A protest shall be in writing, shall set forth the grounds of the protest and the relief requested with enough particularity to give notice of the issues to be decided, and must be received by the appropriate chief procurement officer within the time provided.

2.0.20 PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015):

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

- a) During the period between publication of the solicitation and final award, **you must not communicate, directly or indirectly, with the District or its employees, agents or officials regarding any aspect of this procurement activity**, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer.
- b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. **You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the District during the period beginning eighteen months prior to the Opening Date.**

Questions regarding the original solicitation or any amendment must be received by the Procurement Officer no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication regarding your questions with the name of the Procurement Officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a solicitation will be furnished promptly to all other prospective Offerors as an Amendment to the solicitation, if that information is necessary for submitting

offers or if the lack of it would be prejudicial to other prospective Offerors. See clause entitled “Duty to Inquire.” **We will not identify you in our answer to your question.**

- b) The BCSD seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer – as soon as possible – regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition.

2.0.23 REJECTION/CANCELLATION:

The BCSD may cancel this solicitation in whole or in part. The BCSD may reject any or all proposals in whole or in part. A minimum of three bids is desired. If less than three bids are received, BCSD will make a determination to accept the bids received or reject the bids and cancel the solicitation.

2.0.24 RESPONSIVENESS / IMPROPER OFFERS (JUN 2015):

- a) Bid as Specified: Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.
- b) Multiple Offers: Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate Offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple Offers may be submitted as one document, provided that you clearly differentiate between each Offer and you submit a separate cost proposal for each Offer, if applicable.
- c) Responsiveness: Any Offer that fails to conform to the material requirements of the Solicitation may be rejected as non-responsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the BCSD cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]
- d) Price Reasonableness: Any Offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].
- e) Unbalanced Bidding: The BCSD may reject an Offer as non-responsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the BCSD

even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

- f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provision of the solicitation

2.0.25 SIGNING YOUR OFFER:

Every Offer must be signed by an individual with actual authority to bind the Offeror.

- a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm
- b) If the Offeror is a partnership, the Offer must be submitted in the partnership name followed by the words “by its Partner”, and signed by a general partner.
- c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign.
- d) An Offer may be submitted by a Joint Venturer involving any combination of individuals, partnerships, or corporations. If the Offeror is a Joint Venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the Joint Venture in the manner prescribed in paragraphs a) through c) above for each type of participant.
- e) If an Offer is signed by an Agent, other than as stated in subparagraphs a) through d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the Agent’s authorization to bind the principal.

2.0.26 BCSD OFFICE CLOSINGS:

If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the BCSD office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If BCSD offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference.

2.0.27 SUBMITTING CONFIDENTIAL INFORMATION (FEB 2015): (An overview is available at www.procurement.sc.gov):

- a) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either
 - 1) a trade secret as defined in Section 30-4-40(a)(1) or
 - 2) privileged and confidential, as that phrase is used in Section 11-35-410.
- b) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act.
- c) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810.
- d) All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (Bid, Proposal, Quote, etc.) as confidential, trade secret, or protected! If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the BCSD may, in its sole discretion, determine it non-responsive. If only portions of a page are subject to some protection, do not mark the entire page.
- e) By submitting a response to this solicitation or request, Offeror:
 - 1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED",
 - 2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and
 - 3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.

- f) In determining whether to release documents, the BCSD will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "confidential" or "trade secret" or "PROTECTED".
- g) By submitting a response, Offeror agrees to defend, indemnify and hold harmless the BCSD, its officers, and its employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the District, that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

2.0.28 WITHDRAWAL OR CORRECTION OF OFFER:

Offers may be withdrawn by written notice received at any time before the exact time set for opening. If the Solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for opening. A bid may be withdrawn in person by a bidder or its authorized representative if, before the exact time set for opening, the identity of the person requesting withdrawal is established and the person signs a receipt for the bid. The withdrawal and correction of Offers is governed by S.C. Code Section 11-35-1520 and Regulation 19-445.2085.

7.0.18 THIRD PARTY BENEFICIARY (JAN 2006):

This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Contract as a third party beneficiary or otherwise.

