**BUY AMERICAN PROVISION:** The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practical, to purchase food. A "domestic commodity or

product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR Part 210 and 7 CFR 250.

The use of exceptions to the Buy American provision will be at the Child Nutrition Program representative's discretion. To be considered for an alternative or exception a written request must be submitted in writing with this bid. All items to be considered must have the price of domestic food alternative substitute and the availability of the domestic alternative substitute in relation to the quantity ordered.

The request must include the:

- A. Alternative substitute (s) that are domestic and meet the required specifications:
  - 1. Price of the domestic food alternative substitute (s); and
  - 2. Availability of the domestic alternative substitute (s) in relation to the quantity ordered.
- B. Reason for exception: limited/lack of availability or price (include price)"
  - 1. Price of the domestic food product; and
  - 2. Price of the non-domestic product that meets the required specification of the domestic product.

By submitting and signing this bid, the bidder acknowledges and certifies that his/her company complies with the Buy America provision that the food delivered is of domestic origin or the product is substantially produced in the United States. For these purposes substantially means over 51 percent of the processed food is from American-produced products. If the bidder is unable to certify compliance with the Buy American provision, the bidder shall state this in his/her response and provide an explanation as to why it cannot certify compliance.

CLEAN AIR ACT (42 U.S.C. 7401-7971q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251-1387): As amended – contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protect Agency (EPA) (Appendix II of 2 CFR Part 200(G).

SAMPLES: Items on the bid form will be pre-approved; if you are submitting an alternate, a sample is required. We reserve the right to determine product acceptability based on sampling and will be the final judge to determine if the product is equal. It is our preference that samples be submitted prior to the bid opening. Samples not received by the Child Nutrition Department located at 340 St. Charles Street, Building #3, Houma, LA 70360 by 3:00 P.M. on Thursday, March 29, 2018, will not be accepted and will be cause to reject the bid on that item. Samples shall be furnished at no expense to the school district, properly marked for identification. The school district reserves the right to mutilate or destroy any sample submitted whenever it may be considered necessary to do so for the purpose of testing. Samples not mutilated or destroyed, when no longer required to be retained in connection with the award or delivery of foods, will be returned at the vendor's expense if such return is requested.

INTENT AND INTERPRETATION OF SPECIFICATIONS: All bids must identify the manufacturer, brand, portion size, etc. of the product being offered. "Pre-Approved Equal" brands may be allowed where indicated. To offer "Pre-Approved Equal" items rather than

"approved brands" specified, the offeror must supply a complete description and sufficient data as well as a product sample. Any "Pre-Approved Equal" brand would be approved prior to the bid opening. The Terrebonne Parish School Board reserves the right to reject any sample submitted if there is insufficient information or time to conduct taste-testing in order to deem the product "Pre-Approved Equal". If the offeror fails to identify the manufacturer, brand, portion size, etc. for any item included in the bid; this item would be considered incomplete and not allowed. No substitutions will be allowed. For your quotation of processed foods to be considered the Terrebonne Parish School Board must have on file in the office of the Supervisor of Child Nutrition Program a **CN** label, nutritional analysis, nutrition facts, food label information and ingredient list. It is the intention of specifications to procure food to meet the needs of the Child Nutrition Program.

**SUBSTITUTIONS:** Substitutions will not be accepted after item(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the Terrebonne Parish School Board, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the Terrebonne Parish School Board will constitute a breach of contract by the vendor. Said action will result in initiation of actions covered under paragraph 10 and 11 under contracts of the attached Standard Terms and Conditions.

**DEVIATIONS FROM ITEM SPECIFICATION OR GENERAL TERMS AND CONDITIONS:**

Any and all limitations, expectations, qualifications, special conditions, or deviations from these General Terms and Conditions or any of the item specifications, including the offering of any alternate to the "approved brand and/or model" (where identified) must be clearly noted in detail by the offeror at the time of submission of the bid. The absence of such limitations, exceptions, qualifications, special conditions, or deviations being submitted in writing with the offeror's response will hold the offeror accountable to the Terrebonne Parish School Board to perform in strict accordance with all the General Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the bid response may place the offeror at a competitive disadvantage or otherwise prevent the Terrebonne Parish School Board from considering the affected item(s).

