GENERAL:

We have had several questions about this RFP. Below are answers to those questions.

- What Video Monitoring software is currently being used: Milestone Xprotect Professional Plus.
- What Cameras are being used: Axis P1455-LE-3, Q1952-E (35MM), Q1798-LE, Q3819-PVE, P3265-LVE, P3727-PLE.
- Are we using existing NVR and using our monitoring software: Bidders can provide a response for both options if they want to and explain the benefits and price of each.
- Are there voice alerts in the system or is this new: We have some voice alerts set-up but don't have them active.
