  - (3) No attempt has been made or will be made by the Offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.
- (b) Each signature on the offer is considered to be a certification by the signatory that the signatory:

**CODE OF LAWS AVAILABLE:** The District's Procurement Code is available at: [www.lexrich5.org](http://www.lexrich5.org).

**DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE:**

You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are (a) preventing the existence of conflicting roles that might bias a contractor's judgment, and (b) preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the District may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. Without limiting the foregoing, you represent that your offer identifies any services that relate to either this solicitation or the work and that has already been performed by you, a proposed subcontractor, or an affiliated business of either.

**DEADLINE FOR SUBMISSION OF OFFER:** Any offer received after the Procurement Officer of the District or their designee has declared that the time set for opening has arrived, shall be rejected unless the offer has been delivered to the designated District office or mailroom as instructed on the Cover page prior to the bid opening.

**DRUG FREE WORK PLACE CERTIFICATION:** By submitting an Offer, Contractor certifies that, if awarded a contract, Contractor will comply with all applicable provisions of The Drug-free Workplace Act, Title 44, Chapter 107 of the South Carolina Code of Laws, as amended.

**DUTY TO INQUIRE:** Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to the District's attention. See clause entitled "Questions from Offerors."

**ETHICS CERTIFICATE:** By submitting an offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding of contract. The district may rescind any contract and recover all amounts expended

as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed.

**OMIT TAXES FROM PRICE:** Do not include any sales or use taxes in your price that the District may be required to pay.

**OPEN TRADE REPRESENTATION:** By submitting an Offer, Offeror represents that the Offeror is not currently engaged in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined SC Code Section 11-35-5300.

**PROTESTS:** If you are aggrieved in connection with the solicitation or award of the contract, you may be entitled to protest, but only as provided in Section 11-35-4210. To protest a solicitation, you must submit a protest within fifteen days of the date the applicable solicitation document is issued. To protest an award, you must (i) submit notice of your intent to protest within seven business days of the date the award notice is posted, and (ii) submit your actual protest within fifteen days of the date the award notice is posted. Days are calculated as provided in Section 11-35-310(13). Both protests and notices of intent to protest must be in writing and must be received by the appropriate Chief Procurement Officer within the time provided. See clause entitled "Protest- CPO". The grounds of the protest and the relief requested must be set forth with enough particularity to give notice of the issues to be decided.

**PROHIBITION AGAINST CONFLICTS OF INTERESTS, GRATUITIES AND KICKBACKS:** "Any employee or any official of the school district, elective or appointive, who shall take, receive or offer to take or receive either directly or indirectly, any rebate, percentage of contract, money or other things of value, as an inducement or intended inducement, in the procurement of business, or the giving of business, for, or to, or from, any person, partnership, firm of corporation, offering, bidding for, or in open market seeking to make sales to the school district shall be deemed guilty of a felony and upon conviction such person or persons shall be subject to punishment or a fine in accord with State and/or Federal laws."

**PROHIBITED COMMUNICATIONS AND DONATIONS:** Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law. (a) During the period between publication of the solicitation and final award, **you must not communicate, directly or indirectly, with the with District or its employees, agents or officials regarding any aspect of this procurement activity,** unless otherwise approved in writing by the Procurement Officer. (b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donation to a governmental entity with whom you have or seek to have a contract. You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the District during the period beginning eighteen months prior to the Opening Date.

**PUBLIC OPENING:** Offers will be publicly opened at the date/time and at the location identified on the Cover Page, or last Amendment, whichever is applicable.

**QUESTIONS FROM OFFERORS:** (a) Any prospective Offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions must be received by the Procurement Officer no later than five (5) days prior to opening unless otherwise stated on the Cover Page. Label any communication regarding your questions with the name of the procurement officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a solicitation will be furnished promptly to all other prospective Offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective Offerors. We will not identify you in our answer to your question. (b) The District seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer -- as soon as possible -- regarding any aspect of this procurement, including any aspect of the Solicitation, that unnecessarily or inappropriately limits full and open competition.

**Email is the preferred method for submitting with "Questions: Solicitation # as the subject of the email."**  
**Questions must be submitted in an easily copied format such as Word.**

*Email: [D5bids@lexrich5.org](mailto:D5bids@lexrich5.org)*

**REJECTION/CANCELLATION:** The District may cancel this solicitation in whole or in part. The District may reject any or all proposals in whole or in part.

**RESPONSIVENESS/IMPROPER OFFERS:** (a) Bid as Specified. Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.

(b) Multiple Offers. Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the District cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer.

(d) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price.

(e) Unbalanced Bidding. The district may reject an Offer as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the District even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

**SIGNING YOUR OFFER:** Every Offer must be signed by an individual with actual authority to bind the Offer. (a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm, the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm. (b) If the Offeror is a partnership, the Offer must be submitted in the partnership name, followed by the words by its Partner, and signed by a general partner. (c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign. (d) An Offer may be submitted by a joint venture involving any combination of individuals, partnerships, or corporations. If the Offeror is a joint venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the joint venture in the manner prescribed in paragraphs (a) through (c) above for each type of participant. (e) If an Offer is signed by an agent, other than as stated in subparagraphs (a) through (d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the agent's authorization to bind the principal.

**DISTRICT OFFICE CLOSINGS:** If an emergency or unanticipated event interrupts normal processes so that offers cannot be received at the District as designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal district processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule the bid opening. If district offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference. Useful information may be available at: <http://www.lexrich5.org>

**DISCLOSURE OF YOUR BID / PROPOSAL & SUBMITTING CONFIDENTIAL DATA**

(a) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE DISTRICT MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.