7.0.19 WAIVER (JAN 2006):

The-BCSD does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of the BCSD's rights under this Contract. Any waiver must be in writing.

7.1 TERMS AND CONDITIONS – B. SPECIAL:

7.1.1 CHANGES (JAN 2006):

a) Contract Modification: By a written order, at any time, and without notice to any surety, the Procurement Officer may, subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:

- 1) drawings, designs, or specifications, if the supplies to be furnished are to be specially manufactured for the BCSD in accordance therewith;
- 2) method of shipment or packing;
- 3) place of delivery;
- 4) description of services to be performed;
- 5) time of performance (*i.e.*, hours of the day, days of the week, etc.); or,
- 6) place of performance of the services.

Subparagraphs 1) to 3) apply only if supplies are furnished under this contract.

Subparagraphs 4) to 5) apply only if services are performed under this contract.

b) Adjustments of Price or Time for Performance: If any such change increases or decreases the Contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the Contractor from proceeding with the Contract as changed, provided that the BCSD promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

- c) Time Period for Claim: Within 30 days after receipt of a written contract modification under Paragraph a) of this clause, unless such period is extended by the Procurement Officer in writing, the Contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the Contractor's claim unless the BCSD is prejudiced by the delay in notification.
- d) Claim Barred After Final Payment: No claim by the Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

7.1.2 COMPLIANCE WITH LAWS (JAN 2006):

During the term of the Contract, Contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.

7.1.3 CONTRACT LIMITATIONS (JAN 2006):

No sales may be made pursuant to this Contract for any item or service that is not expressly listed. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this Contract and may subject Contractor to suspension or debarment.

7.1.4 CONTRACTOR'S LIABILITY INSURANCE – GENERAL (FEB 2015):

- a) Without limiting any of the obligations or liabilities of Contractor, Contractor shall procure from a company or companies lawfully authorized to do business in South Carolina and with a current A.M. Best rating of no less than A: VII, and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work and the results of that work by the contractor, his agents, representatives, employees or subcontractors.
- b) Coverage shall be at least as broad as:
 - 1) Commercial general Liability (CGL): Insurance Services Office (ISO) Form Number CG 00 01 12 07 covering CGL on an "occurrence" basis, including products-completed operations, personal and advertising injury, with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in this policy.
 - 2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

- 3) Worker's Compensation: As required by the State of South Carolina, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

General Liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form Number CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used.
- d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the District, every applicable Using Governmental Unit, and the officers, officials, employees and volunteers of any of them. Any insurance or self-insurance maintained by the District, every applicable Using Governmental Unit, or the officers, officials, employees and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.
- e) Prior to commencement of the work, the Contractor shall furnish the District with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this section. All certificates are to be received and approved by the District before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The District reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this section, at any time.
- f) Should any of the above described policies be cancelled before the expiration date thereof; notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the District immediately upon receiving any information that any of the coverages required by this section are or will be changed, cancelled, or replaced.
- g) Contractor hereby grants to the District and every applicable Using Governmental Unit a waiver of any right to subrogation which any insurer of said Contractor may acquire against the District or applicable Using Government Unit by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the District or Using Governmental Unit has received a waiver of subrogation endorsement from the insurer.
- h) Any deductibles or self-insured retentions must be declared to and approved by the District. The District may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses with the retention.

- i) The District reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insure, coverage, or other special circumstances.

7.1.5 CONTRACTOR PERSONNEL (JAN 2006):

The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

7.1.6 CONTRACTOR'S OBLIGATION – GENERAL (JAN 2006):

The Contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime Contractor and assume full responsibility for any Subcontractor's performance. The Contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements.

7.1.7 DEFAULT:

- a) 1) The District may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the contractor, terminate this contract in whole or in part if the contractor fails to –
 - i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
 - ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause; or
 - iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).
- 2) The District's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the contractor does not cure such failure within 19 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement officer specifying the failure.
- b) If the District terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the contractor will be liable to the District for any excess costs for those supplies or services. However, the contractor shall continue the work not terminated.

