Floor Stabilization Project

318 N. Main Street Goodlettsville TN 37072

The City of Goodlettsville, Tennessee is requesting sealed bids for a building and foundation stabilization project. The project includes the contractor review the building and foundation settlement and submit a written plan of proposal for the building and foundation stabilization including project timeline and costs to stabilize the building and foundation to prevent additional movement of the building and foundation. The stabilization is not to lift the building and footing foundation but stabilize the building and foundation in place. The forty (48') feet x eighty-seven (87') feet building is a one-story CMU (concrete masonry unit) block shear wall and concrete roof structure constructed over a continuous building footing foundation system. The building includes an interior floating slab and is clad with brick veneer and stucco.

The bid submittal to include the following items:

1. Building and foundation stabilization plan
2. Project timeline
3. Project costs
4. State of Tennessee Contractor's License information for the type and value of project bond
5. Information that the Contractor can provide project bond covering 110% percent of project cost, liability insurance, and workers compensation policies.
6. Information about the Contractor's experience with similar projects

Specifications are available and on file at the Purchasing Office and may also be accessed from the City's website at www.goodlettsville.gov.

The City of Goodlettsville reserves the right to reject any and all proposals and to waive formalities.

The City of Goodlettsville does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in admission to, access to, or operation of its programs, services or activities, nor does it discriminate in its hiring, employment or purchasing practices.
