**E. Amendments**

If necessary, an amendment(s) will be issued prior to the proposal submittal date and in time for the purposes of modifying or interpreting the proposal instruction and/or specifications through additions, deletions, clarifications, or corrections. The SFA shall conduct an evaluation of all Offers for accuracy, completeness, and conformity to the specifications contained in the Solicitation. The SFA shall certify the results of the proposal evaluation process prior to the issuance of any award. By submission of a proposal, the offeror agrees that during the period following issuance of an Offer and prior to notification of intent and/or award of contract, offeror shall not discuss this procurement with any party except the SFA or other parties designated in this Solicitation.

Discussions are possible only if the Offer is apparently responsive. This process may also be used to assure mutual understanding and/or aid in determinations of responsiveness or responsibility of the offeror. Any discussions shall be documented in writing and shall be included with the Offer. In conducting these discussions, there shall be no disclosure of any information derived from proposals by competing FSMCs.

**H. Final Contract**

The submitted RFP, including all attachments and all documents submitted by the offeror, will become the official contract when approved, awarded, and signed.

**I. Procurement Code of Conduct**

The SFA acknowledges their responsibility under USDA guidelines to establish and enforce an SFA written policy to address the conduct of SFA employees with regard to SFA procurement transactions. This code of conduct, at a minimum, must prohibit SFA employees from soliciting gifts, travel packages, and other incentives from prospective offerors and/or contractors. In addition, the code of conduct must prohibit an SFA employee from participating in the selection, award, and administration of any contract to which an entity or certain persons connected to them have financial interest. The code of conduct must also provide for the SFA to set standards when financial interest is defined as not substantial or a gift is an unsolicited item of nominal value and may be acceptable. Additionally, the SFA code of conduct must provide for disciplinary actions to be applied in the event the code of conduct standards are violated.

Pursuant to the South Carolina Code of Laws, Section 8-13-700 et seq., a public official, public member, or public employee may not have an economic interest in a contract with the state or its political subdivisions if the public official, public member, or public employee is authorized to perform an official function (including writing or preparing the contract, accepting proposals, and awarding of the contracts) relating to a contract.

Any employee or official of the SFA, elective or appointive, who shall take, receive, or offer to take or receive either directly or indirectly, any rebate, percentage of contract, money, or other things of value, as an inducement or intended inducement, in the procurement of business, or the giving of business, for, to, or from any person, partnership, firm or corporation, offering, proposing, or in open market seeking to make sales to the SFA shall be subject to punishment or a fine in accord with state and/or federal laws.

**J. Approval of Publicity Releases**

The FSMC shall not have the right to include the SFA's name in its published list of customers, without prior approval of the SFA. Such restriction shall not prohibit either party from disclosing the existence of the relationship. The FSMC agrees not to publish or cite in any form any comments or quotes from SFA staff. Nutrition analyses must be available for all program meals planned and served daily during the contract period(s). The nutrition analysis program used must be approved by USDA.

All offerors, therefore, must visibly mark as "Confidential" each part of their proposal

they consider to contain proprietary information.

**WRITTEN RESPONSES TO QUESTIONS FROM POTENTIAL OFFERORS**

**PROGRAM IDENTIFICATION**

Beaufort County School District  
Plans to participate in the following programs during the 2020-2021 school year in one or more schools: (please check all that apply)

- ✓ National School Lunch Program
- ✓ School Breakfast Program
- ✓ Afterschool Snack Program
- ✓ USDA Foods (Commodities) Program
- ✓ Fresh Fruit and Vegetable Program
- ✓ Summer Food Service Program\*

\* SUBJECT TO ADDITIONAL REGULATIONS AND/OR REQUIREMENTS TO BE SPECIFIED HEREIN.

## **FRESH FRUIT AND VEGETABLE PROGRAM (FFVP) REQUIREMENTS**

Costs that are charged to the FFVP grant are broken into two categories: administrative and operational.

Operational costs are the primary costs of running the FFVP, including:

- purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges;
- non-food items or supplies that are used in serving and cleaning; and
- salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.

Administrative costs, which currently cannot exceed 10 percent of the overall grant, are used principally to support planning and managing the program.

