III. Background

Four cable operators presently operate franchised services in Knoxville and Knox County: Comcast, WOW!, AT&T, and Charter. Community Television is available on Comcast Channel 12, Charter Channel 193, WOW! Channel 6, and AT&T Channel 99.

The City receives franchise fees and public, education, and governmental (PEG) fees from these operators to provide access to citizens of televised programming relevant to the City. At present, there are two PEG access channels. One PEG channel is used by Community Television to broadcast government and non-profit organization meetings and promotions. The Knox County school system uses the other PEG channel to air school board meetings and other school related activities.

In addition to these services, Community Television maintains a website where citizens may select current videos and stream/play the video on-line either “live” or recorded. Recorded videos allow the citizen to select portions of the video to review.

The City of Knoxville provides funds to the PEG provider in an amount equivalent to 1% of the gross revenues derived from their franchise agreements with local cable providers; Knox County provides funds in an amount equivalent to 0.5%. These funds are paid on a quarterly basis

within 30 days of the City and County receiving their quarterly franchise fee payments from the local cable providers.

6.4 **Independent Contractor.** The relationship of contractor to the City will be that of independent contractor. The contractor will be solely and entirely responsible for its acts and for the acts of its agents, employees, servants and subcontractors done during the performance of the contract. The indemnification and hold harmless provisions of this Agreement shall survive termination of the Agreement.

6.7 Termination. The City may terminate this Agreement at any time, with or without cause, by written notice of termination to the Contractor.

If the City terminates this Agreement, and such termination is not a result of a default by the Contractor, the Contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the City, and the City shall have no further or other obligations to the Contractor: the amount due to the Contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the Contractor would have been entitled to receive if this Agreement had not been terminated.

The City may, by written notice of default to the Contractor, terminate the whole or any part of this Agreement if the Contractor fails to perform any provisions of this Agreement and does not cure such failure within a period of ten (10) days (or such longer period as the Purchasing Agent may authorize in writing) after receipt of said notice from the Purchasing Agent specifying such failure. If this Agreement is terminated in whole or in part for default, the City may procure, upon such terms and in such manner as the Purchasing Agent may deem appropriate, supplies or services similar to those terminated.

A policy will only be requested after the City's Risk Manager has reviewed

the contract and proof of coverage has been provided. Should the certificate of insurance refer to specific coverage wording or endorsements(s), proof of such policy wording or endorsement(s) will be required.

- Replace certificates, policies, and endorsements for any such insurance expiring prior to completion of services.

DIVERSITY BUSINESS ENTERPRISE (DBE) PROGRAM

The City of Knoxville strongly encourages prime contractors to employ diverse businesses in the fulfillment of contracts/projects for the City of Knoxville.

The City of Knoxville's Fiscal Year 2017 goal is to conduct 3.33% of its business with minority-owned businesses, 9.21% of its business with woman-owned businesses, and 45.5% with small businesses.

While the City cannot engage (pursuant to state law) in preferential bidding practices, the City does **strongly encourage** prime contractors to seek out and hire diverse businesses in order to help the City meet its goals as stated above. As such, the City encourages prime contractors to seek out and consider competitive sub-bids and quotations from diverse businesses.

For DBE tracking purposes, the City requests that prime contractors who are bidding, proposing, or submitting statements of qualifications record whether or not they plan to employ DBE's as sub-contractors or consultants.
