

**REQUEST FOR BIDS 1805-0063  
WATER QUALITY TREATMENT DEVICE  
CITY OF GOODLETTSVILLE, TN**

The City of Goodlettsville (City) is requesting bids (RFB) from qualified Suppliers for a Water Quality Treatment Device with a treatment flow rate of 2.5 cfs for their Public Works facility. The device must capture floatable trash and free oil, remove 80% of the total suspended solids for the specified flow rate. The device will be installed in-line and must therefore have an internal bypass system.

Bids shall be submitted in a plain sealed envelope marked on the outside with the words "Bid for Water Quality Treatment Device" and the name and address of the Supplier. Proposals shall be delivered to the address below no later than 02:30 p.m. local time on Thursday, May 24, 2018:

The City Of Goodlettsville  
Attention: Charlie Ballard, Purchasing Director  
105 South Main St.  
Goodlettsville, TN 37072

Full specifications will be posted on the City's website, [www.goodlettsville.gov](http://www.goodlettsville.gov), under Open Solicitations.

The City of Goodlettsville does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in admission to, access to, or operation of its programs, services or activities, nor does it discriminate in its hiring, employment or purchasing practices.