All FFVP costs must be allowable, actual costs, and fully documented. Labor costs must be reported by and to the SFA in a manner that clearly identifies the actual time allocated to the FFVP. All labor costs, either operating or administrative, must be minimal. The SFA shall verify that the FSMC operates the FFVP in compliance with all federal and state guidelines, including but not limited to the following:

- The FSMC will document and track FFVP expenses separately and make this documentation easily accessible to the SFA, SCDE, or USDA for review. All non-food costs must be carefully reviewed and deemed reasonable, given the extent of the FFVP operations.
- The FSMC will provide the SFA with documentation that clearly outlines the allocation of costs charged to the FFVP as a basis for the SFAs claim for reimbursement. This is a contract requirement even if a fixed fee for FFVP is agreed upon.
- The FSMC will use the SC FFVP Monthly Log for Operational and Administrative Costs Claimed for Labor form (included in the *SC Fresh Fruit and Vegetable Program Handbook for Schools*) to document operational and administrative labor costs or a similar form that captures the same information. This documentation must be readily available for SFA, SCDE, or USDA review.
- A FFVP cycle menu based on USDA guidelines should be submitted with this RFP to the SFA and used in scoring the FSMC.
- Identify all SFA and FSMC roles and responsibilities in the FFVP.

## SECTION FIVE – TERMS AND CONDITION

### A. Scope and Purpose

1. The duration of the contract shall be for a period of up to one year, beginning on July 1, 2020 and ending on June 30, 2021, with a maximum of four (4) one-year renewals contingent upon mutual agreement between the SFA and FSMC.
2. The FSMC shall manage the SFA's food service program for the benefit of the SFA's students, faculty, staff, and guests. The FSMC shall provide food service in accordance with: all federal regulations found in 2 CFR Parts 200 and 400 and 7 CFR Parts 210, 220, 245, and 250; guidance, instructions, and policy memorandum issued by the United States Department of Agriculture, Food and Nutrition Service; United States Office of Management and Budget Circulars for Federal Grants; State Board of Education Regulations R.43-168 and R.43-169; and policies of the SCDE. The SFA, SCDE, and USDA shall have unlimited access, with or without notice to the FSMC, to all premises used by the FSMC.
3. The FSMC shall provide breakfast, lunch, and after-school snacks as specified in Appendix A for approximately 180 serving days. The FSMC may also be asked to provide lunch, breakfast and/or snacks if the SFA participates in the SFSP or the SSO and certain catering services.
4. The SFA may add or remove sites and/or meal periods for existing programs from Appendix A at any time during the period of the contract unless the addition or removal of sites and/or meal periods creates a material change to the contract.
5. The SFA reserves the right to maintain present food and beverage vending machines in its facilities.
6. The SFA shall be legally responsible for the SFA's nonprofit school food service program and shall supervise the food service operations in such manner as will ensure compliance with the rules and regulations described in Paragraph A (2). The SFA shall conduct regular performance, accountability, and other reviews as required by state and federal regulations and guidelines, as well as periodic on-site visits to include inspection of meals, food preparation, storage and service areas, and sanitation and safety practices. Such reviews shall be documented by the SFA and maintained on file for inspection by SCDE.
7. The FSMC, as an independent contractor, shall have exclusive right to provide food services for the schools designated by the SFA in this RFP (Appendix A) for the following programs: National School Lunch Program, SBP, After School Snack Program, SSO, Summer Food Service Program, and FFVP, as applicable. If participating in SFSP, applicable bonding requirements must be adhered to (Reference 7 CFR 225.225(m)).

8. The FSMC shall be an independent contractor and not an employee of the SFA. Employees of the FSMC are not employees of the SFA.
9. All income accruing as a result of payments by children and adults, federal and state reimbursements, and all other income from sources such as donations, special functions, à la carte sales, contract meals, proceeds from the sale of food service equipment, interest payments, and other sources related to the child nutrition program shall be deposited in the SFA's nonprofit school food service account. **Any profit or guaranteed return shall remain in the SFA's nonprofit school food service account.** The SFA and the FSMC agree that this contract is neither a *cost-plus-a-percentage-of-income* nor a *cost-plus-a-percentage-of-cost* contract as required under 7 CFR 210.16(c) and 2 CFR 200.
10. The SFA shall retain control of the SFA's nonprofit school food service account and shall assume overall financial responsibility for the program.
11. Authorized representatives of the SFA, the SA, and USDA shall have the right to conduct unannounced, on-site reviews of the child nutrition program operation, including the inspection of all records and supporting documentation associated with the food service program.