Any deviation from any of the item specification, including the delivery of any product other than the specific brand of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the vendor to the remedies identified in this Standard Terms and Conditions document paragraph 10 and 11 under contracts and jeopardize future business from the Terrebonne Parish School Board.

**Product analysis and/or food label for items indicated (\*\*nutritionals required) must be submitted at the time of the bid; however, product analysis and/or food label for the additional items must be provided by the awarded vendor if requested at a later date.**

**GENERAL REQUIREMENTS:**

  8. No sliding scale prices will be accepted. State law forbids cost-plus buying.
  9. Errors and corrections to bid price or in preparation of bid must be initialed by the bidder in ink. Failure to do so shall make the item ineligible for award.
  10. The quoted amount is an indication of the possible purchases for the bid period, it is based on past year's purchases of approximately \$297,800.00; but is not a guarantee of the total amount to be purchased with this bid.
  11. Quantities specified may be adjusted by +/- 10%.

EQUAL LOW BIDS: Contracts shall be awarded in the following order of priority when two or more low bids are equal in all respects:

- a) Small business concerns that are also labor surplus area concerns.

If two or more bidders still remain equally eligible after application of paragraph (a) above, award shall be made by a drawing by lot limited to those bidders. If time permits, the bidders involved shall be given an opportunity to attend the drawing. The drawing shall be witnessed by at least three persons, and the contract file shall contain the names and addresses of the witnesses and the person supervising the drawing.

SUCCESSFUL VENDORS MUST BE ABLE TO ASSURE THE SCHOOL DISTRICT THAT THEY HAVE SUFFICIENT TRUCKS AND EQUIPMENT TO MAKE SATISFACTORY DELIVERY TO THE SCHOOL BOARD WAREHOUSE BY THE DATE(S) SPECIFIED.

EXTENSION OF DELIVERY DATE: If for any reason deliveries cannot be made on schedule, the Child Nutrition Program Office should be notified. The vendor shall then deliver at the earliest date possible. Any extension of time on delivery as specified must be requested from the school district at least five (5) days prior to delivery date. Such extension will apply only to the particular item or shipment affected.

An unsatisfactory delivery will be just cause for the school district to disregard future bids from the vendor until such time that they can guarantee satisfactory delivery.

Each firm that is awarded any item or group of items will receive orders on that item or group of items for the duration of the period specified on the forms.

INSPECTION: Upon delivery of each item to the Terrebonne Parish School Board Warehouse, inspection of each item will be made by the Warehouse Manager, or a representative at the point of delivery, or in special cases at the point of origin. Acceptance of the item or items will be made after inspection determines that all requirements of the specifications and bid are met.

DEFAULT TO DELIVER AND PRICE CORRECTION: The Child Nutrition Program reserves the right to cancel that portion of the order which the vendor has failed to deliver at the specified time. The vendor is responsible for issuing a credit memo or corrected invoice.

DISQUALIFICATION: Failure to deliver products which meet specifications will result in the re-awarding of the line item to the second lowest bidder.

INVOICES: Invoices must contain complete product information (i.e. brand name, packaging information, and country of origin). All illegible or incorrect invoices will be returned for re-working without penalty to the Terrebonne Parish Child Nutrition Program. Legible invoices for the items delivered and accepted shall be submitted by the vendor, in duplicate, to the place of delivery. The merchandise will be checked for quantities, prices and specification compliance. If discrepancies occur, they will be noted on this invoice and vendors must send a corrected invoice to the Child Nutrition Program. Invoices shall be submitted to the Terrebonne Parish Child Nutrition Program, P.O. Box 5097, Houma LA 70361, ATTN: Ms. Harriet Lewis, Accounting Clerk II.

Monthly statements shall be submitted in duplicate on the vendor's regular form, to include the last school day of each calendar month.

Each firm that is awarded any item or group of items will receive orders on that item or group of items for the duration of the period specified on the forms. The quantities shown in this bid request represent the best estimate of the various food products required to support the Child Nutrition Program. The quantities to be purchased may vary depending upon internal changes, including but not limited to USDA Commodity availability and student participation. The Terrebonne Parish School Board does not assume or accept responsibility to purchase the total quantities listed. The Board reserves the right to purchase "more or less" for the specified deliveries.

