employee of the Contractor, any subcontractor, anyone directly or indirectly employed by the Contractor or subcontractor or anyone for whose acts the Contractor or subcontractor may be liable, the indemnification obligation set forth in this provision shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. This obligation to indemnify, defend, and hold harmless the County and County Parties shall survive expiration or termination of this Agreement, provided that the claims are based upon or arise out of actions that occurred during the performance of this Agreement.

J. Independent Contractor

Contractor hereby covenants and declares that it is engaged in an independent business and agrees to perform the Work as an independent contractor and not as the agent or employee of the County. The Contractor agrees to be solely responsible for its own matters relating to the time and place the services are performed; the instrumentalities, tools, supplies and/or materials necessary to complete the Work; hiring of Contractors, agents or employees to complete the Work; and the payment of employees, including compliance with Social Security, withholding and all other regulations governing such matters. The Contractor agrees to be solely responsible for its own acts and those of its subordinates, employees, and subcontractors during the life of this Agreement. Any provisions of this Agreement that may appear to give the County the right to direct Contractor as to the details of the services to be performed by Contractor or to exercise a measure of control over such services will be deemed to mean that Contractor shall follow the directions of the County with regard to the results of such services only.

The Contractor shall obtain and maintain, at the Contractor's expense, all permits, licenses, or approvals that may be necessary for the performance of the services. Any and all copyrightable subject matter in all materials is hereby assigned to the County and the Contractor agrees to execute any additional documents that may be necessary to evidence such assignment.

T. Meetings

The Contractor is required to meet with the County's personnel, or designated representatives, to resolve technical or contractual problems that may occur during the term of the contract, at no additional cost to the County. Meetings will occur as problems arise and will be coordinated by the County. The Contractor will be given a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired. However, at the Contractor's option and expense, a conference call meeting may be substituted. Consistent failure to participate in problem resolution meetings, two consecutive missed or rescheduled meetings, or to make a good faith effort to resolve problems, may result in termination of the contract.

U. Nondiscrimination

In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, the Contractor agrees that, during performance of this Agreement, Contractor, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed, national origin, gender, age or disability. In addition, Contractor agrees to comply with all applicable implementing regulations and shall include the provisions of this Section 7(U) in every subcontract for services contemplated under this Agreement.

Section 8. Covenants of the County

A. Right of Entry

The County shall provide for right of entry for Contractor and all necessary equipment in order for Contractor to complete the Work.

B. County's Representative

_____ shall be authorized to act on the County's behalf with respect to the Work as the County's designated representative

Section 9. Warranty

Contractor shall repair or replace all defects in materials, equipment, or workmanship appearing within one year from the Date of Completion, at no additional cost to the County. Further, Contractor shall provide all maintenance services, including parts and labor, for one year from the Date of Completion at no additional cost to the County. An inspection shall be conducted by the County or its representative(s) near the completion of this one-year general warranty period to identify any issues that must be resolved by the Contractor. After the expiration of such warranty, County shall be responsible for repairing issues resulting from normal wear and tear and shall be responsible for general maintenance of the work; however, expiration of such warranty period shall not affect the Contractor's continued liability under an implied warranty of merchantability and fitness. County may purchase additional maintenance services from the Contractor upon a written proposal for such services being executed by authorized representatives of both Parties, and upon execution, such proposal for additional services shall be incorporated herein by this reference. All other warranties implied by law, including fitness for a particular purpose and suitability, are hereby preserved and shall apply in full force and effect beyond the one-year period.

Section 10. Termination

- A. The County may terminate this Agreement for convenience at any time upon written notice to Contractor. In the event of a termination for convenience, Contractor shall take immediate steps to terminate work as quickly and effectively as possible and shall terminate all commitments to third-parties unless otherwise instructed by the County. Provided that no damages are due to the County for Contractor's failure to perform in accordance with this Agreement, the County shall pay Contractor for work performed to date in accordance with Section 5 herein. The County shall have no further liability to Contractor for such termination.
- B. The County may terminate this Agreement for cause if Contractor breaches any material provision of this Agreement. The County shall give Contractor seven (7) days written notice of its intent to terminate the Agreement and the reasons therefore, and, if Contractor, or its Surety, fails to cure the default within that period, the termination shall take place without further notice. The County shall then make alternative arrangements for completion of the Project and deduct the cost of completion from the unpaid Contract Price. The County will make no payment to the Contractor or its Surety until all costs of completing the Project are paid. If the unpaid balance of the amount due the Contractor, according to this agreement, exceeds the cost of finishing the Project, the Contractor or its Surety will receive the applicable funds due. If the costs of completing the Project exceed the unpaid balance, the Contractor or its Surety will pay the difference to the County.
- C. If the County terminates this Agreement for cause, and it is later determined that the County did not have grounds to do so, the termination will be treated as a termination for convenience under the terms of Section 10(A) above.
- D. Upon termination, the Contractor shall: (1) promptly discontinue all services affected, unless the notice directs otherwise; and (2) promptly deliver to the County all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by the Contractor in performing this Agreement, whether completed or in process, in the form specified by the County.
- E. The rights and remedies of the County and the Contractor provided in this Section are in addition to any other rights and remedies provided under this Agreement or at law or in equity.

Section 11. Miscellaneous

- A. Complete Agreement. This Agreement constitutes the complete agreement between the Parties and supersedes any and all other agreements, either oral or in writing, between the Parties with respect to the subject matter of this Agreement.

No other agreement, statement or promise relating to the subject matter of this Agreement not contained in this Agreement shall be valid or binding.

- B. Governing Law. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the rules, regulations, statutes and laws of the State of Georgia will control. Any action or suit related to this Agreement shall be brought in the Superior Court of Cherokee County, Georgia.
- C. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.
- D. Invalidity of Provisions. Should any part of this Agreement for any reason be declared by any court of competent jurisdiction to be invalid, such decision shall not affect the validity of any remaining portion, which remaining portion shall continue in full force and effect as if this Agreement had been executed with the invalid portion hereof eliminated, it being the intention of the parties that they would have executed the remaining portion of this Agreement without including any such part, parts or portions which may for any reason be hereafter declared invalid.
- E. Notice.

(1) Communications Relating to Day-to-Day Activities.

All communications relating to the day-to-day activities of the Work shall be exchanged between _____ for the County and _____ for the Contractor.

(2) Official Notices.

- G. Force Majeure. Neither the County nor Contractor shall be liable for their respective non-negligent or non-willful failure to perform or shall be deemed in default with respect to the failure to perform (or cure a failure to perform) any of their respective duties or obligations under this Agreement or for any delay in such performance due to: (i) any cause beyond their respective reasonable control; (ii) any act of God; (iii) any change in applicable governmental rules or regulations rendering the performance of any portion of this Agreement legally impossible; (iv) earthquake, fire, explosion or flood; (v) strike or labor dispute, excluding strikes or labor disputes by employees and/or agents of Contractor; (vi) delay or failure to act by any governmental or military authority; or (vii) any war, hostility, embargo, sabotage, civil disturbance, riot, insurrection or invasion. - J. Waiver of Agreement. No failure by the County to enforce any right or power granted under this Agreement, or to insist upon strict compliance by Contractor with this Agreement, and no custom or practice of the County at variance with the terms and conditions of this Agreement shall constitute a general waiver of any future breach or default or affect the County's right to demand exact and strict compliance by Contractor with the terms and conditions of this Agreement.

- K. No Third Party Rights. This Agreement shall be exclusively for the benefit of the Parties and shall not provide any third parties with any remedy, claim, liability, reimbursement, cause of action or other right.