(b) By submitting a response to this solicitation or request, Offeror agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering

into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected", (2) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.

(c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer.

(d) Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the District may, in its sole discretion, determine it nonresponsive.

(e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35- 1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text.

(f) In determining whether to release documents, the District will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected". By submitting a response, you agree to defend, indemnify and hold harmless the District, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the District that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". (All references to S.C. Code of Laws.)

**SUBMITTING A PAPER OFFER OR MODIFICATION:** (a) All prices and notations should be printed in ink or typewritten. Errors should be crossed out, corrections entered and initialed by the person signing the bid. Do not modify the solicitation document itself (including bid schedule). (b) (1) All copies of the offer or modification, and any other documents required to be submitted with the offer shall be enclosed in a sealed, opaque envelope or package. (2) Address to the Office of Procurement Services as specified in the Solicitation (3) The envelope or package must show the time and date specified for opening, the solicitation number, and the name and address of the bidder. ### III. SCOPE OF WORK / SPECIFICATIONS

School District Five of Lexington and Richland Counties is seeking competitive sealed proposals from qualified Offerors to provide smart snack and drink vending machine services for students at Chapin High School, Dutch Fork High School, Irmo High School, Spring Hill High School, and The Center for Advanced Technical Studies.

#### GENERAL INFORMATION

School District Five of Lexington and Richland Counties encompasses an area of approximately 196 square miles, approximately one-half of which is situated in both Lexington and Richland Counties. The School District consists of the northern portion of Lexington County north of Lake Murray and the Saluda River and the northwestern portion of Richland County south of the Broad River. The School District is primarily a residential suburb located to the northwest of the city of Columbia, the capital city of South Carolina. The District has a student population of approximately 17,505 and 2,600 staff members. The District currently operates a total of 13 elementary schools, 2 intermediate schools, 3 middle schools, 4 high schools, 1 Center for Advanced Technical Studies and 1 alternative school. Additional basic information about the District is posted on the District’s website: [www.lexrich5.org](http://www.lexrich5.org).

#### SCOPE OF SERVICES

The District will grant the Contractor the limited exclusive right and privilege, subject to applicable laws and regulations, to install and operate vending machines for the sale of beverages, food and/or snacks on District-owned or managed facilities to students. The District retains the exclusive rights to provide food services and catering within District schools. Food service operations include school breakfast and/or lunch service, afterschool snack programs and “a la carte” snack offerings during lunch service.

If the Contractor does not want or cannot service a designated area, the District reserves the right to cancel the contract. Additional locations or changes in existing service beyond those initially listed herein may be negotiated as required. All purchases made by the Contractor must be in their own name and shall not attempt to bind the District in its contractual agreements.

Contractor shall furnish all machines and ancillary equipment specified and provide all labor, supplies, materials, supervision, change funds and products to fill and maintain all vending machines provided under this agreement for vending sales to students, faculty, staff and visitors. The District shall not be held liable for loss, theft or damage to machines, equipment, tools, materials, supplies, merchandise or personal property the Contractor or its employees located on District property.

The table below indicates the initial schools and quantities of machines. The delivery and installation must be coordinated with the District’s Contract Administrator at each school.

#### FOOD, BEVERAGES AND SNACK PRODUCTS

All products available to students must be fully compliant with District’s Nutritional Policy and the U.S. Department of Agriculture (USDA) Smart Snacks Standards, as it stands, at the inception of the contract and as it is modified in

the future.

A Guide to Smart Snacks in School is available for review at this link: <https://www.fns.usda.gov/tn/guide-smart-snacks-school>

In order to verify a product is acceptable, vendors are encouraged to have products evaluated and approved by the Student Nutrition Office. Placement of products outside the District's nutrition policy or USDA Food Nutrition Service Smart Snacks Standards will be immediately removed. Multiple violations of our nutrition policies will result in a termination of the contract.

### **VENDING MACHINE SPECIFICATIONS**

The District prefers technology that monitors sales and commissions through a handheld computer or other type of electronic mechanism for monetary accounting to eliminate the need for "hands-on" money accounting and the potential misappropriation of funds. If internet access is required for the electronic transmission of data, the vendor will be responsible for the placement of data cables at each machine, under the direction of the District's Contract Administrator at each school. The District requests that the software be able to monitor usage, content, fill rate, etc. in "real-time" to eliminate the need to physically inspect machines for this information.

These machines shall, at a minimum, meet the following requirements:

1. Be presentable in appearance and of sufficient capacity to provide continuous service.
2. Be new, or like new in good mechanical condition, clean and undamaged inside and outside and of reputable manufacturer.
3. Be UL listed, designated, constructed, installed and operated in accordance with the standard of the National Sanitation Foundation, the National Automatic Merchandising Association, U.S. Public Health Service Vending of Food and Beverage Code and all relevant state rules and regulations.
4. Meet ADA requirements to ensure all controls are located between two and four feet from the ground level. Equipment must have signage installed on or near the equipment to meet the needs of our students, i.e. Braille markings.
5. Electrically operated machines shall be double insulated or grounded. All machines must be properly secured to the facility in a manner to avoid injury and damage. District facility staff must be consulted prior to affixing anything to District property to ensure compliance with District safety requirements.
6. Must have the ability to accept cash (both U.S. currency coins and bills, no foreign currency).
7. Must accept credit and debit cards. All sales are to be reported on a "gross sales" basis. Contactor shall be responsible for all debit/credit card fees; these fees shall be considered a cost of doing business and not an adjustment to the revenue for reporting commissions and any potential rebates. Revenue generated through card reader sales will be totaled and be remitted to the District via check payable to the District.
8. Must be able to generate sales totals and trends on demand.
9. Replacement of existing machines or additional machines may be required as facilities expand or volumes increase.
10. Must have non-settable cash meters for reporting sales.
11. Must have remote monitoring capabilities for stocking.
12. Must have at least a 10% better energy performance vs. Tier 2 Energy Star rated. Twenty-four (24) hour, seven (7) day scheduling capability. Schedules must be programmed within two weeks of installation.
13. To minimize power usage, all lights shall be removed from conventional machines upon installation. Glass front machines must have LED lighting and lighting low-power modes.