RETURN OF DISCOUNTS, CREDITS, AND REBATES TO TERREBONNE PARISH SCHOOL BOARD: Allowable cost will be paid from the non-profit school food service account to the offeror/contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under this contract, to the extent those credits are allocable to the allowable portion of cost billed to the Terrebonne Parish School Board. The offeror agrees to fully disclose all discounts, rebates, allowances, and incentives received by the company from its suppliers. If the offeror/contractor receives a discount, rebate, allowance, or incentive from a supplier; the offeror/contractor must disclose

and return to Terrebonne Parish School Board the full amount of the discount, rebate, or applicable credit that is received based on purchases made on behalf of Terrebonne Parish Child Nutrition Program. All discounts, rebates, allowances, and incentives must be returned to the Child Nutrition Program during a mutually agreed upon time frame that is beneficial to the School District.

"Cost Plus" bids will not be accepted.

EXCLUSION/REJECTION OF BIDS: The School Board, after the opening of bids, shall require each bidder or bidding entity to attest or submit an attestation that the sole proprietor, partner, incorporator, director, manager, officer, or other like individual who owns at least ten percent (10%) of the bidding entity, has not been convicted of, or has not entered a plea of guilty or nolo contendere (no contest) to any of the crimes or equivalent federal crimes listed in La. Rev. Sta. Ann. §38:2227.

In awarding bids or contracts, the School Board shall be authorized to reject the lowest bid from a business in which any individual with ownership interest of five percent (5%) or more has been convicted of, or pled guilty or nolo contendere to any state felony crime or equivalent federal crime committed in the solicitation or execution of a contract or bid under the state laws governing public contracts; professional, personal, consulting, and social services procurement; or the Louisiana Procurement Code.

Any contract between the School Board and a person or entity entered into as a result of fraud, bribery, corruption, or other criminal acts, for which a final conviction has been obtained, shall be null and void.

Any person whose conviction causes the nullity of a contract shall be responsible for payment of all costs, attorney fees, and damages incurred in the rebidding of the contract.

Certificate of Insurance shall remain in effect for entire duration of the bid award. A current certificate may be included at the time of bid submittal. (See Attachment B)

PROTEST AWARDS: To initiate a protest of an award recommendation, a business must follow these steps:

- The protest must be received in writing within 5 business days of the recommendation of the Building, Food Service, and Transportation Committee.

- The written protest should include the bid number and should clearly identify the facts believed to constitute an error in the award recommendation and the desired remedy.
- The protesting bidder should focus on identifying the following in their letter of protest:
  - Any specific Louisiana/Federal statute that was violated (such as the application of a required preference)
  - Any specific purchasing policy of the Terrebonne Parish School District that was not applied (such as conflict of interest, fraud, or ethics violation)
  - Any specific solicitation instruction that was not followed (such as the evaluation and award instructions)

However, if there is a threat to public health, safety, or welfare, or danger of immediate and substantial harm to state property from delay in making an award, the Purchasing Agent may proceed with an award and document the justification for such action.
- A revised award recommendation, based on a protest review, does not assure that there will be a new protest period.

The Freedom of Information Act (FOIA) process is not related to the protest process and is not a reason for a protest period extension.

No Bid, Quote, or Proposal received after the scheduled time for opening will be considered. Bidders are urged to secure information relative to the probable time of arrival and distribution of mail at the place where bids are to be opened. Failure of the U.S. Mail or any carrier of delivery service to deliver the bids timely shall not be considered due cause for the scheduled time of the bid opening to be extended.

Bids, Quotes, or Proposals may be submitted for all or part of total quantities or for any or all agency requirements listed in the Bid, Quote, or Proposal, **unless otherwise specified** in the Bid, Quote, or Proposal.

If the bidder proposes to furnish any item of a foreign make or product, the word "foreign", together with the name of the originating country must be written opposite of such item on the Bid, Quote, or Proposal. All items not so designated will be considered to be of domestic origin.

All Bids, Quotes, or Proposals will be opened, publicly acknowledged, read aloud, and are subject to public inspection. Bidders may be present or represented at all openings. Abstracts of Bids, Quotes, or Proposals received are not prepared for distribution by the Purchasing Department.

