Notice of Alabama Immigration Law Compliance Requirements to all Contractors of the St. Clair County Board of Education**

As a Contractor, as defined in the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, to the St. Clair County Board of Education (“the Board”), it is critical to your relationship (future or continuing) with the Board that you comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Accordingly, please provide your Affidavit of Immigration Compliance with attached E-Verify Memorandum of Understanding, as requested in the attached memorandum. If you do not believe these obligations apply to you, please notify the Board immediately.

Every contract entered into by the Board from this point forward with a contractor will contain the following clause or one substantially similar:

Alabama Immigration Law Compliance Contract: Contractor agrees that it will fully comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason- Hammon Alabama Taxpayer and Citizen Protection Act, which makes it unlawful for an employer in Alabama to *knowingly* hire or continue to employ an alien who is or has become unauthorized with respect to such employment or to fail to comply with the I-9 requirements or who fails to use E-Verify to verify the eligibility to legally work in the United States for all of its new hires who are employed to work in the State of Alabama. Without limiting the foregoing, Contractor shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and shall have an officer or other managerial employee who is personally familiar with the Contractor’s hiring practices to execute an affidavit to this effect on the form supplied by the Board and return the same to the Board. Contractor shall also enroll in the E-Verify Program prior to performing any work, or continuing to perform any ongoing work, and shall remain enrolled throughout the entire course of its performance hereunder, and shall attach to its affidavit the E-Verify Program for Employment Verification and Memorandum of Understanding and such other documentation as the Board may require to confirm Contractor’s enrollment in the E-Verify Program. Contractor agrees not to knowingly allow any of its subcontractors, or any other party with whom it has a contract, to employ in the State of Alabama any illegal or undocumented aliens to perform any work in connection with the Project, and shall include in all of its contracts a provision substantially similar to this paragraph. If Contractor receives *actual knowledge* of the unauthorized status of one of its employees in the State of Alabama, it will remove that employee from the project, jobsite or premises of the Board and shall comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Contractor shall require each of its subcontractors, or other parties with whom it has a contract, to act in a similar fashion. If Contractor violates any term of this provision, this Agreement will be subject to immediate termination by the Board. To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless the Board from any and all losses, consequential damages, expenses (including, but not limited to, attorneys’ fees), claims, suits, liabilities, fines, penalties, and any other costs arising out of or in any way related to Contractor’s failure to fulfill its obligations contained in this paragraph.