#### **B. Signature and Approval Authority**

1. The SFA shall retain signature authority for the Program Agreement, free and reduced-price policy statement, and monthly claim for reimbursement.
2. The preparation of the annual application for federal/state funds and the agreement with the SCDE, for operation of the National School Lunch, Breakfast, After School Snack Programs, SSO, Summer Food Service Program, and FFVP shall be the responsibility of the SFA. The application and agreement for federal/state funds, as approved by the SCDE, shall become part of the contract.
3. The preparation of the application to receive USDA Foods shall be the responsibility of the SFA. The agreement signed between the SCDE and the SFA to receive USDA Foods shall become part of the contract.

#### **C. Free and Reduced-Price Meal Policy**

1. The preparation of the annual Free/Reduced-Price Meal Policy shall be the responsibility of the SFA and is not open for amendment by the FSMC. The SFA Free and Reduced-Price Meal Policy shall be made part of this contract.
2. Approval of Free/Reduced-Price Meal Applications shall be the responsibility of the SFA. The SFA shall be responsible for the establishment and maintenance of the free and reduced-price meals eligibility roster. The SFA shall be responsible for verifying applications for free and reduced-price meals as required by USDA. The SFA shall be responsible for appointing a qualified hearings officer to conduct any hearings related to adverse actions regarding eligibility for free or reduced-price meals.

3. The FSMC shall implement an accurate point-of-service count using the counting system submitted by the SFA in its Program Agreement. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students.
4. The SFA shall monitor the FSMC through periodic on-site visits to ensure that the program is in conformance with all federal, state, and local regulations, laws, and procedures. In addition, the SFA will conduct an on-site review of the counting and claiming system no later than February 1 of each year, as required by 7 CFR 210.8.

#### **D. USDA Foods**

1. Any USDA foods received by the SFA and made available to the FSMC shall be utilized solely for the purpose of providing benefits for the SFA's nonprofit child nutrition program and will not be used for any special functions (i.e. catering, etc.) conducted outside of the nonprofit school foods service activities. USDA foods are considered "received" when the foods arrive at the school kitchen in either raw form or in processed end products. The title to USDA foods must remain with the SFA. The SFA shall assure the maximum amount of USDA foods are received and utilized by the FSMC. The FSMC shall use USDA foods in the preparation of meals and other food served to students.
2. The FSMC shall manage the donated food to ensure they are used only for the SFA's child nutrition program. Funds are expended to purchase food to be used in the food service program, or those commercial substitutes of the same generic identity, of U.S. origin, and of equal or better quality are used in their place (with the exception that donated ground beef, ground pork, and all processed end products must be used without substitution). When commercial substitutes are used in place of donated foods, the FSMC may then use the donated foods without restriction.
3. The FSMC must credit the SFA for the value of all donated foods funds received for use in the child nutrition program in the school year, whether the donated foods are used in that year or not as required in 250.51(a). The value of the USDA foods is based on the value of the product at the point the SFA receives the USDA foods at each site and on USDA prices pertinent to that time period. USDA food received by the FSMC must be credited to the SFA no later than the month following the use of said foods.
4. The liability for the proper use of the USDA foods shall be the responsibility of the FSMC. The FSMC must meet the requirements that ensure safe storage of donated foods in 250.14(b). In accordance with 210.13(a), the SFA must ensure that food storage, preparation, and service comply with the sanitation and health standards established under state laws and regulations.

The FSMC may maintain separate storage, inventory, and control of USDA foods. Or, the FSMC may commingle donated foods with other foods purchased for the child nutrition program, in a single inventory management system in accordance with 250.52(b) and 250.59 (c). Since it is difficult to distinguish donated foods from other foods in a commingled inventory, the SFA must ensure the FSMC has properly credited it for the value of all donated foods, irrespective of the actual use of the foods (250.51(a)).