#### ALTERNATES AND SAMPLES

All specifications are minimum standards and the acceptable Bid, Quote, or Proposal samples do not supersede specifications for the quality unless the Bid, Quote, or Proposal sample is judged superior, in which case deliveries must have the same identity and quality as the accepted Bids, Quotes, or Proposal sample. Unless specifically requested in the Bid, Quote, or Proposal, samples are not required. These items are preapproved; however, **all bid specifications / requirements must be met** such as – packaging, cutouts, literature, composite analysis, forms, etc.

Alternates and samples must be submitted by the inquiry and sample deadline specified in the bid documents and will be answered and/or ruled acceptable within seventy-two (72) hours.

If samples are not required, but are later determined to be needed, they shall be delivered within seven (7) days following a written request. Samples must be furnished free of charge and may be accompanied by a descriptive memorandum indicating if the bidder desires a return, provided they have not been used or made useless by tests. Award samples may be held for comparison with deliveries. Samples may be returned upon request at the bidder's risk subject to their expense.

Unless qualified by the provision "No Substitute," the use of a specification, manufacturer, brand, make, or catalog designation in specifying an item does not restrict bidder to that manufacturer, brand, make, or catalog designation identification. This is used simply to indicate the character, quality, and/or performance equivalence for the commodity desired. The commodity on which Bid, Quote, or Proposal is submitted must be of such character, quality, and/or performance equivalence that it will serve the purpose for which it is to be used equally well as that specified. In submitting a Bid, Quote, or Proposal on a commodity other than as specified, the bidder shall furnish complete data and identification with respect to the alternative commodity proposed. Consideration will be given to Bids, Quotes, or Proposals submitted on alternative commodities to the extent that such action is deemed to serve best the interest of the Terrebonne Parish School Board. If the bidder does not indicate that the commodity proposed is an alternative commodity, it will be construed to mean that the bidder proposed to furnish the exact commodity described. The Terrebonne Parish School Board's agent shall be the sole judge as to whether an alternate offered item is equal to the item(s) specified.

The inspection of all commodities and the chemical and physical testing of samples submitted with Bids, Quotes, or Proposals to determine whether or not the samples comply with

specifications shall be made in the manner prescribed by the Agent.

Any item which fails, in any way, to meet the terms of the specifications is subject to rejection or to be paid for at an adjusted price basis. The decision of the Agent shall be final.

#### **TAXES**

Terrebonne Parish School Board is not subject to State or Terrebonne Parish Sales Tax. All applicable taxes including ad valorem taxes shall be the responsibility of the bidder and are to be added in to the offer. S. Ann. 38:2227.

In awarding bids or contracts, the Terrebonne Parish School Board shall be authorized to reject the lowest bid from a business in which any individual with ownership interest of five percent (5%) or more has been convicted of, pled guilty or nolo contendere to any state felony crime or equivalent federal crime committed in the solicitation or execution of a contract or bid under the state laws governing public contracts; professional, personal, consulting, and social services procurement; or the Louisiana Procurement Code.

The TPSB reserves the right to buy any of the bid items using a State Contract, or utilize cooperative purchasing, if more favorable prices become available.

The Terrebonne Parish School Board reserves the right to make awards within forty-five (45) calendar days from the date Bids, Quote, or Proposals are opened, unless otherwise specified in the Bids, Quotes, or Proposals. During this period, Bids, Quotes, or Proposals shall not be withdrawn unless the bidder distinctly states in his/her Bid, Quote, or Proposal that acceptance thereof must be made within a shorter specified time. Should an award, in whole or in part, be delayed beyond the period of forty-five (45) calendar days or an earlier date specified by the bidder in the bid/quote/proposal, such award shall be conditioned on an agreement by the successful bidder to extend the Bid, Quote, or Proposal award for one or more thirty (30) calendar day periods.

The right of order percentage may exceed the reserved right of the ten percent upon agreement by the bidder.

The above referenced **ACCEPTANCE** is not an order to shop. By acceptance of a Terrebonne Parish School District purchase order or work order, the awarded vendor agrees to defend and hold harmless the Terrebonne Parish School Board from any or all claims made in connection with the completion of the goods and/or services listed on the purchase order. The vendor further agrees to waive any right of recovery for expenses incurred in defending and/or payment of any judgment imposed on the vendor.

The placing in the mail to the address given by the bidder or delivery of a notice of award to a bidder will constitute notice of acceptance of contract; **validity shall be contingent upon insurance compliance, as per bid specifications**. When so requested by the Agent, the contractor shall execute a formal contract with the Terrebonne Parish School Board for the complete performance specified therein.

