The County shall only consider any reduction or donation in determining the lowest responsible Bidder to the extent that the reduction or donation effects the stipulated sum Bid by a Bidder.
4. The "Terms and Conditions" set forth in the Bidding Documents will apply to the contract between the County and the successful Bidder. By submitting a Bid, a Bidder agrees to the Terms and Conditions. Any Bid that conflicts with the Terms and Conditions may be deemed an unresponsive Bid.

Should the Bidder suspect any error, omission, or discrepancy in the specifications or instructions, the Bidder shall immediately notify the County in writing, and the County will issue written corrections or clarifications. The Bidder is responsible for the contents of its Bid and for satisfying the requirements set forth in the ITB and Bidding Documents. It is the intent of the County to award the Bid to the lowest responsible bidder who has met all specifications, terms, and conditions of this ITB and all other Bidding Documents. The County reserves the right to issue its award on a per item basis or total low bid overall. The quality of the articles to be supplied, their conformity with specifications, their suitability to the requirements of the County, and delivery and discount terms will be taken into consideration in making the award(s).

Submission of a bid confers no rights on the bidder to selection or to a subsequent contract. This ITB process is for the County's benefit only, and it is intended to provide the County with competitive information to assist in selection of services. All decisions on compliance, evaluation, and responsiveness shall be made solely at the County's discretion. By submitting a Bid, Bidder acknowledges the County's decision is final, binding, and conclusive upon the Bidder for all purposes.

All bids submitted shall be considered firm offers and will be binding for ninety (90) calendar days following the due date for submittal of sealed bids, unless, upon the County's request, the Bidder agrees in writing to an extension.

The failure of a Bidder to promptly supply information requested in the Bidding Documents may result in the Bidder being eliminated from consideration.

The County reserves the right to reject any or all bids, to waive any or all irregularities, to waive or deviate from the procedures or timetable identified in the Bidding Documents, or to supplement, amend, or otherwise modify the Bidding Documents, without notice. The County may seek additional information or clarification from a bidder at any time and failure to respond promptly may be cause for rejection of the bid.

The County reserves the right to disqualify bids, before or after opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder. The Bidder's failure to agree to the Terms and Conditions included in the Bidding Documents or to otherwise meet the requirements of the Bidding Documents may result in the disqualification of the Bidder's bid from further consideration as an unresponsive bid.

**D. Execution of Contract:**

The accepted Bid shall be contracted by the County for the total stipulated sum set forth in the accepted Bid. The County will not be responsible for any additional charges above the accepted Bid unless additional services are negotiated and accepted by the County by written addendum to the original contract.

The contents of the Bid submitted by the successful Bidder and the Bidding Documents (including, but not limited to the Terms and Conditions set forth below in this ITB) will become a part of the contract awarded as a result of the Bid process.

Notwithstanding any delay in the preparation and execution of the contract, each Bidder shall be prepared, upon written notice of Bid acceptance, to commence work within ten (10) calendar days following receipt of official written order of the County to proceed, or on date stipulated in such order.

Should the County have a complaint regarding the performance of the services or the behavior of Bidder's officers, employees, contractors, subcontractors, and/or agents performing services under this Agreement, or should the County request a change in the manner in which services are being performed pursuant to this Agreement, the County shall transmit the same to the Bidder's on-site foreman and/or to any other member of Bidder's management, who shall take immediate action and shall promptly resolve the problem to the County's satisfaction. Bidder's failure to take immediate action and/or to resolve the problem to the County's satisfaction shall be considered a material breach of the Agreement.
7. Bidder understands, and agrees, that any person who takes into, or out of, or attempts to take into, or out of, a correctional facility, or the grounds belonging to or adjacent to the correctional facility, any item not specifically authorized by the correctional facility, such as contraband, shall be prosecuted. All persons, including employees and visitors, entering upon such premises are subject to routine searches of their persons, vehicles, property and/or packages. Pursuant to 55 ILCS 5/3-9005, no attorney may be assigned to represent the Releasees pursuant to this Section of the Agreement unless the attorney has been approved in writing by the Kendall County State's Attorney. Releasees' participation in its defense shall not remove Bidder's duty to indemnify, defend, and hold Releasees harmless, as set forth above. Releasees do not waive their defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) by reason of this indemnification provision. Indemnification shall survive the termination of this Agreement.

9. Bidder will obtain and continue in force, during the term of this Agreement, all insurance as set forth below
  - a. All coverage shall be placed with insurers authorized to conduct business in Illinois with a current A.M. Best's rating of no less than A:VII.     - ii. Umbrella/Excess Liability: Limits of liability equal to or greater than \$5,000,000 per occurrence and \$5,000,000 in aggregate.

The County and its, past, present, and future its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Bidder including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Bidder's insurance

Bidder agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not Releasees have received a waiver of subrogation endorsement from the insurer.
  - f. Self-insured retentions must be declared to and approved by the County. The County may require the Bidder to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the County.

  - h. Bidder shall furnish the County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to the County before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Bidder's obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
  - i. Subcontractors: Bidder shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Bidder shall ensure that the County is an additional insured on insurance required from subcontractors.
  - j. The County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
10. Neither party will be responsible to the other for damage, loss, injury, or interruption of work if the damage, loss, injury, or interruption of work is caused solely by conditions that are beyond the reasonable control of the parties, and without the intentional misconduct or negligence, of that party (hereinafter referred to as a "force majeure event"). To the extent not within the control of either party, such force majeure events may include: acts of God, acts of any governmental authorities, fire, explosions or other casualties, vandalism, riots or war. A party claiming a force majeure event ("the claiming party") shall promptly notify the other party in writing, describing the nature and estimated duration of the claiming

For purposes of this Paragraph, "reasonable period of time" will be dependent on the type of service being provided but, in any event, the reasonable period of time may be no less than one hour but no more than thirty (30) calendar days.
12. Notwithstanding any other provision of this Agreement, this Agreement may be terminated by the County upon written notice delivered to Bidder at least thirty (30) days prior to the effective date of termination.