The FSMC shall maintain accurate and complete records with respect to the receipt, use/disposition, storage and inventory of USDA foods or the purchases procured with funds from the CLOC amount allocated quarterly, as applicable. Failure by the FSMC to maintain records under the contract shall be considered factual evidence of improper distribution or loss of USDA foods. The SFA is responsible for obtaining restitution from the FSMC in connection with any claim for improper distribution, use or loss of, or damage to USDA foods as stipulated in 7 CFR 210.16.

5. In consultation with the FSMC, the SFA shall reserve the right to divert USDA-donated foods for processing to only those processors that have approved USDA and SCDE processing agreements for authorized end products that are included on a current Summary End Product Data Schedule (SEPDS). If an end product is normally available for purchase by the FSMC under the FSMC's regular competitive procurement process, no further procurement action is required. If an end product is not available for purchase by the FSMC under the FSMC's regular competitive procurement process, the end product shall be acquired by the FSMC through the use of a competitive procurement process. The SFA shall ultimately be responsible for compliance with all state and federal requirements.
6. The FSMC is not required to credit the SFA for the value of donated foods in end products that the SFA procures from the processor and provides to the FSMC for use in the child nutrition program. The processor must credit the SFA for the donated food value in end products procured by the SFA, in accordance with processing requirements in Subpart C of Part 250. The SFA must ensure that the FSMC uses such end products in the child nutrition program in accordance with 250.51(d).
7. The FSMC shall give the SFA, USDA, and SCDE access to the USDA foods storage areas for inspection. The FSMC shall have records available to substantiate that the full value of all USDA foods is used solely for the benefit of the SFA.
8. The SFA may not refund any credit to the FSMC for the value of any donated foods that remain unused when a contract terminates and is not extended or renewed. The FSMC must credit the SFA for the value of donated foods carried over from a previous contract if the value of such foods has not already accrued to the child nutrition program (i.e. if the value was not credited to the SFA by the previous FSMC). The "successor" FSMC must ensure use of such donated foods in the SFA's child nutrition program but will not have to credit the SFA for the value of such donated foods, as that value would have already accrued to the child nutrition program.
9. The recipient agency must ensure that the food service management company has credited it for the value of all donated foods received for use in the recipient agency's meal service in a school year or fiscal year, as applicable per 7 CFR 250.52(c.). In addition, there must be an annual inventory reconciliation to include the last year of the agreement if it has been extended.
10. The value used to credit the SFA for such donated foods must be the value determined in accordance with 7 CFR 250.51(c.). However, the FSMC is not required to credit the SFA for the value of such donated foods that are determined to be out-of-condition, and the SFA must ensure that such out-of-condition foods are not used in the child nutrition program.

11. When the contract terminates, and is not extended or renewed, the FSMC must return unused donated ground beef, ground pork, and processed end products and must return other unused donated foods to the SFA at the discretion of the SFA.

#### **E. Child Nutrition Program Operations**

1. The FSMC, as agent for the SFA, shall serve, on such days and at such times as requested by the SFA:
  - (a) Meals, priced as a unit, which meet the meal pattern requirements prescribed by federal and state guidelines. The SFA and FSMC will actively promote maximum participation in the National School Lunch and Breakfast Programs.
  - (b) Such other food as may be agreed upon by FSMC and SFA. In order to offer à la carte food service, all eligible children must be offered free, reduced-price, and full-price reimbursable meals. À la carte offerings will comply with applicable federal and state regulations.
2. For the first 21 days of meal service, FSMC shall adhere to the 21-day cycle menu provided in the RFP (Appendix E) and developed in accordance with the provisions of 210.10 or 210.10 (a). Thereafter, changes in the menu may be made with the approval of the SFA.
3. The FSMC shall make recommendations to the SFA regarding the child nutrition program and the prices to be charged for meals and other food; however, the SFA will retain control over the quality, extent, and general nature of its child nutrition program and shall have the right and responsibility to make the final decisions regarding such matters.
4. The FSMC shall cooperate with the SFA in promoting nutrition education in the school cafeteria and in the SFA's efforts to link nutrition education in the classroom with healthful foods, including fresh fruits and vegetables, offered in the school cafeteria. The FSMC shall promote nutrition education aspects of the SFAs child nutrition program and cooperate in the efforts of the SFA to coordinate these aspects with classroom instruction and federal, state, and local programs. The FSMC shall further promote the nutritional aspects of the child nutrition program by the types of foods they serve as part of the program meals, as well as à la carte and vending sales.
5. The FSMC shall supply foods required for students for when special diets have been prescribed by a medical doctor or other recognized medical authority. The FSMC shall seek assistance from a registered dietitian to translate the diet prescription into actual foods to be available.
6. The FSMC shall cooperate with the SFA in the utilization of an advisory board composed of students, parents, teachers, other school personnel, and a FSMC representative to assist in planning meals and promoting participation. The FSMC shall meet with the advisory board at least quarterly and will document the proceedings and outcomes of the meetings.
7. The SFA may request the FSMC to provide additional food service; however, the SFA reserves the right, at its sole discretion, to sell or dispense any food or beverage in conjunction with other school events. For any services provided by the FSMC outside of the normal scope of this agreement, the FSMC will follow all applicable rules and regulations and maintain adequate records to meet the requirements of said program(s).

