SPECIFICATIONS FOR 1 TON REGULAR CAB DUALY PICKUP TRUCK WITH STEEL FLAT RACK-4x4 INCLUDING PLOW

GENERAL SPECIFICATIONS

The following specifications are intended to serve as general guidelines to obtain bids on comparable equipment. It shall be the responsibility of the supplier to fully comply with these minimum specifications. The Bid information shall itemize in detail all standard and accessory equipment. The equipment shall be new and of the latest type and model, shall be equal to or exceed the following specifications, and shall conform to all safety and OSHA regulations. All parts not specifically mentioned which are necessary to provide a complete operating piece of equipment shall be included in the bid and shall conform in strength, quality of material, and workmanship to what is usually provided the trade in general.

The supplier shall describe in detail those areas where the equipment does not comply with these specifications. Any alternate equipment or material deviating from these specifications shall also be described in detail. Failure to do so may disqualify the bid.

The City will not necessarily purchase the lowest priced equipment. The decision to purchase will be based on price, performance, and maintenance history, availability of parts and service, equipment warranty, evaluation of quality, past operating experience and delivery date.

The City of Antigo reserves the right to reject any and all bids and to determine the choice of equipment in the best interests of the City after considering those criteria mentioned in the preceding paragraph.

INTENT

It is the intent of this specification to describe a 1 Ton Regular Cab Dually Pickup Truck with Steel Flat Rack – 4x4 including plow that could be utilized daily by a municipal government. This unit shall be of the manufacturer's latest model except as modified herein. This equipment shall be furnished and delivered new, complete and ready to use. All parts not specifically mentioned but which are necessary for the complete unit shall be supplied and installed by the vendor, even though such work or materials are not specifically outlined and shall conform in strength, quality and/or material and workmanship to be the best practice known to the industry.

TYPE OF SERVICE

The City of Antigo will use this 1 Ton Regular Cab Dually Pickup Truck with Steel Flat Rack – 4x4 including plow in the day to day operations of Street Department.

WARRANTY AND RECALLS:

Warranty work or recalls must be fully explained to Shop Mechanic at delivery. Warranty work or recall needing to be performed on site or shall be picked up by successful bidder at the City of Antigo Street Department, and returned to the City of Antigo Street Department by successful bidder when work is complete, at bidders cost or done in our facility.

DEVIATIONS TO SPECIFICATIONS:

If you have any deviation from the specifications listed, include them on the attached Bid Proposal. Failure to fill out these columns may result in a rejection of your bid.
