This section allows the City of Conroe to develop and apply award evaluation criteria for procurement in order to obtain goods or services that provide the **Best Value** to the City. Under these guidelines, a vendor is not automatically awarded a bid simply because they submit the lowest bid response. 7. **Term of Contract:** This Contract shall be for one (1) year (12 Mos.) with no change in price with the option to renew for up to four (4) years in one-year increments. Any request to change the price will ONLY be allowed at time of renewal and at the sole discretion of the City of Conroe.

The City of Conroe shall not be responsible for any verbal communication between any representative of the City and any potential firm. All modifications to this solicitation must be made in writing. A proposer's failure to examine relevant documents or specifications will not relieve proposer from any obligation with regard to their response to this invitation.

9. **Substitutions:**

Where materials or equipment are specified by a trade or brand name, it is not the intention of the City to discriminate against an equal product of another manufacturer, but to set a definite standard of quality or performance, and to establish an equal basis for the evaluation of bids. In preparing his bid, each bidder is expected to include in his base bid the cost of the items so specified.

10. **Default:**

The City reserves the right to terminate the contract immediately for failure to meet delivery or completion schedules, or otherwise perform in accordance with the general conditions of this proposal.

16: Conditions of Work:

Bidders are expected to be fully informed of specifications and labor conditions under which the work will be performed, and to have thoroughly reviewed the plans, contract documents and specifications. Failure to do so will not relieve a successful bidder of any obligations to furnish material and labor necessary to complete the project.

17. Indemnification:

The Proposer shall, defend, indemnify, and hold harmless the City of Conroe, their officers, and agents from and against any and all claims, demands, causes of action, orders, decrees, or judgments for injury, death, damage to person or property, loss, damage, or liability of any kind (including without limitation liability under any federal, state, or local environmental law, Compensation and Liability Act; fees and costs (including all costs or settlements and reasonable attorney's fees incurred in defending any claim, demand, or cause of action) occasioned by, growing out of, or arising from (a) the performance of any product or service to be supplied by the Proposer, or (b) by any act, error or omission on the part of the Proposer, its agents, employees, or subcontractors, and or (c) any
