GENERAL SPECIFICATIONS

The following specifications are intended to serve as general guidelines to obtain bids on comparable equipment. It is the intent of these specifications to describe a unit that we feel best meets our requirements. These specifications are to be considered minimum specifications unless stated otherwise. The machinery will include all necessary equipment and shall be furnished and delivered complete and ready for immediate use. The bid information shall itemize in detail all standard and accessory equipment. The equipment shall be equal to or exceed the following specifications, and shall conform to all safety and OSHA regulations. All parts not specifically mentioned which are necessary to provide a complete operating piece of equipment shall be included in the bid and shall conform in strength, quality of material, and workmanship to what is usually provided by the manufacturer and generally accepted by industry.

The supplier shall describe in detail those areas where their equipment does not comply with these specifications. Any alternate equipment or material deviating from the specifications must be noted with the bid proposal. Deviations may or may not be considered informalities in bidding. Deviations that may or may not be accepted by the City shall also be described in detail. Failure to do so may result in disqualification of the bid.

The term "standard" is defined as that equipment listed or shown as standard equipment at no extra cost in the manufacturer's current publications.

The City of Antigo reserves the sole discretion in determining the best and most qualified bid. The decision to purchase will be based on price, performance, maintenance history, availability of parts and service, equipment warranty (if any), evaluation of quality, past operating experience and delivery date.

The City of Antigo reserves the right to reject any and all bids, and determine the choice of equipment in the best interests of the City after considering those criteria mentioned in the preceding paragraph.

WARRANTY & RECALLS

Warranty work or recalls must be fully explained to shop mechanic at delivery. If warranty work or recall work needs to be performed on unit successful bidder shall pick-up unit at City of Antigo Park Shop, and return to the City of Antigo Park Shop when work is complete, at bidders cost, or complete work in our facility.

Should bidder fail to make delivery as specified on the proposal sheet, there shall be deducted from his contract payment, the sum of one hundred dollars (\$100.00) per day for each calendar day that the deliveries are late. This sum shall be considered as fixed, agreed, and liquidated damages due the City of Antigo from the bidder, by reason of inconvenience to the public and City of Antigo. In case of a strike, of which the dealer has no control, the City will waive this liquidation damage for only the actual number of strike days. This shall in no way operate as a waiver on the City of Antigo of any rights under the contract.

INTENT

It is the intent of these specifications to describe a unit, which will consist of the manufacturer's new model. The mower will include all necessary equipment and shall be furnished and delivered new, complete and ready for immediate use. All parts not specifically mentioned but which are necessary for the complete unit shall be supplied and installed by the vendor even though such work or materials are not specifically outlined and shall conform in strength, quality of material and workmanship to the best practice known to the industry.