8. Upon the SFA's request, the FSMC shall provide catered food service events at times and prices mutually agreed upon by the SFA and FSMC. Catered events will include any meal function that is not associated with the SFA's nonprofit child nutrition program such as banquets, luncheons, breakfasts, or other special meal functions. At the time the catered event is requested, a firm price per meal shall be confirmed in writing.
9. The FSMC shall not be reimbursed for any meals which are spoiled or unwholesome at the time of service, that do not meet the specifications developed by the SFA, or that do not otherwise meet the requirements of this contract provided, however, that no deduction shall be made unless the SFA shall give the FSMC written notification within 48 hours of the meal service for which the deduction is to be made, specifying the number of meals for which the SFA intends to deduct payment, and setting forth the reasons for the deductions. In addition, meals dropped by the students shall be replaced at no cost to the students.
10. The SFA must make potable water available to children in schools at no charge in all schools or places where reimbursable lunch meals are served during the meal service. In addition, water must be available in the afterschool snack program, and an effort should be made to provide drinking water during field trips with reimbursable bag lunches. However, availability of drinking water is not required at breakfast. The FSMC will include in their firm price the cost of cups, water pitchers, or other supplies purchased in schools where a water fountain or faucet is not practical or available.
11. Any operations of vending machines by the FSMC will be outside of this agreement unless otherwise specified as an addendum to this agreement.

#### **F. Facilities, Equipment and Inventory**

1. The SFA shall make available to the FSMC suitable food service facilities, completely equipped and ready to operate, together with such utilities as heat, fuel, refrigeration, and other utilities as may be reasonably required for the FSMC for the efficient performance of this contract. The FSMC agrees to utilize the SFA-owned equipment and facilities in good and proper manner and shall keep the same in a state of cleanliness to assure strict compliance with health regulations and food safety/HACCP plans.
2. All non-expendable equipment shall be purchased by the SFA. Records of equipment depreciation will be maintained and recorded in the appropriate reporting system. The SFA shall have full access to the food service facilities at all times. Principals or other SFA officials will inform the FSMC prior to use of the facilities during any serving periods. The FSMC shall not use SFA facilities or equipment for preparation of food to be served at any other function unless approved by the SFA.
3. The SFA shall furnish building maintenance services for the food service facilities and shall promptly make all equipment repairs and replacements and shall be responsible for compliance with all federal, state, and local safety and health laws and regulations with respect to the food service facilities. Repairs to expendable and non-expendable equipment or physical facilities due to the negligence of the FSMC, its employees, or its agents shall be the sole responsibility and expense of the FSMC.

The FSMC certifies that they understand that collusive bidding is a violation of federal law and can result in fines, prison sentences, and civil damage awards.
3. Conflicts of interest, gratuities and kickbacks, or other inducements are prohibited. Any employee or any official of the SFA, elective or appointive, who shall take, receive, or offer to take or receive, either directly or indirectly, any rebate, percentage of contract, money, or other

things of value as an inducement or intended inducement in the procurement of business or the giving of business for, or to or from, any person, partnership, firm, or corporation, offering, proposing for, or in open market seeking to make sales to the SFA shall be deemed guilty of a felony, and upon conviction, such person or persons shall be subject to punishment of a fine in accordance with state and/or federal laws.