- c) Except for defaults of subcontractors at any tier, the contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the District in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the contractor.
- d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the contractor and subcontractor, and without the fault or negligence of either, the contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the contractor to meet the required delivery schedule.
- e) If this contract is terminated for default, the District may require the contractor to transfer title and deliver to the District, as directed by the Procurement Officer, any
 - 1) completed supplies, and
 - 2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the contractor shall also protect and preserve property in its possession in which the District has an interest.
- f) The District shall pay contract price for completed supplies delivered and accepted. The contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The District may withhold from these amounts any sum the procurement officer determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.
- g) If, after termination, it is determined that the contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the District, be the same as if the termination had been issued for the convenience of the District. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the District, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.

h) The rights and remedies of the District in this clause are in addition to any other rights and remedies provided by law or under this contract.

7.1.8 ESTIMATED QUANTITY - UNKNOWN (JAN 2006):

The total quantity of purchases of any individual item on the contract is not known. The District does not guarantee that the District will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information.

7.1.9 ILLEGAL IMMIGRATION (NOV 2008):

(An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. [07-7B097-1]

7.1.10 INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL (FEB 2015):

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party of an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph

shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

7.1.11 INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION (FEB 2015):

- a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter "action") of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security – Definitions) cause in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.
- b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. Indemnitee must reasonably cooperate with contractor's defense of such actions (such cooperation does not require and is without waiver of an Indemnitees attorney/client, work product, or other privilege_ and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor's defense of any action at its own expense. Contractor may not, without Indemnitee's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent:
 - i. includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and
 - ii. is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee's consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction
- c) Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract.

This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.

- d) "Indemnitee" means the Beaufort County School District, its departments, boards and all their respective officers, agents and employees.

7.1.12 INDEMNIFICATION - INTELLECTUAL PROPERTY (FEB 2015):

- a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. BCSD shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. BCSD shall allow Contractor to settle such claim so long as
 - 1) all settlement payments are made by Contractor, and
 - 2) the settlement imposes no non-monetary obligation upon BCSD.
BCSD shall reasonably cooperate with Contractor's defense of such claim.
- b) In the event an injunction or order shall be obtained against BCSD's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:
 - 1) procure for BCSD the right to continue to use, or have used, the acquired item, or
 - 2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by BCSD.

If neither (1) nor (2), above, is practical, BCSD may require that Contractor remove the acquired item from BCSD, refund to BCSD any charges paid by BCSD therefore, and take all steps necessary to have BCSD released from any further liability.

- c) Contractors obligations under this paragraph do not apply to a claim to the extent
 - 1) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD unless Contractor knew its compliance with the BCSD's specifications would infringe an IP right, or
 - 2) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD if the BCSD knowingly relied on a third party's IP right to develop

the specifications provided to Contractor and failed to identify such product to Contractor.

- d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
- e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

7.1.13 INFORMATION SECURITY – DEFINITIONS (FEB 2015):

Third Party – means any person or entity other than the District, the Contractor, or any subcontractors at any tier.

All data, material and documentation prepared for the District pursuant to this contract shall belong exclusively to the District.

7.1.18 PRICE ADJUSTMENTS (JAN 2006):

- a) Method of Adjustment: Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):
 - 1) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

- 2) by unit prices specified in the Contract or subsequently agreed upon;
 - 3) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;
 - 4) in such other manner as the parties may mutually agree; or,
 - 5) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed, all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.
- b) Submission of Price or Cost Data: Upon request of the Procurement Officer, the Contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

7.1.19 PRICE ADJUSTMENT – LIMITED – AFTER INITIAL TERM ONLY (JAN 2006):

Upon approval of the Procurement Officer, prices may be adjusted for any renewal term. Prices shall not be increased during the initial term. Any request for a price increase must be received by the procurement officer at least ninety (90) days prior to the expiration of the applicable term and must be accompanied by sufficient documentation to justify the increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the Procurement Officer no later than fifteen (15) days after the Procurement Officer sends contractor notice rejecting the requested price increase.

