### Scope

The Indian River County (IRC) Solid Waste Disposal District (SWDD) has entered into an Interlocal Agreement with St. Lucie County Board of County Commissioners effective November 19, 2019. The Agreement is valid through an initial five (5) year term through September 30, 2025 with an automatic renewal for an additional 5-year term unless terminated by either party one year prior to the end of the first term.

The Agreement is for the processing of Recyclables, which include Old Corrugated Cardboard, Single Stream Recyclables and separated Film. The Agreement does allow for St. Lucie County to reject certain qualified loads, which would require back hauling to the Indian River County.

SWDD is issuing this bid to request a qualified licensed and insured bidder to provide transportation of recyclables from the Indian River County Materials Recovery Facility (MRF) located at 1325 74<sup>th</sup> Ave SW, Vero Beach, FL 32968 to the St. Lucie County Recycling Facility located at 6120 Glades Cut-Off Road, Ft. Pierce, FL 34981. The bidders are required to back haul, if necessary, any material rejected by St. Lucie County and to also transport rejected material from the IRC MRF to the IRC Landfill (same address).

The bidders are required to provide transportation vehicles as necessary from 7 am to 5 pm Monday through Friday and on Saturdays following certain holidays. The loading of the Recyclables at the IRC MRF will be provided by a third-party vendor contracted by SWDD. The bidders will weigh-in empty and weigh-out full at the IRC Scalehouse and vice versa at the St. Lucie County Recycling Facility.

Invoices will be based on tonnages from the IRC MRF. The successful bidder, once each month, shall submit an invoice to SWDD no later than the 10th day of each month for the previous month's tonnage. All payments for services shall be made to the successful bidder by SWDD in accordance with the Local Government Prompt Payment Act, as may be amended from time to time (Section 218.70, Florida Statutes, et seq.).

The term will begin October 1, 2022, through initial term of September 30, 2025. The term will be renewed annually by the Purchasing Manager on one-year terms through September 30, 2030.

The following table shows the quantities (tons) of recyclable materials for the past four years:

Materials	FY 17/18	FY 18/19	FY 19/20	FY 20/21	Total	Average
Old Corrugated Cardboard	2,130	898	521	968	4,517	1,129
Single Stream Recyclables	17,302	15,614	16,176	19,815	68,907	17,227
<b>Total</b>	<b>19,432</b>	<b>16,512</b>	<b>16,697</b>	<b>20,783</b>	<b>73,424</b>	<b>18,356</b>

Quantities provided on the bid form are estimated only, and no guaranteed minimum is promised.

Our contractor uses a wheeled loader to load single stream recyclables and corrugated cardboard via a ramp onto 100 cubic yard trailers.

Indian River County is one of several counties in the State of Florida that is participating in the Wrap Recycling Action Program (WRAP) supported by the Florida Department of Environmental Protection (FDEP). The

initiative aims to build greater public awareness and participation in plastic film packaging recycling at grocery stores and other retail locations, as well as reduce the amount of film packaging inappropriately placed in curbside recycling bins. Indian River County has setup WRAP collection at six (6) public locations and 30 private locations (not including grocery/department stores) that contribute to the Separated Film collected at our facility. For more information about the program, please visit <https://floridadep.gov/waste/waste-reduction/content/wrap-retail-plastic-film-takeback-partnership>. The separated Film is being bid on a per load basis and the assumption is that one load per month will be required to be transported. Please price accordingly based on using a 100 cubic yard transport trailer.