4. Contracts that permit receipts and/or expenses to accrue to the FSMC are prohibited.
5. The SFA reserves the right to accept and/or reject any and all proposals in the best interest of the SFA. The FSMC agrees that only a fixed firm price contract shall be acceptable. Proposals that are submitted based on a “cost-plus-a-percentage-of-cost” or “cost-plus-a percentage-of-income” basis are prohibited and will not be accepted.
6. Final acceptance of any contract as a result of response to this RFP shall be subject to written approval by the SCDE. This approval requirement shall also extend to any future amendments that may constitute a material change to the contract, as well as the allowable contract renewals specified herein.
7. Renewal of this contract is additionally contingent upon the FSMC’s fulfillment of all contract provisions and obligation relating to USDA donated foods (Reference 7 CFR 250).

Said increase, if any, will be documented in form of an Amendment to the Agreement. Within five (5) days after signing the contract, the FSMC shall deliver to the SFA the executed performance bond payable to the SFA. The profile of all FSMC's on-site personnel and corporate level staff to be assigned to this account shall be included in the response. The specific responsibilities or duties of each individual shall be outlined in the response. Experience in the operation and administration of the child nutrition programs is encouraged (Attachment K).

Any such information submitted shall be evaluated by the SFA to determine if the information could have a material effect on the FSMC's ability to successfully manage the SFA's child nutrition program (Attachment M).

By signing the contract, the FSMC assures the SFA that the FSMC has not been debarred from entering into contracts with the federal government or any entity receiving federal funds or suspended from entering contracts during a time when the vendor is being investigated for a legal action being taken to debar the vendor from contracting activities.

The FSMC shall sign a "Drug-Free Workplace" policy (Attachment N).

The FSMC shall sign a "Non-Collusion Affidavit" (Attachment O) and "Certificate of Independent Price Determination" (Attachment P).

Other (Attachment R) (to be specified by SFA in writing, if applicable).

## INSTRUCTIONS FOR CERTIFICATION FOR DRUG-FREE WORKPLACE

1. By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2.
2. The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award and there is no application, the grantee must keep the identity of the workplace(s) on the file in this office and make the information available for federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified in the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
  - **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 USC 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).
  - **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
  - **Criminal drug statute** means a federal or non-federal criminal statute involving manufacture, distribution, dispensing, use, or possession of any controlled substance.
  - **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including (1) all "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

---

**GOVERNMENTWIDE REQUIREMENTS FOR DRUG-FREE WORKPLACE**

---

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq., as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of federal government policy. 7 CFR Part 400 requires the awarding official to obtain each recipient's agreement, as a condition of the award, to comply with the requirements of Subpart B and C of this regulation. 7 CFR Part 3021.200 through 3021.300 provides specific requirements that must be followed.

- A. There are two requirements if you are a recipient other than an individual.
1. Must make a good faith effort, on a continuing basis, to maintain a drug-free workplace by
    - (a) publishing a drug-free workplace statement and establish a drug-free awareness program as per 7 CFR 3021.205 through 3021.220);
    - (b) taking actions concerning employees who are convicted of violating drug statutes in the workplace 7 CFR 3021.225; and
    - (c) identifying all known workplaces under your federal awards 7 CFR 3021.230.
  2. The drug-free workplace statement must
    - (a) tell your employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in your workplace;
    - (b) specify the actions you take against employees for violating that prohibition;
    - (c) let each employee know that, as a condition of employment under any award, he or she
      - (1) will abide by the terms of the statement; and
      - (2) must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction; and
    - (d) must require that a copy of the statement described in 7 CFR 3021.205 be given to each employee who will be engaged in the performance of any federal award.
- B. The grantee must publish the drug-free workplace statement and establish a drug-free awareness program. If the grantee is a new recipient and does not currently have a policy statement as described in 7 CFR 3021.205 and an ongoing awareness program as described in 7 CFR 3021.215, the recipient must publish the statement and establish the program by the time listed below:
1. If the performance period of the award is less than 30 days, then you must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
  2. If the performance period of the award is 30 days or more, then you must have the policy statement and program in place within 30 days after award.
  3. If you believe there are circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program, then you may ask the Department of Agriculture awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.
- C. There are two actions that must be taken if an employee is convicted of a drug violation in the workplace, as per Part 3021.225:
1. First, you must notify federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by 7 CFR 3021.205(c)(2), or you otherwise learn of the conviction. Your notification

to the federal agencies must:

- (a) be in writing;
- (b) include the employee's position title;
- (c) include the identification number(s) of each affected award;
- (d) be sent within ten calendar days after you learn of the conviction, and
- (e) be sent to every federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the federal agency has specified a central point for the receipt of the notices.