**The contract may be canceled or annulled by the Agent** if the Terrebonne Parish School Board, due to budget constraints, does not appropriate funding for the contract or upon nonperformance of contract terms. Any unfulfilled deliveries against such contract may be purchased from other sources at the contractor's expense.

On all such purchases, the contractor agrees promptly to reimburse the Terrebonne Parish School Board for excess costs associated by such purchases. Should the performance of any contract be delayed or prevented as set forth in the previous paragraph, the contractor agrees to give immediate written notice and explanations of the cause and probable duration of any such delay.

It shall be a requirement of the Terrebonne Parish School Board that any contracted vendor currently employing a person convicted of a sex offense as defined in Louisiana R.S. 15:541 when the victim is under the age of thirteen years shall not permit same employee to enter any Terrebonne Parish School Board property for the purpose of fulfilling work order or delivery of active contract. Violation of this provision shall be cause for immediate termination and/or cancelation of any contract or agreement with contracted vendor.

#### **DEVIATION/ALTERNATIVE BID/PROPOSAL CLAUSE**

Any deviation from the specifications listed in the Bid, Quote, or Proposal must be noted in detail and submitted in writing as specified or on a separate document with the Bid, Quote, or Proposal. It must include specific reasons as to why the deviation(s) will render equivalent or better performance and reliability. The deviation(s) must meet or exceed the details of the respective specifications(s). The absence of this specification deviation information will hold the bidder strictly accountable to the specifications as written. Failure to submit documentation of specification deviation shall be grounds for rejection of the item(s) when offered for delivery. A Terrebonne Parish School Board evaluation committee will review all deviations or alternates and reserves the right to be the sole authority for acceptance or rejection of deviations and/or alternate Bid, Quote, or Proposal.

### **BIDS/PROPOSAL COMPLETION**

Only paper Bids, Quotes, or Proposals written in ink or typed, and properly signed by a member of the firm or duly authorized representative will be accepted. Pencil figures, signatures, or photo copies of signatures on the Bid, Quote, or Proposal form submitted will disqualify the bidder. Do not submit a photo copy as an original Bid, Quote, or Proposal unless otherwise specified. Electronic digital signatures will be accepted only if specified.

### **ERASURES**

The Bid, Quote, or Proposal submitted must not contain any erasures or corrections unless each correction is initialed by the person or persons signing the Bid, Quote, or Proposal in the margin immediately opposite the correction.

### **WARRANTIES**

If specific warranties on equipment, vehicles, supplies, and materials specified are not required, they are to be standard manufactures and/or dealer's warranties. If full warranty is specified, it shall include parts, labor, and all other associated cost. Warranty shall be for all components of the related item, i.e. warranty on computer system shall include all components including, but not limited to, base processing unit, keyboard, mouse, monitor, speakers, drives, etc. With regard to a lease, to the extent permitted by law and contract, the successful bidder will assign and pass through without representation to Terrebonne Parish School Board the benefits of warranties, if any, of the supplier of the items for the duration of any lease in effect and there exist with no event of default thereof.

### **BID/QUOTE/PROPOSAL RESPONSE**

In the event you cannot submit a response on the requirements, please return the request for Bid, Quote, or Proposal form with an explanation as to why you are unable to submit an offer. Also, please state whether you would like to receive future Bid, Quote, or Proposal bid packets, and include the correct address that will receive the Bid, Quote, or Proposal bid packet.

### **VENUE AND JURISDICTION FOR LITIGATION**

Bidders and the Terrebonne Parish School Board do consent to and accept the venue and jurisdiction of the 32nd Judicial District, Parish of Terrebonne, State of Louisiana in the event of any dispute or lawsuit arising as a result of this request for bids or proposals and any contract entered into or between bidder and Terrebonne Parish School Board, as a result thereof.

### **INELIGIBILITY NOTIFICATION**

Bidders must advise the agent if he/she or his/her principles is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transactions resulting from the award of this Bid, Quote, or Proposal by any federal department or agency.

## REQUIRED CONTRACT PROVISIONS FROM APPENDIX II OF 2 CFR PART 200

Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor" (Appendix II of 2 CFR Part 200E).

The vendor shall comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency (Appendix II of 2 CFR Part 200 (D)).