### **SERVICE**

1. Initial determination of any subsequent changes of products to be offered for sale shall be subject to advance approval by the District's Student Nutrition Office. In addition, the District may require product change at any time based on quality, sales, customer request, or related customer service issues, which may arise.
2. The District must approve initial selling prices and subsequent proposed changes in prices set for existing or new products in advance.
3. Vending machines will be maintained with fresh products, particularly those with cold food items that could spoil or become stale.

4. All products sold through the vending machines shall be obtained from sources that comply with all laws relating to food and food labeling.
5. Food furnished by vending machines is to be free from adulteration, spoilage, filth or other contamination, and suitable for human consumption.
6. The use of food in hermetically sealed containers that was not prepared in a food processing establishment is prohibited.
7. All products will be pulled on or before the expiration date to maintain high quality and freshness.
8. Vending machines will have a “full” appearance; large gaps in the product supply are not acceptable. This may mean that some products will need to be replaced daily, depending on demand.
9. Vending machines will provide a variety of options for the purchasers. The limiting of selection to a single type of product is not acceptable.
10. Healthy foods must be identified with a recognized symbol such as a red heart. Refrigerated machines must have thermometers to guarantee that proper temperatures are maintained for food safety.
11. Contractor will deliver only enough product necessary to fill the vending machines and leave no excess inventory on District properties.
12. The repair of malfunctioning equipment is expected within twenty-four (24) hours after it is reported to the contractor). Same-day service is to be the normal procedure whenever possible. Machines that cannot be repaired on site within three business days are to be replaced with a similar machine.
13. Contractor will empty machine of money at least once each week.
14. Contractor will maintain bill changers at a ninety-five (95%) service level on a daily basis. The bill changers will have a capacity to accommodate users twenty-four (24) hours a day, seven (7) days a week.
15. Contractor will provide monthly reports with sales and stock data to the District.
16. Contractor will be responsible for providing refunds due to insufficient operations of the machine(s).
17. Contractor will supply and maintain an adequate petty cash fund for on-site refunds to be made for problems with the machines. This fund will be replenished on a schedule to guarantee that it is sufficient for needs. A petty cash fund will be needed at each unique address for vending service. In addition to petty cash, the Contractor must post on every machine a method for refunds after the District’s regular business hours.
18. It is paramount importance to the District that our students and staff are protected on school property. Personnel assigned to the schools for service or repair of vending machines must report to school personnel upon arriving at the site for clearance and obtain a visitor’s pass. Personnel shall be uniformed and carry identification when servicing machines under this contract. Personnel assigned to schools must not be previously convicted of crimes against children and are subject to a Background check at the District’s direction. The cost of any requested background checks shall be borne by the Contractor.
19. A representative must be assigned to the District account. This representative will collaborate with the District to schedule implementation of equipment, coordinate approval of any new products that become available during the life of the contract, and troubleshoot any service or quality issues that arise during the life of the contract.

#### **MEETINGS**

The District will schedule a minimum of one (1) meeting per calendar year with the Contractor(s) to ensure that the contract complies with all terms and conditions of the contract by both parties. Either party may schedule additional meetings as the need arises. The meetings will be scheduled with a letter or email to the affected parties, to include required participants and agenda.

#### **UTILITIES**

The District will provide electrical service to designated locations without cost to the Contractor. However, the District will not be liable for equipment or products damage due to an interruption of service beyond its control. Any other utility requirements will be subject to negotiations between the Contractor and the District.

#### **MAINTENANCE**

The District will keep the area around the vending machine in a clean and neat order. The Contractor is required to move equipment, at least once, every six (6) months to insure cleanliness and sanitation of the area. This will occur during winter, spring or summer breaks in coordination with the District’s Facilities Services.

#### **COMMISSION**

The commission statement will be reconciled to the registered readings of the cash accountability meters every month by machine and location. Any malfunction of the non-reset cash accountability meters must be reported immediately to the District. A copy of the commission statement, detailing lime item reporting, corresponding to the amount on the commission check must be attached to the commission checks and send to the Principal of each school. Commission checks shall be endorsed to each individual location and mailed to the school.

1. Collection intervals may not exceed thirty (30) days. If monthly commission payments are not received by the District on the due date in the remittance schedule prescribed, the unpaid commission shall pay a minimum of six percent (6%) interest for late payments.
2. Two (2) failures to remit commission payments to the District on the date prescribed or failure to remit the late commission by the fifteenth (15th) calendar day of the month will be considered justification for contract termination.

The Contractor shall provide statement showing a record of all sales by machine, product, and quantity monthly or as requested by the District. Contractor acknowledges responsibility for all risk with respect to any reduction of gross sales from vending due to theft, fire, accident, vandalism, temporary loss of power, weather, acts of God, changes to the District or individual school calendars, temporary or permanent school closures, changes to school or facility construction plans, changes to athletic and extracurricular programs or schedules, changes to school boundaries or District boundaries which may reduce the number of students in the District, machine failure (refunds), other acts beyond the District's control, and actions within the District's control necessary for sound educational reasons considered typical for public school systems. Unless otherwise expressly agreed by all parties, no reduction in gross sales attributable to such factors will constitute a basis for reducing or renegotiating commission rates or any other payments, to the District.