- 2. Second, within 30 calendar days of learning about an employee's conviction, you must either:
  - (a) take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, or
  - (b) require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

D. The grantee must identify all known workplaces under each Department of Agriculture award. A failure to do so is a violation of your drug-free workplace requirements as contained in 7 CFR 3021.230. The grantee may identify the workplaces.

- 1. To the Department of Agriculture official making the award, either at the time of application or upon award; or  
In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Department of Agriculture officials or their designated representatives. Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio stations).
- 2. If you identified workplaces to the Department of Agriculture awarding official at the time of application or award, as described in paragraph 1.(a) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Department of Agriculture awarding official.

E. As an individual recipient according to 7 CFR 3021.300, an individual recipient must agree that

- 1. They will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and
- 2. If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you must report the conviction
  - (a) In writing.
  - (b) Within 10 calendar days of the conviction.
  - (c) To the Department of Agriculture awarding official or other designee for each award that you currently have, unless 7 CFR 3021.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

Check  if there are workplaces on file that are not identified here.

## SECTION NINE – RFP Evaluation Criteria and Guidance

### GENERAL GUIDANCE FOR ESTABLISHING RFP EVALUATION CRITERIA

The SFA must determine evaluation criteria in advance, to include what percentage/points (total of 100 percentage/points) will be given for each category when comparing proposals. **USDA mandates that price/cost MUST be the primary criteria. This means price/cost must have the most weight of all categories.**

If the SFA is subject to the South Carolina Consolidated Procurement Code (South Carolina Code of Laws, Title 11, Chapter 35), Section 11-35-1528 (5) **requires that price/cost cannot be weighted at less than sixty (60) percent.** If the SFA’s local procurement code is more restrictive, then the local procurement code must be followed.

If the SFA is not subject to the South Carolina Consolidated Procurement Code, refer to the local SFA procurement code for guidance and parameters. **If a local code is silent, it is recommended (but not required) that price/cost be weighted at a minimum of fifty (50) percent.**

Other evaluation criteria may include, but is not limited to those found on the **RFP EVALUATION SCORE SHEET**. Beyond the requirements referenced above, the SFA has discretion in selecting and weighting the criteria. However, USDA regulations prohibit prior direct experience between a SFA and a FSMC from being used as a specific evaluation criterion.

Once published in the RFP, the SFA must not change or bypass the evaluation criteria.

### SUGGESTED COMPOSITION OF THE RFP EVALUATION COMMITTEE

At a minimum, the committee should include at least one member from each of the following categories:

- SFA administration (superintendent, finance/business official, procurement officer, staff attorney)
- School principal and/or assistant principal
- SFA child nutrition program director/supervisor (if unavailable, from a similar sized SFA)
- Teacher and/or other school-level personnel
- Other stakeholders (school board representative, school nurse, registered dietician, wellness policy committee representative, School Nutrition Association of South Carolina member, etc.)
- SCDE representative (Non-Voting)

#### List Names and Titles of Evaluation Committee Members

Member Name [May be redacted during the RFP process]	Role / Title
	<b>Chief Financial Officer</b>
	<b>Principal</b>
	<b>Literacy Coach</b>
	<b>School Nurse</b>
	<b>SFA child nutrition program supervisor.</b>

## EVALUATION COMMITTEE GUIDANCE

The SFA's procurement officer or other acceptable appointee serves as the chairperson of the evaluation committee. The chairperson must address the following areas before the evaluation process begins.

1. **CONFLICT OF INTEREST**—No member of the evaluation committee may be an agent for, employee of, associated or affiliated with an FSMC in any manner. Additionally, no conflict of interest shall exist for any member of the evaluation committee (i.e., (1) part ownership in any company submitting an offer, (2) immediate family member works for or has part ownership in any company submitting an offer, and/or (3) any other reason why a member of the evaluation committee cannot give an impartial evaluation).
2. **INDEPENDENT EVALUATION**—Each member of the evaluation committee must score each and every proposal independently.

