QUESTIONS:

Q1. The quote states puncture proof tires. Does that refer to all tires?

A1. In checking with the departments, they would prefer puncture proof tires since the mowers will be used in public areas. Price the mowers with the standard issued tires and also give a price that will upgrade the tires to all puncture proof. That way each department can make that decision.

Q2. Is this a line item quote?

A1. Yes. You may quote as many or as few mowers as you want; the City will award per mower needed.