#### **ELABORATION AND CLARIFICATION**

If you do not ask questions or clarify any assumptions, the District will assume that you agree with and understand the requirements in this solicitation. If, after examination of the various terms and conditions and requirements of this solicitation, the Respondent believes there are any terms and conditions or requirements which remain unclear or which restrict competition, the Respondent must request, in writing, that District clarify the term(s) and condition(s) and requirement(s) specified by the Respondent. The Respondent must provide the Section(s), Subsection(s), Paragraph(s), and page number(s) that identify the conditions or requirements questioned by the Respondent by **12:00PM on September 05, 2023**, which is the last day for questions.

Identify potential subcontractors by providing the business name, address, phone, taxpayer identification number, and point of contact. In determining your responsibility, the District may contact and evaluate your proposed subcontractors.

## **VI. AWARD CRITERIA**

**AWARD CRITERIA - PROPOSALS:** Award will be made to the highest ranked, responsive and responsible offeror whose offer is determined to be the most advantageous to the District.

**AWARD TO ONE OFFEROR:** Award will be made to one offeror.

**DISCUSSIONS AND NEGOTIATIONS – OPTIONAL:** Submit your best terms from both a price and a technical standpoint. Your proposal may be evaluated and your offer accepted without any discussions, negotiations, or prior notice. Ordinarily, nonresponsive proposals will be rejected outright without prior notice. Nevertheless, the District may elect to conduct discussions, including the possibility of limited proposal revisions, but only for those proposals reasonably susceptible of being selected for award. If improper revisions are submitted during discussions, the District may elect to consider only your unrevised initial proposal, provided your initial offer is responsive. The District may also elect to conduct negotiations, beginning with the highest ranked offeror, or seek best and final offers. Negotiations may involve both price and matters affecting the scope of the contract, so long as changes are within the general scope of the request for proposals. If negotiations are conducted, the District may elect to disregard the negotiations and accept your original proposal.

**EVALUATION FACTORS – PROPOSALS:** Offers will be evaluated using only the factors stated below. Evaluation factors are stated in the relative order of importance, with the first factor being the most important. Once evaluation is complete, all responsive offerors will be ranked from most advantageous to least advantageous.

All bids will be reviewed for purposes of determining responsiveness and responsibility. Any bid which does not meet the essential requirements of the District, will be subject to disqualification. For purposes of determining responsibility, all information given by the offeror will be reviewed. The submission of a bid for review does not necessarily qualify the offeror or bid as being responsive or responsible. Failure to provide specific information, as requested, for use in our evaluation will cause your bid to be disregarded. Proposals will be evaluated by a review committee using the following criteria:

1. **Commission Fee-** Portion of vending machine profits given to Contractor (40 points)
2. **Product Variety-** Variety of products available that meet the District’s Nutritional Policy and USDA Smart Snack Guidelines (25 points)
3. **Service Approach-** Ability to furnish all machines/equipment specified and provide all necessary products, labor, supplies, materials, etc., to fill and maintain all vending machines provided (15 points)
4. **Qualifications and Experience-** Contractor demonstrates financial stability, required support infrastructure and staff experience, to include demonstrated experience on similar projects (15 points)

(a) Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from this contract, or delegate any of its performance obligations, without the express written consent of the responsible procurement officer. The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the foregoing, contractor may assign monies receivable under the contract provided that the District shall have no obligation to make payment to an assignee until thirty days after contractor (not the assignee) has provided the responsible procurement officer with (i) proof of the assignment, (ii) the identity (by contract number) of the specific District contract to which the assignment applies, and (iii) the name of the assignee and the exact address or account information to which assigned payments should be made. (b) If contractor amends, modifies, or otherwise changes its name, its identity (including its trade name), or its corporate, partnership or other structure, or its FEIN, contractor shall provide the procurement officer prompt written notice of such change. (c) Any name change, transfer, assignment, or novation is subject to the conditions and approval required by Regulation 19-445.2180, which does not restrict transfers by operation of law.

**BANKRUPTCY - GENERAL:** (a) Notice. In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish written notification of the bankruptcy to the District. This notification shall be furnished within two (2) days of the initiation of the proceedings relating to the bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of all State contracts against which final payment has not been made. This obligation remains in effect until final payment under this Contract. (b) Termination. This contract is voidable and subject to immediate termination by the District upon the contractor’s insolvency, including the filing of proceedings in bankruptcy.

**CHOICE-OF-LAW:** The Agreement, any dispute, claim, or controversy relating to the Agreement, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, except its choice of law rules. Except as otherwise allowed herein, the terms and conditions of all such documents shall be void and of no effect. (c) No contract, license, or other agreement containing contractual terms and conditions will be signed by the District. Any document signed or otherwise agreed to by persons other than the Procurement Officer or designee shall be void and of no effect.

However, any offered discount will form a part of the award, and will be taken if payment is made within the discount period indicated in the offer by the Offeror. As an alternative to offering a discount for prompt payment in conjunction with the offer, Offerors awarded contracts may include discounts for prompt payment on individual invoices. (b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the District annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or a legal holiday when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day.

As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the solicitation. (2) Service of Process. **FIXED PRICING REQUIRED:** Any pricing provided by contractor shall include all costs for performing the work associated with that price. Contractor's price shall be fixed for the duration of this contract, including option terms, except as otherwise provided in this solicitation. This clause does not prohibit contractor from offering lower pricing after award.

