

2122-008 Addendum #1 10/14/2021

1. Has any previous asbestos testing been performed? If so, can a copy of the report be published for bidders to view? [Contracting company will be responsible for having asbestos testing/ removal done. We have had the site tested, however the inspector never sent the report. We have been unable to receive the report from him.](#)
2. Is the pre bid/site visit scheduled for October 13th at 11am mandatory or optional?
[Optional](#)
3. Will a bid bond be required with the bid submission?[No.](#)
4. Is there a specific number of days or a set date you would like this to be completed by?
[We would like to have this completed before 2022..](#)
5. Has the project site been tested for asbestos and is clear? [See question one.](#)
6. If not, are you wanting any needed asbestos removal listed on our bid as a separate line item? [Yes, please add another line for the asbestos removal, please see the amended section below. Please include testing in the first line because that is mandatory.](#)
7. Can you clarify the areas you want mowed? Are you referring to just the clear areas in the photo? [Yes, just to clean the area](#)
