1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for Knox County in Tennessee. KCDC's affordable housing property portfolio includes 20 sites with approximately 3,525 dwelling units. KCDC also oversees approximately 3958 Section 8 Vouchers, 82 Moderate Rehabilitation units and 20 Redevelopment areas. Several of the properties have transformed to the Project Based Rental Assistance program (PBRA) and KCDC is the management company for those sites. The properties for which KCDC is the management company include Five Points 1, LP; Lonsdale Homes, LP; Northridge Crossing, LP and The Vista at Summit Hill, LP.
- b. Montgomery Village, one of KCDC's properties, is converting from the traditional public housing management to HUD's Project Based Multi-Family Housing model. KCDC uses a HUD program called Rental Assistance Demonstration (RAD) to make this occur. RAD conversion, at some sites, requires renovations prior to the conversion. This solicitation's purpose is to select a supplier to accomplish the required renovations described herein.
- c. Therefore, KCDC is seeking sealed bids from qualified suppliers to perform renovation services at its Montgomery Village complex. The supplier shall furnish all supervision, labor, materials, tools, equipment, services and permits necessary to perform and complete the work within the project timeline.

2. **BONDS**

Bid, payment and performance bonds are required if the bid exceeds \$100,000 in value. Bonding requirements include:

- b. Performance and payment bonds for 100% of the contract price.
- c. All bonding companies must be listed in the Federal Register, Department of the Treasury Fiscal Service, Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies; Notice. Companies licensed to do business in the State of Tennessee must issue all required bonds.

3. **CHANGES AFTER AWARD**

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the supplier. Should additional costs arise, the supplier must document increased costs. KCDC reserves the right to accept or reject and negotiate these charges.

4. **CODES AND ORDINANCES**

All work covered is to be done in full accord with national, state and local codes and ordinances and orders that are in effect at the time the work is performed.

5. **CONTACT POLICY**

The supplier may not contact an officer, agent or employee of KCDC other than the KCDC's Procurement Division about matters pertaining to this solicitation, from the issuance of this solicitation until its award. Information obtained from an unauthorized officer, agent or employee of KCDC will not affect the risks or obligations assumed by the supplier or relieve the supplier from fulfilling any of the conditions of the project. Such contact can disqualify the supplier from participation in the solicitation process.

6. **CONTRACT APPROVAL**

The resulting contract is subject to KCDC's Board approval at the regular March meeting.

7. **CONTRACT DOCUMENTS**

KCDC has posted a prototype of its standard contract and rider that will be used to its webpage. Please review these documents before submitting a bid.

Further, to the greatest extent feasible, contracts in connection with these projects are to be awarded to local businesses. Section 3 is a tool for fostering local economic development, neighborhood economic improvement and individual self-sufficiency.

- a. Recipients and suppliers must make a good faith effort to utilize Section 3 area residents as trainees and employees in connection with the project. Targeted recruitment and the selection of Section 3 area residents for available positions are two examples of good faith efforts to meet this requirement.
- b. Recipients and suppliers must make a good faith effort to award contracts to Section 3 business concerns for work in connection with the project. An example of a good faith effort to meet this requirement is the implementation of an affirmative action plan, which includes targets for the number and dollar value for awarding contracts to Section 3 business concerns.
- c. Recipients and suppliers must keep records and submit reports to HUD documenting the good faith efforts taken and the results of these actions. Examples of such documentation include letters to community organizations, employment development and business development centers, copies of solicitations for bids or proposals; and copies of affirmative action plans.
- d. How can businesses find Section 3 residents to work for them? This can be accomplished by recruiting in the neighborhood and public housing developments to tell about available training and job opportunities. Distributing flyers, posting signs, placing ads and contacting resident organizations and local community development and employment agencies to find potential workers are a few effective ways of getting jobs and people together.
- e. All contracts awarded are subject to Section 3 requirements. Supplier shall seek to fill any and all positions that are needed and unfilled with residents of KCDC communities. For additional information, please go to <http://www.hud.gov/offices/fheo/section3/Section3.pdf>. The successful supplier will supply KCDC with job announcements for any position that must be filled as a result of the award of KCDC work. Additionally the successful supplier will supply the same job announcement to the Knoxville-Knox County Committee Action Committee's Workforce Connections group. These can be faxed to 544-5269.

- g. A Section 3 business is one that:

1. Is at least 51% owned by a Section 3 resident; or
2. Employs Section 3 residents for at least 30% of its employee base; or

2. A Section 3 Business plan for this work.

The failure or omission of the supplier to receive or examine the solicitation document or any part of the specifications, or to visit the site(s) and acquaint themselves as to the nature and location of the work, the general and local conditions and all matters which may in any way affect performance shall not relieve the supplier of any obligation to perform as specified herein. Supplier understands the intent and purpose hereof and its obligations hereunder and that it shall not make any claim for, or have any right to damages resulting from any misunderstanding or misinterpretation of the resulting agreement, or because of any lack of information.
- c. By submitting a response to this solicitation, each supplier is certifying that they have inspected the site and have read the solicitation and all appendices and addenda. The failure or omission of any supplier to receive or examine any form, instrument, or document shall in no way relieve the supplier from any obligation in respect to its bid.

 2. If the additional classification is for a subcontractor, the subcontractor writes a similar letter to the General Supplier who then sends a cover letter to KCDC officially requesting the classification.
