Addendum # 2 Nordhoff F-Wing Landscaping Project 2020-1723

April 13, 2020

1. Can you tell me what the logo is? Engraved pavers? Precast? Shall I assume it will install flush with the surrounding pavers?
The logo will arrive embossed on pavers. The pavers are set flush with the rest of the installation. It will look like a jigsaw puzzle of paver pieces that will have a placement guide for proper installation. Link to <https://www.paverart.com/about>
2. Some of the documents say 'roofing' is this an oversight?
Yes. It is probably left over from the template we used. 2020-1723 is the correct job number.
