

Randolph County, NC (Owner)
Town Of Franklinville, NC (Utility)
OGLES CREEK PUMP STATION AND FORCE MAIN REPLACEMENT

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of the **Ogles Creek Pump Station and Force Main Replacement** will be received at the **Randolph County Office Building, 1st Floor; Meeting Room A; Attn: Lisa Garner, Purchasing Officer, 725 McDowell Road, Asheboro, NC 27205, until 2:00 PM, October 22, 2024**, at which time the Bids received will be publicly opened and read aloud.

The award of a contract under this solicitation will be paid with federal funding. Funding is contingent upon compliance with all terms and conditions of funding award. All Proposers and subcontractors used by Proposers shall comply with all applicable federal laws, state laws, state standards, local ordinances, regulations, executive orders, and the terms and conditions of the funding award.

The County encourages participation by small, minority, disabled, and woman-owned businesses.

The County is requiring the use of a (2) envelope system for all bids. The first envelope should include the **“Bid Guarantee”** (copy of the bid bond), marked as such, and attached to the sealed envelope containing the bidder’s proposal. The second bid envelope should be sealed, marked as **“Bid Proposal”** with the following information listed on the outside of the envelope:

1. Bidder’s name and address
2. North Carolina contractor’s license number
3. Name of Project

Randolph County reserves the right to reject any or all quotes or accept any presented which meet or exceed these specifications and which would be in the best interest of the County and reserves the right to allow or disallow minor deviations or technicalities should the County deem it to be to the best interest of the County. Randolph County shall be the sole judge of what is to be considered a minor deviation or technicality.

The Project includes the installation of approximately 1,050 linear feet of 8” DIP force main and 240 linear feet of 8” PVC Gravity Sewer; the construction of a new sewer lift station, the demolition of an existing sewer lift station, and the decommissioning/abandonment of an existing 4” force main. The proposed force main route will run under the Deep River starting at the end of Ogles Creek Street in vicinity to Highway 64 in Franklinville, then turning west and running along an existing gravel trail before connecting to an existing Wastewater Treatment Plant owned and operated by the Town of Franklinville. The proposed gravity sewer will connect the existing gravity sewer infrastructure to the new sewer lift station.

The Issuing Office for the Bidding Documents is: **LKC Engineering, PLLC, located at 140 Aqua Shed Court, Aberdeen, NC 28315, 910-420-1437**. Prospective Bidders may obtain copies of the Bidding Documents from the Issuing Office as described below.

Bidding Documents also may be examined at **Carolinas AGC (plans available at www.cagc.org on IBuild), FW Dodge/McGraw Hill Dodge, Minority Economic Development Center: Charlotte, Hispanic Contractors Association of the Carolinas: Charlotte**; on Mondays through Fridays between the hours of **9:00 am and 3:30 pm**; and the office of the Engineer, **LKC Engineering, PLLC, located at 140 Aqua Shed Court, Aberdeen NC 28315**, on Mondays through Fridays between the hours of **9:00 am and 3:30 pm**.

Bidding Documents may be obtained from the Issuing Office during the hours indicated above. Bidding Documents are available on compact disc (as portable document format (PDF) files) for a non-

refundable charge of **\$150.00**, including shipping. Alternatively, printed Bidding Documents may be obtained from the Issuing Office either via in-person pick-up or via mail, upon Issuing Office's receipt of payment for the Bidding Documents. The non-refundable cost of printed Bidding Documents is **\$150.00** per set, which includes shipping, payable to LKC Engineering. Upon Issuing Office's receipt of payment, printed Bidding Documents will be sent to the Bidder. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the prospective Bidder's date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

Bid security shall be furnished in accordance with the Instructions to Bidders.
