

NEW PRESCHOOL CLASSROOM EQUIPMENT (RFP)**2 pages****Room 1- 70092415 & 70092416**

Qty 1) Compact kitchen that has all of the appliances built in. The natural warmth of wood blends nicely with the rest of our Carolina line of furniture. The kitchen features knobs that turn, doors that open, and raised burners. The sink is removable for quick and easy cleanup. Large enough for several children to play at one time. Fully assembled. 40"H x 48 1/2"W x 16"D with 23"H countertop. Dishes not included.

Qty 1) NATURAL ROUND MISSION TBLE W/2 CHRS

Mission style large table top is ideal for hosting tea parties, games, or art projects. Laminate top measures 28" diameter x 21"H. Chair seat is 12 1/2"H. Assembly required.

Qty 1) Chest of Drawers

Birch plywood dramatic play furniture. At 24" tall, this unit features three spacious drawers with handle cutouts for easy no-pinch opening and closing, plus built-in drawer stops. The compact footprint of this storage unit is ideal for organizing small spaces, with plenty of room to hold children's play clothes and costumes

- Small storage unit with 3 drawers
- 3 drawers offer ideal storage space for costumes and accessories
- Built from premium 15mm-width birch plywood, joined with sturdy wood-screws and dowels
- Features rounded, smooth-sanded corners and edges
- Easy-to-clean, UV protective finish helps prevent scratches and stains
- Section your space with ease: a finished back allows for room arrangement options in the classroom
- Limited Lifetime Warranty
- Ships fully assembled
- Measures 24"H x 24"W x 12"D

Qty 7) 5 Compartment storage unit, solid back

Child-safe birch plywood furniture. At 30" tall, this popular single-sided storage unit offers 5 spacious compartments, ideal for storing and organizing classroom essentials. The three upper compartments are square, with two wide rectangular storage spaces below. Perfect for organizing play areas, with a toe-kick panel that prevents small objects from being lost underneath.

Features:

- Single-sided 5 compartment storage unit
- 3 compartments up top and 2 wide ones below are ideal for storing small and large toys
- Built from premium 15mm-width birch plywood, joined with sturdy wood-screws and dowels
- Features rounded, smooth-sanded corners and edges
- Easy-to-clean, UV protective finish helps prevent scratches and stains
- Section your space with ease: an inset dry-erase-board back panel allows for room arrangement options in the classroom
- Limited Lifetime Warranty
- Ships fully assembled
- Measures 30"H x 48"W x 15"D

Cont... Room 1- 70092415 & 70092416**Qty 9) Maple Laminate 5 section locker**

Classic Maple construction offers the durability and practicality of child-safe furniture, while wood-tones create a rich and engaging classroom environment. At 46" tall, this 5-section locker unit is the perfect height for your students to keep all of their personal belongings stored safely. With a top and bottom compartment and two sturdy hooks in each locker, there is ample storage space for a child's coat, shoes or backpack. Encourage student independence through proper storage of personal items.

Features:

- 5-section student locker unit
- 5 locker compartments for student belongings, each with 2 coathooks plus a smaller cubby above and below
- Heavy-duty 3/4" FSC-certified core with natural maple laminate
- Metal to metal forged steel hardware with reinforced joint construction
- End panels finished with child-safe rounded T-molding
- Standard 15" depth
- Reinforced H-bracket center base supports
- Easy-to-clean maple laminate surfaces can withstand everyday wear, scratch and stain resistant
- Built to last, with a lifetime warranty
- Section your space with ease: a finished back panel allows for room arrangement options in the classroom
- Ships fully assembled