**NO INDEMNITY OR DEFENSE:** Any term or condition is void to the extent it requires the District to indemnify, defend, or pay attorney's fees to anyone for any reason.

**NOTICE:** (A) After award, any notices shall be in writing and shall be deemed duly given (1) upon actual delivery, if delivery is by hand, (2) upon receipt by the transmitting party of automated confirmation or answer back from the recipient's device if delivery is by telex, telegram, facsimile, or electronic mail, or (3) upon deposit into the United States mail, if postage is prepaid, a return receipt is requested, and either registered or certified mail is used. It shall be solely the District's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the District to contractor, contractor shall be liable to the District for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor.

**NON-APPROPRIATIONS:** Any contract entered into by the District resulting from this bid invitation shall be subject

to cancellation without damages or further obligation when funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period or appropriated year.

**FOR CAUSE:** Termination by the District for cause, default or negligence on the part of the vendor shall be excluded from the foregoing conditions; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived and the default clause in this bid shall apply.

**DEFAULT:** In case of default by the vendor, the District reserves the right to purchase any or all items in default in the open market, charging the vendor with any additional costs. The defaulting vendor shall not be considered a responsible bidder until the assessed charge has been satisfied.

**WAIVER:** The District does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of District's rights under this Contract. Any waiver must be in writing.

Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the District promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the District is prejudiced by the delay in notification.

(4) Claim Barred After Final Payment. No claim by the contractor for an adjustment hereunder shall be allowed if

notice is not given prior to final payment under this contract.

**CISG:** The parties expressly agree that the UN Convention on the International Sale of Goods shall not apply to this agreement.

**COMPLIANCE WITH LAWS:** During the term of the contract, contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.

No resulting contract is renewable except to the extent provided in the solicitation. No vendor terms take precedence over the solicitation and the District's procurement code.

**CONTRACT LIMITATIONS:** No sales may be made pursuant to this contract for any item or service that is not expressly listed. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment.

**CONTRACTOR'S LIABILITY INSURANCE (GENERAL):**

(a) Without limiting any of the obligations or liabilities of Contractor, Contractor shall procure from a company or companies lawfully authorized to do business in South Carolina and with a current A.M. Best rating of no less than A: VII, and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work and the results of that work by the contractor, his agents, representatives, employees or subcontractors.

If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in the policy.

(2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used.

(d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the District and its officers, officials, employees and volunteers. (e) Prior to commencement of the work, the Contractor shall furnish the District with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this section. All certificates are to be received and approved by the District before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The District reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this section, at any time.

(f) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the District immediately upon receiving any information that any of the coverages required by this section are or will be changed, cancelled, or replaced.

(g) Contractor hereby grants to the District and all of its officers, officials, employees and volunteers a waiver of any right to subrogation which any insurer of said Contractor may acquire against the District by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver

of subrogation, but this provision applies regardless of whether or not the District has received a waiver of subrogation endorsement from the insurer.

(h) Any deductibles or self-insured retentions must be declared to and approved by the District. The District may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(i) The District reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

**CONTRACTOR PERSONNEL:** The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. Contractor personnel shall present a professional appearance at all times while on District property. Personnel shall be neat, clean, well groomed, properly uniformed, and conduct themselves in a respectable and courteous manner and display proper identification. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. No forms of tobacco products, alcohol, and drugs, guns, knives, or other weapons are allowed on the District's premises. The District reserves the right to prohibit any individual employee of the Contractor from providing services on District property or at District events if the District determines, in its sole discretion, that such employee poses a threat to the safety or well-being of students, District/school personnel, or others.

**CONTRACTOR'S OBLIGATION – GENERAL:** The contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime contractor and assume full responsibility for any subcontractor's performance. The contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements.

**CONTRACTOR'S USE OF DISTRICT PROPERTY:** Upon termination of the contract for any reason, the District shall have the right, upon demand, to obtain access to, and possession of, all District properties, including, but not limited to, current copies of all District application programs and necessary documentation, all data, files, intermediate materials and supplies held by the contractor. Contractor shall not use, reproduce, distribute, display, or sell any data, material, or documentation owned exclusively by the District without the District's written consent, except to the extent necessary to carry out the work.

**DEFAULT:** (a)(1) The District may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to-

- (i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
- (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or
- (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause). (2) The District's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the District terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the District for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, may require the Contractor to transfer title and deliver to the District, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials,

parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which the District has an interest.

(f) The District shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The District may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the District, be the same as if the termination had been issued for the convenience of the District. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the District, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes clause.

(h) The rights and remedies of the District in this clause are in addition to any other rights and remedies provided by law or under this contract.

**ILLEGAL IMMIGRATION:** (An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the District upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." You agree to include in any contracts with your subcontractor's language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractor's language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

**INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL:** Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party or an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means District Five of Lexington and Richland Counties, its instrumentalities, agencies, departments, boards, and all their respective officers, agents and employees.

**INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION:** (a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter "action") of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of District information (as defined in the clause titled Information Security – Definitions) cause in whole or

in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.

(b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. Indemnitee must reasonably cooperate with contractor's defense of such actions (such cooperation does not require and is without waiver of an Indemnitee's attorney/client, work product, or other privilege\_ and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor's defense of any action at its own expense. Contractor may not, without Indemnitee's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent: (i) includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and (ii) is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee's consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction.

(c) Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.

