NOTES: The mineral aggregate and asphalt shall meet state specifications with daily gradations run on the mineral aggregate.

The Hot Mix for this contract is being let under the QA guidelines with the exception that the Producer, not the Contractor, will be responsible for running the tests and filling out the daily reports required by T.D.O.T. on hot mix. The cost for this work by the Producer will be included in the price bid for hot mix.

This project is being let contingent upon State Aid Funds being available and cannot be started until the Commissioner of Transportation has signed the contract.

Any additives needed will be included in the unit price bid for hot mix.

All Items are being bid in place. CW mix to include virgin material only.

This project is being bid individually.

Milling will be required on both approaches to the bridge over Sulphur Fork Creek to accommodate the new pavement tie-in to the bridge deck. Cost to be included in the bid price for the 307 "CW" Hot Mix.

The Local Government will pay the Contractor within three working days of having received money from the State of Tennessee for this project.
