General Information for Vendors

1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for the County of Knox in Tennessee. KCDC's public housing property portfolio includes seventeen housing properties with approximately 3,500 dwelling units. KCDC also administers approximately 3,700 vouchers through our Section 8 department and has three tax credit properties.
- b. This is a request for quotes-not sealed bids. KCDC could simply contact three vendors, obtain bids and move forward but KCDC has chosen to solicit written quotes from all interested parties. However, this is not a formal sealed bid and the normal formal sealed bidding requirements do not apply to this solicitation.
- c. One of KCDC's properties, Nature's Cove, located at 2639 Bakertown Road, in Knoxville, Tennessee needs approximately 47 porches repaired or replaced and 85 sets of steps replaced at the ten buildings within the complex. The vendor shall:
- d. Remove all existing composite (Trex) decking, steps and handrails.
- e. Furnish all equipment, labor and materials necessary to replace the existing porch decking, handrails and steps with pressure treated marine grade (or "premium") wood decking 5/4" x 6" and 2"x 2" pressure treated rail pickets on 4" centers.
- f. Use the existing 2" x 6" framing unless it is damaged. The vendor will replace damaged framing with new materials that are #2 lumber or better.
- g. Secure all framing to the walls with no less than coated 4" bolts. Secure all corner 4" x 4"'s inside the frame with 3" lag bolts. All bolts are to be "per the manufacturer's specification."
- h. Secure all step handrails with coated 3" lag bolts "per the manufacturer's specification."
- i. Secure all decking with coated 3" decking screws ("per the manufacturer's specification") with 1/8" gap between all decking.
- j. Caulk the framing secured to building to the top of the brick before decking installation. Vendors will use "35 year Dap 18130 Acrylic Latex Caulk with Silicone" or equal.
- k. Paint and seal all decking, framing, handrails, steps, and rail pickets per the manufacturer's recommendations. The Nature's Cove Senior Asset Manager will determine the paint color. The vendor will use Sherwin Williams DB0022004 - DECK/SIDING ST (Semi-Transparent) or equal. The vendor will apply two coats of the paint. The wood must be kiln dried or in a condition so that the wood is ready to accept stain.

- l. Install approved skid strips on the new steps. The vendor will use 3M Safety-Walk Slip-Resistant Conformable Tapes and Treads 510 or equal. The vendor will install the skid strips per the manufacturer's specification

2. **CODES AND ORDINANCES**

All work covered by the award is to be done in full accord with national, state and local codes, ordinances, and orders that are in effect at the time the work is performed. The successful vendor will adhere to all requirements of the local building department and fire jurisdiction.

3. **EVALUTION:**

KCDC will arrive at the “lowest and best” solution for the final award. Lowest and best will include an examination of the vendor’s proposed cost, history, experience and staffing. KCDC may or may not entail simply awarding to the vendor quoting the lowest cost.

- a. All responses are subject to a determination of “responsive” and “responsible” prior to award. KCDC is the sole judge as to “responsiveness” and “responsibility” of vendors.
- b. KCDC reserves the right to request additional information from vendors to assist in the evaluation process.

4. **GENERAL INSTRUCTIONS**

KCDC no longer inserts “General Instructions to Vendors” in the solicitation document. These instructions are at www.kcdc.org. Click on “Doing Business With KCDC” where you will find a link to the instructions. By submitting a response to this solicitation, the vendor accepts the responsibility for downloading, reading and abiding by the terms and conditions set forth in KCDC’s “General Instructions to Vendors.” The vendor may wish to review certain applicable HUD instructions which can also be found on KCDC’s web site.

5. **IDENTIFICATION**

The vendor’s employees shall have proper identification displayed, at all times, while on KCDC property. All employees must wear a company uniform or have picture identification badges or other company identification at all times. Vendor vehicles are to have placards (on the doors or in the windshield) that identify the company name.

6. **INSURANCE**

Upon award, Certificates of Insurance must be provided to KCDC indicating that the vendor carries at least the following minimum levels of insurance. All insurance must be underwritten by insurers with an A.M. Best rating of A-: VI or better.

- a. ***Commercial General Liability Insurance:*** occurrence version commercial general liability insurance with a limit of not less than \$1,000,000 each occurrence for bodily injury, personal injury, property damage, and products and completed operations. If such insurance contains a general aggregate limit, it shall apply separately to the work/location in this award or be no less than \$2,000,000. The Additional Insured shall read “Knoxville’s Community Development Corporation (KCDC)”.
- b. ***Automobile Liability Insurance:*** including vehicles owned, hired, and non-owned, with a combined single limit of not less than \$1,000,000 each occurrence. Such insurance shall include coverage for loading and unloading hazards.

- c. ***Workers' Compensation Insurance and Employers Liability Insurance:*** with statutory limits as required by the State of Tennessee or other applicable laws.
- d. **Right to Revise or Reject** KCDC reserves the right, but not the obligation, to review or revise any insurance requirement, not limited to limits, coverages and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work / specifications affecting the applicability of coverage.