(d) "Indemnitee" means the School District 5 of Lexington and Richland Counties, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

**INDEMNIFICATION INTELLECTUAL PROPERTY:** (a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the District, its instrumentalities, agencies departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. The District shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. The District shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon the District. The District shall reasonably cooperate with Contractor's defense of such claim.

(b) In the event an injunction or order shall be obtained against the District's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for the District the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by the District. If either (1) nor (2), above, is practical, the District may require that Contractor remove the acquired item from the District, refund to the District any charges paid by District therefore, and take all steps necessary to have the District released from any further liability.

(c) Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor's compliance with specifications furnished by the District unless Contractor knew its compliance with the District's specifications would infringe an IP right, or (ii) that the claim is caused by Contractor's compliance with specifications furnished by the District if the District knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor.

(d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.

(e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

#### **INFORMATION SECURITY – DEFINITIONS:**

The following definitions are used in those clauses that cross reference this clause.

**Compromise** means disclosure of information to unauthorized persons, or a violation of the security policy of a system in which unauthorized intentional or unintentional disclosure, modification, destruction, or loss of an object may have occurred. Without limitation, the term “compromise” includes copying the data through covert network channels, or copying the data to unauthorized media, or disclosure of information in violation of any obligation imposed by this contract.

**Data** means a subset of information in an electronic format that allows it to be retrieved or transmitted.

**Government information** means information (i) provided to Contractor by, or generated by Contractor for, the using governmental unit, or (ii) acquired or accessed by Contractor as a result of performing the Work. Without limiting the foregoing, government information includes any information that Contractor acquires or accesses by software or web-based services, which includes, without limitation, any metadata or location data. Government information excludes unrestricted information.

**Information** means any communication or representation of knowledge such as facts, statistics, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual.

**Information system** means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.

**Public information** means any specific information, regardless of form or format, that the State has actively and intentionally disclosed, disseminated, or made available to the public. Information is not public information solely because it may be subject to inspection pursuant to an unfulfilled public records request.

**Software** means any computer program accessed or used by the Using Governmental Unit or a third party pursuant to or as a result of this contract.

**Third party** means any person or entity other than the Using Governmental Unit, the Contractor, or any subcontractors at any tier.

**Unrestricted information** means (1) public information acquired other than through performance of the work, (2) information acquired by Contractor prior to contract formation, (3) information incidental to your contract administration, such as financial, administrative, cost or pricing, or management information, and (4) any ideas, concepts, know-how, methodologies, processes, technologies, techniques which Contractor develops or learns in connection with Contractor’s performance of the work.

**Web-based service** means a service accessed over the Internet and acquired, accessed, or used by the using governmental unit or a third party pursuant to or as a result of this contract, including without limitation, cloud services, software-as-a-service, and hosted computer services.

#### **INFORMATION SECURITY - SAFEGUARDING REQUIREMENTS:**

(a) *Definitions.* The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions. In addition, as used in this clause—

**Clearing** means removal of data from an information system, its storage devices, and other peripheral devices with storage capacity, in such a way that the data may not be reconstructed using common system capabilities (i.e., through the keyboard); however, the data may be reconstructed using laboratory methods.

**Intrusion** means an unauthorized act of bypassing the security mechanisms of a system.

**Media** means physical devices or writing surfaces including but not limited to magnetic tapes, optical disks, magnetic disks, large scale integration memory chips, and printouts (but not including display media, e.g., a computer monitor, cathode ray tube (CRT) or other (transient) visual output) onto which information is recorded, stored, or printed within an information system.

**Safeguarding** means measures or controls that are prescribed to protect information.

**Voice** means all oral information regardless of transmission protocol.

(b) *Safeguarding Information.* Without limiting any other legal or contractual obligations, contractor shall implement and maintain reasonable and appropriate administrative, physical, and technical safeguards (including without limitation written policies and procedures) for protection of the security, confidentiality and integrity of the government information in its possession. In addition, contractor shall apply security controls when the contractor reasonably determines that safeguarding requirements, in addition to those identified in paragraph (c) of this clause, may be required to provide adequate security, confidentiality and integrity in a dynamic environment based on an assessed risk or vulnerability.

(c) *Safeguarding requirements and procedures.* Contractor shall apply the following basic safeguarding requirements to protect government information from unauthorized access and disclosure:

(1) Protecting information on public computers or Web sites: Do not process government information on public computers (e.g., those available for use by the general public in kiosks, hotel business centers) or computers that do not have access control. Government information shall not be posted on Web sites that are publicly available or have access limited only by domain/Internet Protocol restriction. Such information may be posted to web pages that control access by user ID/password, user certificates, or other technical means, and that provide protection via use of security technologies. Access control may be provided by the intranet (versus the Web site itself or the application it hosts).

(2) Transmitting electronic information. Transmit email, text messages, blogs, and similar communications that contain government information using technology and processes that provide the best level of security and privacy available, given facilities, conditions, and environment.

(3) Transmitting voice and fax information. Transmit government information via voice and fax only when the sender has a reasonable assurance that access is limited to authorized recipients.

(4) Physical and electronic barriers. Protect government information by at least one physical and one electronic barrier (e.g., locked container or room, login and password) when not under direct individual control.

(5) Sanitization. At a minimum, clear information on media that have been used to process government information before external release or disposal. Overwriting is an acceptable means of clearing media in accordance with National Institute of Standards and Technology 800–88, Guidelines for Media Sanitization, at [http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88\\_with-errata.pdf](http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88_with-errata.pdf).

(6) Intrusion protection. Provide at a minimum the following protections against intrusions and compromise:

(i) Current and regularly updated malware protection services, e.g., anti-virus, antispyware.

