ADDENDUM #2

Date Issued: July 27, 2020

This addendum is being released to address the following:

1. Are these funds that have already been awarded or is the City in the process of applying?
If the funds have been applied for, can I get a copy of the application?
A. Not Been awarded
2. If the City has already applied for the funds, what is the status of the award agreement with DEO?
A. N/A
3. Is the City a sub-recipient of these funds from an award made to Bay County? Is so, what role will the County play in how the funds are administered?
A. Bay County as a whole has been awarded approx. \$350M. A local committee has been formed to rank submitted projects and award.
4. What is the award or anticipated award amount that the City will need to have administered?
A. The City of Callaway is currently developing potential projects. Estimate projects total approximately \$10M.
5. Is there an administrative allowance included in any applicable grant award agreement?
A. Five percent (5%) is the maximum that can be used to administer the entire CDBG-DR grant. The state plans to use the majority of the admin dollars so the City will most likely be responsible for some of admin costs.
6. Will the CDBG funds be used solely for housing rehabilitation including demolition/replacement and temporary relocation assistance or will there be any infrastructure work performed?
A. CDBG-DR funds will be used entirely for infrastructure. The City will not administer any housing funds.