7. **INVOICING/ORDERING**

- a. Until a purchase order is in place, work is not to be performed nor are goods to be delivered. As purchase orders authorize work and obligate payment, if a vendor performs work without a purchase order in place, KCDC does not have a legal obligation to pay for the work.
- b. Depending upon the nature and volume of the award, vendors may:
 - 1. Bill once per month or to bill each individual job.
 - 2. Provide a monthly statement that recaps all charges for the month.
 - 3. Transmit invoices to the site manager or ordering official or to send them to Accounts Payable.
 - 4. Leave an invoice at the work site, mail them, email them or fax them.
- c. Invoices must:
 - 1. Be numbered
 - 2. Have a date on them that is after the work is completed or goods delivered
 - 3. Show the purchase order number.
 - 4. Breakdown pricing according to the bid structure. For instance, if the award is priced by the hour, then the invoice needs to show the hours and rates. This is important so that KCDC can quickly compare the rates charged with the approved rates.
 - 5. Be suitable for scanning since KCDC does not maintain paper records.
- d. Vendors are required to submit invoices within 90 days following the delivery of the goods/services to KCDC. KCDC reserves the right to not pay invoices submitted after the 90-day threshold.

e. KCDC is exempt from all taxes levied by the State of Tennessee, its cities and counties, as well as most federally imposed taxes. However if vendors purchase goods for KCDC, the vendor must pay sales or “use tax.” Upon the placement of a purchase order or the award of a contract, KCDC will provide a State of Tennessee Sales Tax Exemption form to the vendor. KCDC will not pay taxes shown on invoices.

f. KCDC normally pays by electronic transfer (ACH) only. Checks are not issued.

8. **LICENSING**

In addition to any City or County licenses that may be required, all vendors must be licensed contractors as required by the “Contractor’s Licensing Act of 1994” as mandated by the State of Tennessee. The vendor must have the necessary licensing classifications as required by the Rules of the Tennessee Board for Licensing General Contractors. An envelope coversheet is provided at the end of this document for your convenience in providing this information.

The State of Tennessee Contractor Licensing Board has told KCDC that one of the following licenses is required for this work. However, KCDC will abide by any opinions or rulings that the State Contractor Licensing Board issues irrespective of this initial ruling. Any subsequent ruling by the State Licensing Board automatically revises these specifications irrespective of the timing of the change.

- BC
- BC-B (Commercial)
- BC-b (sm)
- BC-2 (Carpentry, Framing, Millwork)

9. **PERMITS**

The vendor shall obtain and pay for all permits required to complete required work. 10. **QUESTIONS**

Submit questions pertaining to this document via email with “Questions about Porches” in the subject line, at least five days prior to the due date to purchasing@KCDC.org.

11. **SECTION 3 OF THE HUD ACT OF 1968**

Section 3 is a provision of the Housing and Urban Development Act of 1968, which requires that programs of direct financial assistance administered by the U.S. Department of Housing and Urban Development (HUD) provide, to the greatest extent feasible, opportunities for job training and employment to lower income residents in connection with projects in their neighborhoods.

a. Vendors must make a good faith effort to utilize Section 3 area residents as trainees and employees in connection with the project. Targeted recruitment and the selection of Section 3 area residents for available positions are two examples of efforts to meet this requirement.

- b. A Section 3 resident is one who lives within a public housing authority's site. It is also people who live in an area with a HUD assisted program and whose income is below HUD's low income requirements.
- c. A Section 3 business is one that:
 1. Is at least 51% owned by a Section 3 resident; or
 2. Employs Section 3 residents for at least 30% of its employee base; or
 3. Subcontracts at least 25% of the project's dollars to a Section 3 business.
- d. The successful vendor will submit a Section 3 plan to KCDC upon award. KCDC supplies the form.

12. **WAGE COMPLIANCE**

- a. Federal Davis Bacon Wage Requirements apply to this work. This means that the successful vendor:
 - Will submit certified payrolls that show compliance with the Davis Bacon requirements detailed herein. Failure to do so will be sufficient cause for withholding payment and/or termination of the contract.
 - Must pay its employees at least weekly pursuant to the Davis Bacon determination listed herein.
 - Will display Wage Posters, in a "prominent spot" at the job site. These are available at <http://www.kcdc.org/Pages/Purchasing/Purchasing.aspx>.
 - Will arrange for KCDC's personnel (contact Bob Justice at 755-6018) to conduct on the site interviews of the vendor's employees to ascertain that Davis Bacon provisions are being followed. KCDC will use HUD forms and record the information.

2. If the additional classification is for a subcontractor, the subcontractor writes a similar letter to the General Contractor who then sends a cover letter to KCDC officially requesting the classification.
3. KCDC will review the request and forward it to HUD and officially request it or KCDC will suggest that the vendor revise the request.
4. HUD will review the request and approve it (or decline it) and send it to the Department of Labor for final approval.
5. The Department of Labor will either approve the request or recommend a different minimum rate.
6. HUD will notify KCDC of the decision.
7. Should either HUD or the Department of Labor require a higher minimum rate, KCDC will notify the vendor. The higher minimum rate, if any, must be paid for work completed (back wages) and for all future work under this project.

e. These requirements apply to all subcontractors that used by the successful vendor.

- f. Davis Bacon rates are locked in at the bid opening provided that a contract is awarded within 90 days. If a contract is not awarded within 90 days after the bid opening and if a new decision is released, it will apply. Modifications released 10 days or less before a bid opening are not applicable as there is not time to incorporate the changes in the bid. In all cases however, KCDC is required to adhere to Davis Bacon standards as the Department of Labor determines - irrespective of any announcements KCDC may have made.
13. **WORK HOURS**
KCDC's normal work acceptable work hours are Monday through Friday from 7:30 a.m. until 4:00 p.m. Additional hours may be available at some sites. The successful vendor will address this with the site manager as necessary.