(ii) Prompt application of security-relevant software upgrades, e.g., patches, service packs, and hot fixes.

(7) Transfer limitations. Transfer government information only to those subcontractors that both require the information for purposes of contract performance and provide at least the same level of security as specified in this clause.

(d) *Subcontracts.* Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement requirements at least as secure as those imposed by this clause on, any other person or entity that contractor authorizes to take action related to government information.

(e) *Other contractual requirements regarding the safeguarding of information.* This clause addresses basic requirements and is subordinate to any other contract clauses or requirements to the extent that it specifically provides for enhanced safeguarding of information or information systems.

**INFORMATION SECURITY – LOCATION OF DATA:** Notwithstanding any other provisions, contractor is prohibited from processing, storing, transmitting, or accessing government information, as defined in the clause titled Information Security - Definitions, outside the continental United States. For clarity, this obligation is a material requirement of this contract and applies to subcontractors at any tier.

#### **INFORMATION USE AND DISCLOSURE:**

Except to the extent necessary for performance of the work, citizens should not be required to share information with those engaged by the government in order to access services provided by the government and such information should be used by those engaged by the government only to the extent necessary to perform the work acquired; accordingly, this clause addresses basic requirements for the Contractor's use and disclosure of government information, which expressly includes, but is not limited to, information provided by or obtained from the citizens. Anonymizing

information does not resolve the foregoing concern. This clause should be broadly interpreted to effectuate this intent. Every obligation in this clause is material. Absent express reference to this clause, this clause supersedes any other clause to the extent of any inconsistency unless and to the extent the other clause provides greater protection for government information.

- (a) *Definitions.* The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions.
- (b) *Legal mandates.* Contractor shall be permitted to use, disclose, or retain government information to the limited extent necessary to comply with any requirement imposed on Contractor by law. If it is necessary for Contractor to use, disclose, or retain government information in order to comply with a law, Contractor shall provide using governmental unit with written notice, including a description of the circumstances and applicable law, in advance of such use, disclosure or retention except to the extent expressly prohibited by law.
- (c) *Flow down.* Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement the requirements of this clause on, any other person or entity that contractor authorizes to take action related to government information.
- (d) *Collecting Information.* Contractor must gather and maintain government information only to the minimum extent necessary to accomplish the work.
- (e) *Rights, Disclosure and Use.* Except as otherwise expressly provided in this solicitation, Contractor agrees NOT to either (1) use or disclose government information, or (2) retain government information after termination or expiration of this contract. Contractor acquires no rights in any government information except the limited rights to use, disclose and retain the government information in accordance with the terms of this solicitation. To the extent reasonably necessary to perform the work, Contractor may: (i) use (including access, process, transmit, and store) and maintain the government information itself; and (ii) disclose government information to persons having a need-to-know (e.g., subcontractors). Before disclosing government information to a subcontractor or third party, Contractor shall give the using governmental unit detailed written notice of both the reason for disclosure and the identity and location of the recipient. The notice shall be provided no later than fifteen (15) business days in advance of the disclosure.
- (f) *Return.* Notwithstanding the using governmental unit's failure to perform or the pendency of a dispute, Contractor agrees to promptly deliver to the using governmental unit (or destroy, at the using governmental unit's option) all government information in its possession as and upon written request of using governmental unit (provided that, if the contract has not expired or been terminated, Contractor shall be excused from the performance of any work reasonably dependent on Contractor's further access to such government information).
- (g) *Privacy Policy & Applicable Laws.* Without limiting any other legal or contractual obligations imposed by this contract or the law, Contractor shall (a) comply with its own privacy policies and written privacy statements relevant to the work, and (b) comply with (1) all laws applicable to Contractor regarding government information, and (2) all laws and standards identified in the clause, if included, entitled Information Use and Disclosure – Standards.
- (h) *Actions Following Disclosure.* Immediately upon discovery of a compromise or improper use of government information, Contractor shall take such action as may be necessary to preserve forensic evidence and eliminate the cause of the compromise or improper use. As soon as practicable, but no later than twenty-four hours after discovery, Contractor shall notify using governmental unit of the compromise or improper use, including a description of the circumstances of the use or compromise. As soon as practicable after discovery, Contractor shall undertake a thorough forensic investigation of any compromise or improper use and provide the using governmental unit all information necessary to enable the using governmental unit to fully understand the nature and extent of the compromise or improper use. With regard to any compromise or improper use of government information, Contractor shall: (1) provide any notification to third parties legally required to be provided such notice by Contractor, and if not (e.g., if legally required of the using governmental unit), Contractor shall reimburse using governmental unit for the cost of providing such notifications; (2) pay all costs and expenses for at least two years of identity theft monitoring services (including without limitation, credit monitoring) and identity theft restoration services for any such affected individuals receiving notice where such services are appropriate given the circumstances of the incident and the nature of the information compromised; (3) undertake any other measures that are customary and reasonable for an entity to take when experiencing a similar disclosure, (4) pay any related fines or penalties imposed on the using governmental

unit, and (5) reimburse the Using Governmental Unit all costs reasonably incurred for communications and public relations services involved in responding to the compromise or improper use. Notwithstanding any other provision, contractor's obligations pursuant to this item (h) are without limitation.

(i) *Survival & Remedy.* All the obligations imposed by this paragraph are material. The obligations of this section shall survive termination or expiration of the contract. Without limiting any rights the using governmental unit may have, and notwithstanding any other term of this contract, Contractor agrees that using governmental unit may have no adequate remedy at law for a breach of Contractor's obligations under this clause and therefore the using governmental unit shall be entitled to pursue equitable remedies in the event of a breach of this clause.

