State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Notice shall be sent to the address listed above.

Unless a contractor files a timely appeal, the contractor waives any and all rights to challenge the qualification decision of the District, whether by administrative process, judicial process or any other legal process or proceeding. The District reserves the right to resolve appeals before or after the opening of bids or proposals or award of any contract. The date for submission and opening of bids or proposals for a specific project and any subsequent contract award will not be delayed or postponed to allow for completion of an appeal process.

Bids and Proposals