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence (Appendix II of 2 CFR Part 200(I)).

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate (Appendix II of 2 CFR Part 200(A)).

All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement (Appendix II of 2 CFR Part 200(B)).

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental

Protection Agency (EPA) (Appendix II of 2 CFR Part 200(G).

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549 (Appendix II of 2 CFR Part 200(H)).

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award (Appendix II of 2 CFR Part 200(I)).

#### **Required Contract Provisions from 2 CFR Part 200**

Procurement of recovered materials- A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item **exceeds \$10,000** or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines (2 CFR Part 200.322)

The vendor agrees to take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible (2 CFR Part 200.321)

#### **Other Contract Provisions**

The vendor shall comply with the following civil rights laws, as amended: Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR Parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-1, *Civil Rights Compliance and Enforcement in School Nutrition Programs*.

#### **EQUAL LOW BIDS**

Contracts shall be awarded in the following order of priority when two or more low bids are equal in all respects:

- a) Small business concerns that are also labor surplus area concerns.

- b) Other small business concerns. (As defined by the United States Small Business Administration).
- c) Other business concerns.

If two or more bidders still remain equally eligible after application of paragraph (a) above, award shall be made by a drawing by lot limited to those bidders. If time permits, the bidders involved shall be given an opportunity to attend the drawing. The drawing shall be witnessed by at least three persons, and the contract file shall contain the names and addresses of the witnesses and the person supervising the drawing.

### **RETURN OF DISCOUNTS, CREDITS, AND REBATES TO TERREBONNE PARISH SCHOOL BOARD**

Allowable cost will be paid from the non-profit school food service account to the offeror/contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under this contract, to the extent those credits are allocable to the allowable portion of cost billed to the Terrebonne Parish School Board. The offeror agrees to fully disclose all discounts, rebates, allowances, and incentives received by the company from its suppliers. If the offeror/contractor receives a discount, rebate, allowance, or incentive from a supplier; the offeror/contractor must disclose and return to Terrebonne Parish School Board the full amount of the discount, rebate, or applicable credit that is received based on purchases made on behalf of Terrebonne Parish Child Nutrition Program. All discounts, rebates, allowances, and incentives must be returned to the Child Nutrition Program during a mutually agreed upon time frame that is beneficial to the School District.

"Cost Plus" bids will not be accepted.

### **PROTEST AWARDS**

To initiate a protest of an award recommendation, a business must follow these steps:

- The protest must be received in writing within 5 business days of the recommendation of the Building, Food Service, and Transportation Committee.
- The written protest should include the bid number and should clearly identify the facts believed to constitute an error in the award recommendation and the desired remedy.
- The protesting bidder should focus on identifying the following in their letter of protest:
  - Any specific Louisiana/Federal statute that was violated (such as the application of a required preference)
  - Any specific purchasing policy of the Terrebonne Parish School District that was not applied (such as conflict of interest, fraud, or ethics violation)
  - Any specific solicitation instruction that was not followed (such as the evaluation and award instructions)
- Only the information provided within the protest period will be considered in arriving at a decision. The Purchasing Agent is not required to take into consideration any material filed by any party after the protest deadline.
- The Purchasing Agent or their designee will investigate and provide a written response to the protesting party. This decision is final.
- Until issuing a final decision on a timely protest, the Purchasing Agent will not finalize an award of a contract or purchase order pursuant to a disputed solicitation. However, if

there is a threat to public health, safety, or welfare, or danger of immediate and substantial harm to state property from delay in making an award, the Purchasing Agent may proceed with an award and document the justification for such action.

- A revised award recommendation, based on a protest review, does not assure that there will be a new protest period.

The Freedom of Information Act (FOIA) process is not related to the protest process and is not a reason for a protest period extension.

## **RECORD RETENTION**

The successful bidder agrees to retain all books, records, and other documents relative to this agreement for three (3) years after the final payment for audit purposes and to make said records available upon request.

### INSTRUCTIONS TO BIDDERS FOR COMPLETING CERTIFICATION FORM

NOTE: Each responsive bidder must include this certification statement with its bid on each contract equaling or exceeding \$25,000 or any contract for audit services regardless of amount.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the U. 6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification that a prospective participant in a lower tier covered transaction has not been debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless the participant knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