#### **INFORMATION USE AND DISCLOSURE – STANDARDS:**

To the extent applicable:

(a) Breach of security of state agency data; notification; rights and remedies of injured parties; penalties; notification of Consumer Protection Division, S.C. Code Ann. Section 1-11-490.

(b) South Carolina Financial Identity Fraud and Identity Theft Protection Act (FIFITPA), 2008 Act 190, as amended. Solely for purposes of Section 39-1-90 of the South Carolina Code of Laws, as amended, Contractor is deemed to be the owner of government information, as defined herein, and Contractor agrees that the Using Governmental Unit is not a licensee.

(c) The South Carolina Family Privacy Protection Act of 2002, S.C. Code Ann. Sections 30-2-10, et seq.

(d) Personal Identifying Information Privacy Protection, S.C. Code Ann. Sections 30-2-310 et seq.

(e) Data Breach Notification, 2014 Act No. 286, Section 117.117, as revised in any future annual appropriations act.

**LICENSES AND PERMITS:** During the term of the contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections and related fees for each or any such licenses, permits and /or inspections required by the State, county, city or other government entity or unit to accomplish the work specified in this solicitation and the contract.

**MATERIAL AND WORKMANSHIP:** Unless otherwise specifically provided in this contract, all equipment, material, and articles incorporated in the work covered by this contract are to be new and of the most suitable grade for the purpose intended.

**OFFSHORE CONTRACTING PROHIBITED:** No part of the resulting contract from this solicitation may be performed offshore of the United States by persons located offshore of the United State or by means, methods, or communications that, in whole or in part, take place offshore of the United States

**PRICE ADJUSTMENTS:** (1) Method of Adjustment. Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):

(a) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(b) By unit prices specified in the Contract or subsequently agreed upon;

(c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;

(d) in such other manner as the parties may mutually agree; or,

(e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed, all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

**PRICING DATA – AUDIT – INSPECTION):** [Clause Included Pursuant to Section 11-35-1830, - 2210, & -2220]

(a) Cost or Pricing Data. Upon Procurement Officer’s request, you shall submit cost or pricing data, as defined by 48 C.F.R. Section 2.101 (2004), prior to either (1) any award to contractor pursuant to 11-35-1530 or 11-35-1560, if the total contract price exceeds \$500,000, or (2) execution of a change order or contract modification with contractor which exceeds \$100,000. Your price, including profit or fee, shall be adjusted to exclude any significant sums by which the District finds that such price was increased because you furnished cost or pricing data that was inaccurate, incomplete, or not current as of the date agreed upon between parties. (b) Records Retention. You shall maintain your records for three years from the date of final payment, or longer if requested by the chief Procurement Officer. The District may audit your records at reasonable times and places. As used in this subparagraph (b), the term “records” means any books or records that relate to cost or pricing data submitted pursuant to this clause. In addition to the obligation stated in this subparagraph (b), you shall retain all records and allow any audits provided for by 11-352220(2). (c) Inspection. At reasonable times, the District may inspect any part of your place of business which is related to performance of the work. (d) Instructions Certification. When you submit data pursuant to subparagraph (a), you shall (1) do so in accordance with the instructions appearing in Table 15-2 of 48 C.F.R. Section 15.408 (2004) (adapted as necessary for the District context), and (2) submit a Certificate of Current Cost or Pricing Data, as prescribed by 48 CFR Section 15.406-2(a) (adapted as necessary for the District context). (e) Subcontracts. You shall include the above text of this clause in all of your subcontracts. (f) Nothing in this clause limits any other rights of the District.

**RELATIONSHIP OF THE PARTIES:** Neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party.

**SERVICE PROVIDER SECURITY REPRESENTATION:** The following obligations are subordinate to any other contract clause to the extent the other clause specifically provides for enhanced safeguarding of government information, applicable information systems, or applicable organizations. Offeror (i) warrants that the work will be performed, and any applicable information system (as defined in the clause titled “Information Security - Definitions”) will be established and maintained in substantial conformity with the information provided in Offeror’s Response to SPSAQ; (ii) agrees to provide the District with prompt notice of any material variation in operations from that reflected in the Response to SPSAQ; and (iii) agrees to comply with all other obligations involving either information security or information use and disclosure imposed by the contract, notwithstanding any inconsistent statement in Offeror’s Response to SPSAQ. To the extent Offeror’s Response to SPSAQ does not conform to any other contractual requirements, the Using Agency’s lack of objection does not constitute a waiver

**TERM OF CONTRACT – EFFECTIVE DATE / INITIAL CONTRACT PERIOD:** The effective date of this contract is the first day of the Maximum Contract Period as specified on the final statement of award. The initial term of this agreement is 1 year from the effective date. Regardless, this contract expires no later than the last date stated on the final statement of award.

**TERM OF CONTRACT – OPTION TO RENEW:** (a) At the end of the initial term, and at the end of each renewal term, the District reserves the right to extend the contract for a period not to exceed up to four (4) additional one (1) year period(s) upon the mutual agreement of both parties and provided prices remain the same for the extended one-year period(s). Regardless, this contract expires no later than the last date stated on the final statement of award.

**TERMINATION FOR CONVENIENCE:** (1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective. (2) Contractor’s Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor’s right, title, and interest under

terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the District has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the District has breached the contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the District's right to require the termination of a subcontract, or (ii) increase the obligation of the District beyond what it would have been if the subcontract had contained an appropriate clause.

**TERM OF CONTRACT – TERMINATION BY CONTRACTOR:** Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least ninety (90) days prior to the expiration of the then current term.
