

REQUEST FOR QUOTES
CITY OF WALTERBORO
ASBESTOS AIR MONITORING SERVICES
July 29, 2021

The City of Walterboro is soliciting quotes from licensed inspectors to perform comprehensive air monitoring in conjunction with the demolition of one (1) city-owned vacant, dilapidated commercial structure at 419 Hampton Street Walterboro, South Carolina. The commercial structure is approximately 6400 square feet. This work is part of a grant project funded by SC Department of Commerce. The bidder must geographically be reasonably proximate to the site location. The firm must hold all applicable state and federal licenses to perform air monitoring during the removal of asbestos. **The inspection/ report and project design have been completed in accordance with SC-DHEC Regulations and has been included with this request. Please provide quotes outlining:**

- Daily rate for air monitoring (including all travel expenses)
- Clearance cost
- Estimated number of days air monitoring would be necessary

Please submit original written and signed quotes (email quotes not acceptable) by 4:00 PM on August 13, 2021 to:

George Crosby
Economic Recovery & Resiliency Director
Lowcountry Council of Governments
Post Office Box 98
Yemassee, SC 29945

City of Walterboro reserves the right to reject any or all bids. City of Walterboro reserves the right to waive all informalities not involving price, time, or changes in the work and to negotiate contract terms with the successful bidder.

If you have questions or need additional information, please contact George Crosby (gcrosby@lowcountrycog.org) or call 843-473-3993.

NOTICE: This contract will be funded, partially or in whole, by CDBG funds. Please provide information regarding the firm's SAM.gov registration at the time of submittal. The firm should be aware that contracts will be reviewed and approved within approximately 60 days after bids are due.