For emphasis in understanding and rating proposals, it is suggested that proposals be read and rated a second time. (First reading check against RFP requirements; second reading should be more comprehensive.)

After all proposals are scored, a committee meeting will be held for the purpose of general discussions prior to finalizing scores in ink and making an award. All information is confidential until such time as an award is issued.

3. **NONRESPONSIVE PROPOSAL**—Proposals not complying with all essential requirements will be considered non-responsive and therefore rejected. Evaluation (scoring) will not be performed. The procurement official is responsible for any final determination of responsiveness. (Check responses against requirements of the RFP. Read and be prepared to discuss if considered non-responsive.)
2. **RATING STRUCTURE**—Subject to the provision referenced herein, the evaluation points for each award criteria are as selected by the SFA and indicated on the evaluation sheet.
5. **COST (“per meal equivalent guarantee”)**—The points for the price/cost section of the evaluation will be figured by a SFA official as specified in this section. The evaluation committee should initially evaluate all proposals without consideration of cost. The per meal equivalent guarantee is to be calculated using the lowest per meal equivalent guarantee submitted by any offeror divided by the per meal equivalent guarantee offered by the specific FSMC being evaluated. That result shall then be multiplied by the weighted amount to obtain the maximum points to be awarded.
6. **DOCUMENTATION OF SCORING**—Evaluation committee members may support their reasoning for discussions and scoring with appropriate documentation or notes. Any such documentation or notes must be made on a separate work sheet for each offeror. Work sheets and evaluator's notes will not be taken up or become a part of the file. Evaluative documents pre-decisional in nature containing technical evaluations and recommendations are exempted from public disclosure so long as the contract award does not expressly adopt or incorporate those evaluative documents reflecting the pre-decisional deliberations. Do not write in the proposals or on the final score sheets, which when turned in, become part of the procurement file.
7. **ORAL PRESENTATION**—The committee may request an oral presentation from offerors. In that event, all qualified offerors must be afforded the opportunity to give oral presentations. Presentations made by the FSMCs shall be confidential. Discussions must not be held with anyone other than the procurement official or the other evaluation committee members while in an officially called evaluation committee meeting. All information is confidential until such time as an award is issued.
8. **PROTEST HEARING**—All decisions by the committee are subject to protest. Each member and/or the entire committee may be called upon to explain or defend their individual ratings.

## SECTION TEN – UNALLOWABLE CONTRACT PROVISIONS

The following indicate problem areas that have been identified in SFA-FSMC contract documents. The contract documents must be thoroughly checked, regardless of the procurement method used, to ensure that these areas have not been included, in any form. Indicate with a check mark (✓) in each block that the review of the document(s) indicates that there are no such provisions in the reviewed document(s), unless specified below.

Check (✓) as described above.

- 1. **Cost Plus a Percentage of Cost/Income**—cost plus a percentage of cost/income to the FSMC, however represented.
- 2. **Duplicate Fees**—fee structures that permit a FSMC to bill management fees and charge the same costs as cost-reimbursable expenses.
- 3. **Purchasing**—if the SFA does the purchasing, clauses that limit the selection of vendors to only FSMC-approved vendors. (FSMC may not serve as a vendor.)
- 4. **Acceleration Clause**—provisions (multi-year) that require full payment (e.g., program equipment purchases) if the contract is not re-negotiated.
- 5. **Interest Payments**—interest payments to the contractor, however represented, including interest payments for equipment purchases.
- 6. **Guaranteed Return**—“guaranteed return” provisions unless the “return” remains in the nonprofit school food service account. “Returns” cannot be contingent upon multi-year contract duration.
- 7. **Delegation of SFA Responsibilities**—FSMC responsibility for any of the functions that must be retained by the SFA.
- 8. **Automatic Renewal**—provisions which automatically renew the contract.
- 9. **Processing Contracts**—contract document language that permits the FSMC to subcontract USDA foods for further processing.
- 10. **USDA Food Rebates, Prepayment or Other Procurement Bonuses, Special Promotions**—contract document language that permits such rebates, special promotions, or other financial purchasing incentives to accrue to the FSMC or any other entity besides the SFA’s nonprofit child nutrition program.