7.1.20 PRICE ADJUSTMENTS – LIMITED BY CPI “OTHER GOODS AND SERVICES” (JAN 2006):

Upon request and adequate justification, the Procurement Officer may grant a price increase up to but **not to exceed 3%**, the unadjusted percent change for the most recent 12 months for which data is available, that is not subject to revision, in the Consumer Price Index (CPI) for all urban consumers (CPI-U), “Other Goods and Services” for services, as determined by the Procurement Officer. The Bureau of Labor and Statistics publishes this information on the web at www.bls.gov. **If the annual year-over-year CPI increase is greater than 5%, the District will consider negotiations for the increased cost over the 3% limit. However, at the next anniversary date of the contract, if the annual CPI percentage is below 3%, pricing will be adjusted**

downward to reflect the CPI index prior to the extraordinary increase for the previous year, not to exceed an average annual increase of 3% since contract inception.

7.1.21 PURCHASING CARD (JAN 2006):

Contractor agrees to accept payment by the South Carolina Purchasing Card for no extra charge. The Purchasing Card is issued by Visa. The purchasing card allows BCSD to make authorized purchases from a vendor without the requirement to issue a purchase order.

7.1.22 RELATIONSHIP OF THE PARTIES (JAN 2006):

- a) Citizens, as well as public employees (acting in their individual capacity), should not be unnecessarily required to agree to or provide consent to policies or contractual terms in order to access services acquired by the district pursuant to this contract (hereinafter “applicable services”) or, in the case of public employees, to perform their job duties; accordingly, in performing the work, contractor shall not require or invite any citizen or public employee to agree to or provide consent to any end user contract, privacy policy, or other terms of use (hereinafter “terms of use”) not previously approved in writing by the procurement officer. Contractor agrees that any terms of use regarding applicable services are void and of no effect.
- b) Unless expressly provided in the solicitation, public contracts are not intended to provide contractors an opportunity to market additional products and services; accordingly, in performing the work, contractor shall not – for itself or on behalf of any third party – offer citizens or public employees (other than the procurement officer) any additional products or services not required by the contract.
- c) Any reference to contractor in items (a) or (b) also includes any subcontractor at any tier. Contractor is responsible for compliance with these obligations by any person or entity that contractor authorizes to take any action related to the work.
- d) Any violation of this clause is a material breach of contract. The parties acknowledge the difficulties inherent in determining the damage from any breach of these restrictions. Contractor shall pay the District liquidated damages of \$1,000 for each contact with a citizen or end user that violates this restriction.

7.1.24 STORAGE OF MATERIALS (JAN 2006):

Absent approval of the District, Contractor shall not store items on the premises of the using governmental unit prior to the time set for installation.

7.1.25 TERM OF CONTRACT – EFFECTIVE DATE / INITIAL CONTRACT PERIOD:

7.1.26 TERM OF CONTRACT – OPTION TO RENEW (Jan 2015):

- a) At the end of the initial term, and at the end of each renewal term, this contract has the option to renew for a period of four (4) years, unless contractor receives notice that the BCSD elects not to renew the contract at least thirty (30) days prior to the date of renewal. With the exception of a voluntary extension subject to BCSD Superintendent’s approval, this contract expires no later than the last date stated on the maximum contract periods.
- b) Contractor acknowledges that, unless excused by Section 11-57-320, if the contractor is on the then-current Iran Divestment Act List as of the date of any contract renewal, the renewal will be void ad initio.

7.1.27 TERM OF CONTRACT - TERMINATION BY CONTRACTOR (JAN 2006):

Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least ninety days prior to the effective date of termination.

7.1.28 TERMINATION FOR CONVENIENCE – (JAN 2006):

- a) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.
- b) Contractor’s Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor’s right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

- c) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer:
- 1) any completed supplies; and
 - 2) Such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract right (hereinafter called “manufacturing material”) as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the District has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this section in no way implies that the District has breached the contract by exercise of the Termination for Convenience Clause.
- d) Compensation.
- 1) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with subparagraph (c) of this paragraph.
 - 2) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under paragraph (3) of this clause, and the contract price of the work not terminated;
