SUBJECT: Addendum No. III to the Request for Quotes - Commercial Washer and Dryer

RFPS TO BE OPENED: June 4, 2020 at 2:30:00 p.m. (Eastern Time)

This addendum is being published to provide clarification regarding the above referenced Request for Quotes. This addendum becomes a part of the contract documents and modifies the original specifications as follows:

Question 1: On the drawing for the Commercial washer & dryer for the Knoxville Civic Auditorium it shows a new drain trough. Is that already at the location or does an external drain trough for the washer need to be quoted? I did not see it listed on the bid specs to quote but wanted to make sure it was already going to be at the facility. Thank you!

Response: The quote is for the delivery and anchoring of the washer and dryer in the spaces indicated in the Request for Quote. Electrical and plumbing connections are not to be included in this scope of work.
