ADVERTISEMENT FOR COMPETITIVE SEALED BID

Clayton County Water Authority
1600 Battle Creek Road
Morrow, Georgia 30260

Name of Project: **Shoal Creek WRF UV Replacement.**

Separate sealed Bids for the construction of the **Shoal Creek WRF UV Replacement** project will be received by the Clayton County Water Authority (CCWA) at 1600 Battle Creek Road, Morrow, Georgia 30260 until 2:00 p.m. local time, the **16th day of April 2021**, and then at said office opened and read aloud. Any bids received after the specified time will not be considered.

A non-mandatory pre-bid conference for the Project will be held on **Friday, April 2, 2021** at 2:00 p.m. local time to discuss the Project. Attendance at the pre-bid conference is encouraged but not required.

Due to the ongoing concerns with the COVID-19 pandemic, the CCWA has decided to host the bid opening and the pre-bid conference as conference call meetings.

To join the **pre-bid conference call**, use the below Microsoft Teams link or call-in number:

Conference ID: 707 780 442#

Bidders are required to visit the Site and conduct a thorough visual examination of the Site and adjacent areas. Each Bidder shall schedule a Site visit on either Tuesday, April 6, or Wednesday, April 7, 2021 from 9:00 a.m. to 12:00 p.m. local time each day at Shoal Creek Water Reclamation Facility (WRF), 301 Hampton Road, Hampton, GA 30228. Bidder shall schedule the Site visit at

least 24 hours in advance by contacting Tammy Hill at (770) 330-2946. Bids will not be accepted from Bidders who do not attend the Site visit. It is each Bidder's responsibility to sign in at the Site visit to verify its participation. Bidders must sign in using the name of the organization that will be submitting a Bid. During the visit, the Bidder must not disturb any ongoing operations at the Site.

As part of the effort to maintain the health and safety of CCWA personnel – as well as visitors – CCWA has put in place the following procedures, practices and protocols:

- A: Each visitor shall complete the COVID-19 Health Assessment via DOCS Health Works. Download the DOCS Health Works app based on your device by going to the Apple Store or Google Play and download DOCS HealthWorks app. DOCS Health Works is also available by internet at <https://secure.dentrustocs.com/docs/covidscreening/weblogin>.
- B: Once the DOCS Health Works app is installed, click the icon to open the program. Complete the fields as follows:
 - a. ID is VISITOR
 - b. Location Code is GTW3
 - c. Click Next. Enter your personal email and telephone number
 - d. Create a 4-digit pin. Click Submit
 - e. You are now registered in the system
- C: Complete the COVID-19 health assessment on the app or website. If everything is within normal parameters, you will receive a QR code for identification at the CapScann kiosk (this QR code is good for 24 hours).
- D: When you arrive to the facility, present the QR code to the CapScann device for identification.
- E: The CapScann device will then instruct you to place your wrist in the device opening, aligning it with infrared light crosshairs for a precise temperature reading. Once the CapScann device provides the green light indicating normal temperature, you are authorized to enter the facility.
- F: Visitor(s) shall provide, wear, and use their own Personal Protective Equipment (PPE - face mask/covering, gloves, disinfectant) while in public areas for the duration of the Site visit. The entire property of the Shoal Creek WRF is considered a 'public area'.
- G: Visitor(s) shall practice physical (social) distancing while at the Facility by providing others a personal space of at least six (6) feet during the visit.
- H: Visitor(s) will not have access to the Administration Building and public rest rooms.

The Project includes, but is not limited to, the following upgrades:

- A: Demolish existing ultraviolet (UV) disinfection equipment.
- B: Modify existing UV effluent weir, channel, and channel covers.
- C: Provide structural, electrical and instrumentation and control modifications as required for new UV disinfection equipment.
- D: Receive, properly store, install, test, and startup ultraviolet (UV) disinfection equipment. The new UV disinfection equipment will be furnished by the Owner.
- E: Construct concrete vault for new magnetic flow meter. Provide structural, electrical and instrumentation and control improvements as required for new vault and flow meter.
- F: Provide temporary diversion pumps, piping, valves and instrumentation as required to maintain continuous operation of the treatment plant during construction.

The Bidding Documents, consisting of Advertisement for Competitive Sealed Bid, Instructions to Bidders, Bid Form, Bid Bond, Construction Contract, Performance Bond, Payment Bond, General and Supplementary Conditions, Specifications, Drawings, and Addenda may be examined at the main offices of the Owner at 1600 Battle Creek Road, Morrow, Georgia.

Copies of Bidding Documents are available at <https://www.questcdn.com> upon payment of \$15.00, nonrefundable, for download and printing access. All Bidders are required to purchase a set of the Bidding Documents. All payments will be made online to QuestCDN. No partial sets will be sold. Bidders will be required to set up a QuestCDN account to access Bidding Documents including Addenda. Bidding Documents can be searched for in the Quest CDN project search bar under Project Number (eBidDoc#) **7533277**. Contact QuestCDN at 952.233.1632 or info@questcdn.com for assistance with navigating the website and digital project information. Hard copies of Bidding Documents are the responsibility of the Bidders.

By purchasing the Bidding Documents, purchaser agrees to allow company information (company name, address, phone and email) to be published as a “planholder”. The Owner is not obligated to consider a Bidder's proposal if Bidder is not on record with QuestCDN as having received a complete set of Bidding Documents from QuestCDN.

A list of planholders may be obtained by contacting Tammy Hill at thill@hazenandsawyer.com.

Each Bid must be submitted on the prescribed Bid Form and accompanied by Bid Security as prescribed in the Instructions to Bidders, payable to the Owner in an amount not less than 5 percent of the Bid Amount, and a letter from a surety company stating they are licensed to conduct business in the State of Georgia. Failure to supply the bond or to sign the proposal will be grounds for rejection.

In order to perform public work, the Bidder and its subcontractors, prior to award of Contract, shall hold or obtain such licenses as required by state statutes, and federal and local laws and regulations. All firms must be licensed in Georgia and have a registered agent in Georgia.

All questions related to the Project shall be submitted by email no later than 2:00 p.m., local time, on **Thursday, April 8, 2021** to Tammy Hill at thill@hazenandsawyer.com. Questions, if answered, will be addressed by Addenda to the Contract Documents via the Q&A tab on the QuestCDN website for the project. Receipt of any Addenda or amendment to this Advertisement for Bids shall be acknowledged, in writing, and shall be submitted with the Bid.

Owner shall make an award, if an award is made, to the lowest responsible and responsive Bidder.

The successful Bidder will be required to furnish the additional Bonds prescribed in the Contract Documents.

Owner's right is reserved to reject all Bids or any Bid not conforming to the intent and purpose of the Bidding Documents.

Dated this 17th day of March 2021.

Clayton County Water Authority

Mr. Robin Malone, Chair
